Mr. Crain:

We need your review and comment as to form asap as the new protocol for placement on CC agenda is now a two (2) weeks in advance. I ask that we start a new protocol, that if there are corrections to be made, that you proceed to do them and thus attempt to eliminate the back and forth. Of course we understand that if there items other than corrections that are needed, we will need to provide them. Let's see if this helps the process.

Yours truly,
Marty
