

**EXHIBIT A**  
**HARDWARE MAINTENANCE AND SOFTWARE MAINTENANCE AND SUPPORT SERVICES**  
**(POST-WARRANTY PERIOD)**

**ARTICLE I**  
**GENERAL**

1. **Term; Termination.** This Exhibit A for Hardware Maintenance and Software Maintenance and Support Services shall be in effect from the date on which the Warranty Period expires until the first anniversary thereof (the "Initial Term"). Upon expiration of the Initial Term, this Exhibit A shall automatically renew for an unlimited number of successive one-year periods (each a "Renewal Period") until this Exhibit A is terminated by the first to occur of (a) either party's written election not to renew, which shall be delivered to the other party at least thirty (30) days prior to the end of the Initial Term or any Renewal Period, as applicable, (b) the date which is thirty (30) days after either party notifies the other that it has materially breached this Exhibit A, if the breaching party fails to cure such breach (except for a breach pursuant to subsection (e), which will require no notice), (c) the date which is thirty (30) days after ES&S notifies Customer that it is no longer able to procure replacement parts that may be needed in order to perform the Hardware Maintenance Services contemplated hereunder, (d) the date on which the Equipment or firmware installed thereon is no longer certified by federal and/or state authorities for use in Customer's jurisdiction, or (e) the date which is thirty (30) days after Customer fails to pay any amount due to ES&S under this Exhibit A. The termination of this Exhibit A shall not relieve Customer of its liability to pay any amounts due to ES&S hereunder and shall only entitle Customer to a prorated refund of any fees already paid to ES&S in the event that this Exhibit A is terminated pursuant to subsection 1(c) or 1(d) below.

2. **Fees.** In consideration for ES&S' agreement to provide Hardware Maintenance and Software Maintenance and Support Services under this Exhibit A, Customer shall pay to ES&S the Hardware Maintenance and Software Maintenance and Support Fees set forth on Schedule A1 for the Initial Term. The Hardware Maintenance and Software Maintenance and Support Fees for any Renewal Period shall be as agreed to by the parties and such fees will not exceed ES&S' list prices which are in effect at the time of commencement of such Renewal Period. The Renewal Period fees are due and payable no later than thirty (30) days prior to the beginning of such renewal period. The Software Maintenance and Support Fees shall be comprised of (i) a fee for the Software Maintenance and Support of the ES&S Firmware, and (ii) a fee for the Software Maintenance and Support for all other ES&S Software, and shall be in addition to any fees or charges separately referred to in any Section of this Exhibit A. If Customer elects to receive Hardware Maintenance or Software Maintenance and Support for an Add-On License or New Product during the Initial Term or any renewal thereof, ES&S will charge an incremental fee for such services. In the event Customer terminates this Exhibit A through no fault of ES&S and later desires to subscribe to a Hardware Maintenance or Software Maintenance and Support Plan, or otherwise changes its Hardware Maintenance or Software Maintenance and Support Plan with ES&S during the Initial Term or any renewal thereof, ES&S will charge the Customer its then current contract administration fee in order to process such new subscription for, or change in, Hardware Maintenance or Software Maintenance and Support Coverage.

**ARTICLE II**  
**HARDWARE**

1. **Maintenance Services.** The Hardware Maintenance Services to be provided to Customer under this Exhibit A for the ES&S equipment listed on Schedule A1 is set forth on Schedule A1 (the "Products") and shall be subject to the following terms and conditions:

a. **Routine Maintenance Services.** An ES&S Representative shall provide such services as may be necessary to keep the Products in Normal Working Condition ("Routine Maintenance Services") once each **Twelve Months** during the Initial Term or any renewal thereof. Generally, Routine Maintenance Services shall include cleaning, lubrication, diagnostic check, and calibration services. The Routine Maintenance Services shall not include the repair or replacement of any ES&S Equipment components that are consumed in the normal course of operating the

Equipment, including, but not limited to, paper rolls, batteries, removable media storage devices, PCMCIA cards, ink pads, ink cartridges or marking devices. Customer may request that Routine Maintenance Services be performed more than once during the Initial Term or any Renewal Period. Any such request shall be made at least sixty (60) days before the Routine Maintenance Services are desired. The per-unit fee for such additional Routine Maintenance Services is set forth on Schedule A1 and shall be due within thirty (30) days after invoice date. At the request of Customer, ES&S shall provide a reasonably detailed record of all Routine Maintenance Services performed with respect to the Products. ES&S will schedule the Routine Maintenance Services with Customer. The Routine Maintenance Services will be provided at Customer's Designated Location. Customer's "Designated Location" shall mean Customer's owned or leased facility at which Customer desires ES&S to perform the Hardware Maintenance Services. Customer acknowledges and agrees that the performance of Routine Maintenance Services for Product(s) identified on Schedule A1 as "depot repair only" shall only be provided pursuant to Section 1(b) below.

b. **Repair Services.**

i. **Defects Under Normal Use and Service.** If a defect or malfunction occurs in any Product while it is under normal use and service, Customer shall promptly notify ES&S, and ES&S shall use reasonable efforts to restore the item to Normal Working Condition as soon as practicable. The services provided by ES&S pursuant to this Subsection 1(b)(i) are referred to herein as "Repair Services". ES&S will perform Repair Services in conjunction with a preventative maintenance event as follows: Repair Services for Products covered under this Exhibit A will be performed at Customer's Designated Location.

