

GENERAL TERMS

1. **Purchase/License Terms.** Subject to the terms and conditions of this Agreement, ES&S agrees to sell and/or license, and Customer agrees to purchase and/or license, the ES&S Equipment and ES&S Software described on the reverse side. The payment terms for the ES&S Equipment and ES&S Software are set forth on the reverse side. Title to the ES&S Equipment shall pass to Customer when Customer has paid ES&S the total amount set forth on the reverse side for the ES&S Equipment. The consideration for ES&S' grant of the license for the ES&S Firmware is included in the cost of the ES&S Equipment.

2. **Grant of Licenses.** Subject to the terms and conditions of this Agreement, ES&S hereby grants to Customer nonexclusive, nontransferable licenses for its bona fide full time employees to use the ES&S Software, described on the reverse side, and ES&S' firmware, which is delivered as part of the ES&S Equipment ("ES&S Firmware"), and related Documentation in the Jurisdiction while Customer is using the ES&S Equipment. The licenses allow such employees to use and copy the ES&S Software and ES&S Firmware (in object code only) and the Documentation, in the course of operating the ES&S Equipment and solely for the purposes of defining and conducting elections and tabulating and reporting election results in Customer's jurisdiction. The licenses granted in this Section 2 do not permit Customer to use the source code for the ES&S Software or ES&S Firmware.

3. **Prohibited Uses.** Customer shall not take any of the following actions with respect to the ES&S Software or the Documentation:

a. Reverse engineer, decompile, disassemble, re-engineer or otherwise create, attempt to create, or permit, allow or assist others to create, the source code or the structural framework for part or all of the ES&S Software;

b. Cause or permit any use, display, loan, publication, transfer of possession, sublicensing or other dissemination of the ES&S Software or Documentation, in whole or in part, to or by any third party without ES&S' prior written consent; or

c. Cause or permit any change to be made to the ES&S Software without ES&S' prior written consent; or

d. Cause or permit any copying, reproduction or printing of any output generated by the ES&S Software in which ES&S owns or claims any proprietary intellectual property rights (e.g., copyright, trademark or patent), including, but not limited to, any ballots, ballot shells or code stock.

4. **Term of Licenses.** The licenses granted in Section 2 shall commence upon the delivery of the ES&S Software described in Section 2. The licenses shall survive the termination of all other obligations of the parties under this Agreement, provided, however, that ES&S may terminate either license if Customer fails to pay the consideration due for, or breaches Sections 2 or 3 with respect to, such license. Upon the termination of either of the licenses granted in Section 2 for ES&S Software or upon Customer's discontinuance of the use of any ES&S Software, Customer shall immediately return such ES&S Software and the related Documentation (including any and all copies thereof) to ES&S, or (if requested by ES&S) destroy such ES&S Software and Documentation and certify in writing to ES&S that such destruction has occurred.

5. **Delivery; Risk of Loss.** The Estimated Delivery Dates set forth on the reverse side are merely estimates and may be revised by ES&S because of delays in executing this Agreement, changes requested by Customer and other events. ES&S will notify Customer of revisions to the Estimated Delivery Dates as soon as ES&S becomes aware of such revisions. Risk of loss for the Equipment and Software shall pass to Customer when such items are delivered to Customer's designated location. Upon transfer of risk of loss to Customer, Customer shall be responsible for obtaining and maintaining sufficient casualty insurance on the Equipment and Software and shall name ES&S as an additional insured thereunder until all amounts payable to ES&S under this Agreement have been paid by Customer.

