Mr. Crain:

We inadvertently forgot to include the "commitment to current revenues only" clause in this agreement. You had already approved as to form. But, Auditor's caught the fact is was missing. Please review and comment as to form.

Marty

PS In future all service contract drafts will include this clause.

Attached is the document with that clause inserted. All of the requirement contracts have that clause but not the service contracts which is what this contract is. Auditor's now want that clause to be included in the service contracts also however, I didn't have it in this contract, I literally forgot to include it and legal oversaw this too and approved the document as to form.

Do you need to send it back to legal for review as to form with this clause inserted? Auditor's might just ask if legal approved this revise document.

Thanks

Is the clause in there and Ms. Linda just didn't see it?

Good morning

Please advise if clause should be added being that Legal has reviewed and approved Draft Contract as to form.

Thanks
