Just to be sure on your previous instruction. You asked to strike 7th paragraph. Do you mean the entire paragraph or just first sentence? It appears the rest of the paragraph should stay? Not trying to be a lawyer, just making sure.

Ms. Marty,

This type of documents are required for North Alamo Water Supply to install water meter in the Sheriff's Office Substation and have not required legal review prior. Can you please forward to legal for review as requested by the Auditor's Office. Thank you.

The agreement lacks legal counsel's formal review and approval.