6. **Warranty.**

a. **ES&S Equipment/ES&S Software.** ES&S warrants that for a 1-year period (the "Warranty Period"), it will repair or replace any component of the Equipment or Software which, while under normal use and service: (i) fails to perform in accordance with its Documentation in all material respects, or (ii) is defective in material or workmanship. The Warranty Period will commence upon delivery. Any repaired or replaced item of Equipment or Software shall be warranted only for the unexpired term of the Warranty Period. All replaced components of the Equipment or Software will become the property of ES&S. This warranty is effective provided that (I) Customer promptly notifies ES&S of the failure of performance or defect and is otherwise in compliance with its obligations hereunder, (II) the Equipment or Software to be repaired or replaced has not been repaired, changed, modified or altered except as authorized or approved by ES&S, (III) the Equipment or Software to be repaired or replaced is not damaged as a result of accident, theft, vandalism, neglect, abuse, use which is not in accordance with instructions or specifications furnished by ES&S or causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, and (IV) Customer has installed and is using the most recent update, or the second most recent update, provided to it by ES&S. This warranty is void for any units of equipment which: (i) have not been stored or operated in a temperature range according their specifications, (ii) have been severely handled so as to cause mechanical damage to the unit, or (iii) have been operated or handled in a manner inconsistent with reasonable treatment of an electronic product. The terms of post-warranty maintenance and support are set forth on Exhibit A

b. **Exclusive Remedies. IN THE EVENT OF A BREACH OF SUBSECTION 6(a), ES&S' OBLIGATIONS, AS DESCRIBED IN SUCH SUBSECTION, ARE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES. ES&S EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, WHICH ARE NOT SPECIFICALLY SET FORTH IN THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

7. **Limitation Of Liability.** Neither party shall be liable for any indirect, incidental, punitive, exemplary, special or consequential damages of any kind whatsoever arising out of or relating to this Agreement. Neither party shall be liable for the other party's negligent or willful misconduct. ES&S' total liability to Customer arising out of or relating to this Agreement shall not exceed the aggregate amount to be paid to ES&S hereunder. By entering into this Agreement, Customer agrees to accept responsibility for (a) the selection of the Equipment and Software to achieve Customer's intended results; (b) the use of the Equipment and Software; (c) the results obtained from the use of the Equipment and Software; (d) the selection of, use of and results obtained from any equipment, software or services not provided by ES&S and used with the Equipment or Software; or (e) user errors, voter errors or problems encountered by any individual in voting that are not otherwise a result of the failure of ES&S to perform. ES&S shall not be liable under this Agreement for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee that is caused by (y) Customer's failure to timely or properly install and use the most recent update, or the second most

recent update, provided to it by ES&S or (z) Customer's election not to receive, or to terminate, the Hardware Maintenance Services or the Software Maintenance and Support.

8. **Proprietary Rights.** Customer acknowledges and agrees as follows:

ES&S owns the Software, all Documentation and training materials provided by ES&S, the design and configuration of the Equipment and the format, layout, measurements, design and all other technical information (except for Customer supplied information such as election information) associated with the ballots to be used with the Equipment. Customer has the right to use the aforementioned items to the extent specified in this Agreement. ES&S also owns all patents, trademarks, copyrights, trade names and other proprietary or intellectual property in, or used in connection with, the aforementioned items. The aforementioned items also contain confidential and proprietary trade secrets of ES&S that are protected by law and are of substantial value to ES&S. Customer shall keep the Software and related Documentation free and clear of all claims, liens and encumbrances and shall maintain all copyright, trademark, patent or other intellectual or proprietary rights notices that are set forth on the Equipment, the Software, the Documentation, training materials and ballots that are provided, and all permitted copies of the foregoing.

9. **Indemnification.** To the extent provided for by the Constitution and laws of the State of Texas, customer shall indemnify and hold harmless ES&S from and against any and all adverse consequences arising out of or relating to the following:

a. Any Third Party Infringement Claim resulting from (i) Customer's failure to timely or properly install and use any update provided to it by ES&S; (ii) the use of any Equipment or Software in combination with other equipment, hardware or software not meeting ES&S' specifications for use with such Equipment or Software; or (iii) Customer's modification or alteration of any item of Equipment or Software without the prior written consent of ES&S;

b. Any claims by third parties arising out of or relating to the use or misuse by Customer, its employees and any other persons under its authority or control ("Customer's Representatives") of any third party items;

c. Personal injury (including death) or property damage that is caused by any negligent or willful act, error or omission of one or more of Customer's Representatives; and

d. Customer's election not to receive, or to terminate, Hardware Maintenance Services or Software Maintenance and Support.