ii. **Defects Due to Customer Actions or Omissions.** If a defect or malfunction occurs in any Product as a result of (1) repairs, changes, modifications or alterations not authorized or approved by ES&S, (2) accident, theft, vandalism, neglect, abuse or use that is not in accordance with instructions or specifications furnished by ES&S or (3) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, flooding, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations, and utility or communication interruptions, rodent infestation, or if Customer does not notify ES&S within 24 hours after it knows of the defect or malfunction or is otherwise not in compliance with its obligations hereunder, Customer shall pay ES&S for the Repair Services at ES&S' then-current rates, as well as for the cost of all parts used in connection with such Repair Services.

iii. **Timing.** The date(s) on which any Repair Services shall be provided shall be mutually agreed upon by ES&S and Customer. If Customer requires ES&S to provide "emergency" Repair Services (which shall be defined as Repair Services that are provided within 48 hours after Customer notifies ES&S of the need therefor), and such emergency Repair Services are not needed as a result of an action, error or omission by ES&S, Customer shall pay a surcharge, as set forth on Schedule A1.

iv. **Loaner Unit.** At Customer's request and if such product is available, ES&S shall use reasonable efforts to promptly make available to Customer a product that is the same as, or substantially similar to, the Product for which Repair Services are being performed (a "Loaner Unit"). If the Repair Services are being performed pursuant to Subsection 1(c)(ii) above, Customer shall pay ES&S for the use of the Loaner Unit at ES&S' then-current rates including the cost of shipping.

c. **Exclusions.** ES&S has no obligation under this Exhibit A to (i) assume the obligations under any existing or expired warranty for a Third Party Item; (ii) repair or replace Product components that are consumed in the normal course of operating the Product, including, but not limited to, paper rolls, batteries, removable media storage devices, PCMCIA cards, ink pads, ink cartridges or marking devices, or (iii) repair any Product from which the serial number has been

removed or altered. In addition, ES&S may, at any time in its discretion, determine that any Product is no longer fit for Hardware Maintenance Services because it is in such poor condition that it cannot practically be restored to Normal Working Condition, or cannot be restored to Normal Working Condition at an expense that is less than the then-current value of the Product. If such a determination is made, ES&S shall no longer be required to provide Hardware Maintenance Services for such Product. ES&S shall also refund to Customer an amount equal to (1) that portion of the most recent fee paid for Hardware Maintenance Services that is attributable to such Product, multiplied by (2) a fraction, the numerator of which is the remaining number of days in the respective period within the Initial Term or Renewal Period for which such fee was paid and the denominator of which is the total number of days in the respective period within such Initial Term or Renewal Period.

d. **Sole Provider; Access.** Customer shall not permit any individual other than an ES&S Representative to provide maintenance or repairs with respect to the Products for so long as the Initial Term or any Renewal Period is in effect. Customer shall provide ES&S Representatives with all information necessary to enable them to provide Hardware Maintenance Services. Customer shall likewise provide full access to the Products and adequate working space for all Hardware Maintenance Services performed at its Designated Location, including sufficient heat, lights, ventilation, electric current and outlets.

e. **Storage.** When not in use, Products should be stored in a clean, secure environment. During operation of the Products, the facility temperature range should be 50° to 104° and the moisture range should be 10% to 50% relative humidity.

f. **Reinstatement of Hardware Maintenance Services; Inspection.** If the Initial Term or any renewal thereof expires without being renewed, Customer may thereafter resume receiving Hardware Maintenance Services upon (a) notification to ES&S and (b) the granting to ES&S of access to the Products. ES&S requires Customer to allow it to inspect such Products before it provides any Hardware Maintenance Services. The purpose of such inspection shall be to determine whether or not the Products are fit for the ordinary purpose for which they are to be used, normal wear and tear excepted ("Normal Working Condition"). The cost of such inspection will be at the current published ES&S Technician labor rate and shall be due from Customer within thirty (30) days of its receipt of ES&S' invoice therefore. If any of the Products is not in Normal Working Condition, ES&S, at the option of Customer, (i) shall provide such repairs and replacements as it deems reasonable and necessary to restore such item to Normal Working Condition, at Customer's expense with respect to the cost of any labor (charged at the current published ES&S Technician labor rate) and parts used in such repairs or replacements, or (ii) shall not provide any Hardware Maintenance Services with respect to such Product(s).

If Customer proposes changes in the Software to ES&S, such proposals will become ES&S' property. ES&S may, in its sole discretion, elect to make or not to make such changes without reference or compensation to Customer or any third party. ES&S represents to Customer that the Updates will comply with all applicable state law requirements at the time of delivery. Customer shall be responsible to ensure that it has installed and is using only certified versions of Software in accordance with applicable law. Customer shall pay ES&S for any Update which is required due to a change in federal or state law.

3. **Conditions.** ES&S shall not provide Software Maintenance and Support for any item of ES&S Software if such item requires such services as a result of (a) repairs, changes, modifications or alterations not authorized or approved by ES&S, (b) accident, theft, vandalism, neglect, abuse or use that is not in accordance with instructions or specifications furnished by ES&S, (c) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, (d) Customer's failure to timely and properly install and use the most recent update provided to it by ES&S, (e) Customer's failure to notify ES&S within 24 hours after Customer knows of the need for such services, or (f) if Customer is otherwise not in compliance with its obligations under this Exhibit A. Any such Software Maintenance and Support shall be provided at the fees to be agreed upon by the parties if and when the need for such Software Maintenance and Support arises. Replacement versions of Software requested by Customer as a result of items set forth in this Section 4 or as a result of Customer's actions or inactions shall be billable to Customer at ES&S' then current rates.

4. **Proprietary Rights.** ES&S shall own the entire right, title and interest in and to all corrections, programs, information and work product conceived, created or developed, alone or with Customer or others, as a result of or related to the performance of this Exhibit A, including all proprietary rights therein or based thereon.
