Good afternoon Vangie,

Project Description: City of Mercedes Walking Trail (Reconstruction)

As per our telephone conversation please proceed with placing an item on the agenda to A) Include the Man Hour Labor rates and equipment rates, and B) approval of interlocal cooperation agreement project description.

Also please be advised that we are requesting that this item be moved up to the CC meeting of 1/31/12 due to the importance of getting this project started soon due scheduling of this much needed project.

Joy, thanks for the information that you provided to me. Once this is done I will contact you to get an account setup so that we can request escrow amount so that we can deposit with the Treasury Department to enable us to procure the materials etc for this project.

Thanks for your help..
