I spoke with HHSC and confirmed that they will allow the County to make the TexNet transfer next Tuesday, January 31st, with settlement on February 1st, following Court approval. The State did ask that we send them confirmation of the TexNet entry as soon as we can on Tuesday. Your help in completing the process is much appreciated, and please let me know if you have any questions.

We wanted to advise you that the State has released the schedule for the next Medicaid supplemental payments and has asked that the County enter its contribution by January 27, for settlement on Monday January 30th. We will be working with you over the next week to confirm the amount that the County elects to contribute. In the meantime, please let us know if you have any questions.