ES&S shall notify Customer immediately if it becomes aware of any claim for which it may be entitled to indemnification under this Section 10, and hereby gives Customer full and complete authority, and shall provide such information and assistance as is necessary (at Customer's expense with respect to reasonable out-of-pocket costs), to enable Customer to defend, compromise or settle any such claim.

10. **Termination.** This Agreement may be terminated, in writing, at any time by either party if the other party breaches any material provision hereof and does not cure such breach within 30 days after it receives written notification thereof from the non-breaching party.

11. **Disputes.**

a. **Payment of Undisputed Amounts.** In the event of a dispute between the parties regarding (1) a product or service for which payment has not yet been made to ES&S, (2) the amount due ES&S for any product or service, or (3) the due date of any payment, Customer shall nevertheless pay to ES&S when due all undisputed amounts. Such payment shall not constitute a waiver by Customer or ES&S of any of its rights and remedies against the other party.

b. **Remedies for Past Due Undisputed Payments.** If any undisputed payment to ES&S is past due more than 30 days, ES&S may suspend performance under this Agreement until such amount is paid. If Customer's payment is past due for more than 60 days and is undisputed, ES&S may declare the total amount remaining due under this Agreement to be immediately due and payable, enter the premises where the Equipment is located and remove it. Any disputed or undisputed payment not paid by Customer to ES&S when due shall bear interest from the due date at a rate equal to the lesser of one and one-half percent per month or the maximum amount permitted by applicable law for each month or portion thereof during which it remains unpaid.

12. **Notice.** Any notice or other communication required or permitted hereunder shall be in writing, and will be deemed given when (a) delivered personally, (b) sent by confirmed fax, (c) sent by commercial overnight courier (with written verification of receipt) or (d) sent by registered or certified mail, return receipt requested, postage prepaid, when the return receipt is received. All communications shall be sent to the attention of the persons listed on the signature page to this Agreement and at the addresses or fax numbers set forth on such signature page unless other names, addresses or fax numbers are provided by either or both parties in accordance herewith.

13. **Compliance with Laws.** In performing its obligations or enjoying its rights under this Agreement, each party shall comply with all applicable laws and regulations. In addition, ES&S warrants to Customer that, at the time of delivery, the Equipment and Licensed Software sold and licensed under this Agreement will comply with all applicable requirements of state election laws and regulations that are mandatory and effective as of the Effective Date and will have been certified by the appropriate state authorities for use in Customer's state. ES&S further warrants that during the Warranty Period and thereafter so long as Customer is subscribing and paying for Maintenance and Support Services, the Equipment and Licensed Software shall be maintained or upgraded by ES&S in such a way as to remain compliant with all applicable state election laws and regulations. "Maintained or upgraded" shall mean only such changes to individual items of the Licensed Software (but not Equipment) as are technologically feasible and commercially reasonable. Customer shall be solely responsible for the cost of any replacements, retrofits or modifications to the Equipment contracted for herein that may be developed and offered by ES&S in order for such Equipment to remain compliant with applicable laws and regulations. Customer shall also be solely responsible for the cost of any third party items that are required in order for the Equipment and/or Licensed Software to remain compliant with applicable laws and regulations.

14. **State Recertifications.** In the event that any future state certifications or recertifications are required that are not otherwise required as a result of any changes or modifications voluntarily made by ES&S to the Licensed Software and/or Equipment licensed and sold hereunder, Customer shall be responsible for:

(i) the total cost of any third party items that are required in order for the Equipment and/or Licensed Software to remain certified;

(ii) Customer's pro-rata share of such future state certification or recertification costs; and

(iii) Customer's pro-rata share of the costs of designing, developing, manufacturing and/or certification by applicable federal and state authorities of any mandated modifications to the

Equipment and/or Licensed Software that may result from such future state certifications or recertifications.

Customer's pro-rata share of the costs included under subsections 14(ii) and 14(iii) above shall be determined at the time by dividing the number of registered voters in Customer's jurisdiction by the total number of registered voters in all counties in Customer's state to which ES&S has sold and/or licensed the Equipment and/or Licensed Software purchased and licensed by Customer under this Agreement.
