Dear Mrs. Solis:
Hope your Holiday was nice. Need your help. We ask CC to sole source this vendor for the purchase of election machines. I have attached the agenda item. CC approved the sole source declaration. Now ESS (the sole source vendor) is requesting completion and execution of the documents attached herein. We were not advised by ES&S that said documents would be requested or required. Can you review and comment as to form? Further, I wish to place them on CC agenda for 12-6-11 (consent agenda) for action. Please advise.
Seasons Greetings,
Marty

Ms. Yoli

I believe we would possibly require legal opinion on acceptance of said agreements, since Commissioners' Court has approved the sole source declaration of purchase and not agreements which were not mentioned during the time of the issuance of the purchase order or request for quotes. I will proceed to forward to Marty for discussion. Thanks

Ms. Darlene

As per our conversation earlier, attach please find correspondence forwarded by Elections in regards to Agreements that were forwarded to Elections IT personnel by ES&S. At the time that we presented to Commissioners' "Sole Source Declaration" there was no knowledge of Agreements. Please advise
