**Subject:** Buy Board Products - City of Donna - Solar Light - Buy Board Contract #368-10

Good Morning Ms. Burkett,

Can you please assist me with informing me if the prices that the vendor (Facility Solutions Group) has provided to Urban County Program are Buy Board prices?

I attached the quote from Facility Solutions Group (Buy Board contract #368-10 – Energy Saving Lighting Products). I have already verified the list prices on 3/5/12 at <http://www.facilitysolutionsgroup.com>. We are Buy Board members thru Hidalgo County. I did notice that they were charging us \$55 (discounting more than 10%), so I called the vendor (talked to Mr. Antonio Olivares) & he said that that was their price as per the quote.

I greatly appreciate your assistance in this matter.

Respectfully,

If any such requirements apply, it is the responsibility of each entity to take appropriate action to determine compliance by the vendor.

The Texas Professional Services Procurement Act, Chapter 2254 of the Texas Government Code ("Act"), prohibits a governmental entity from using a competitive bid process that initially considers price in the procurement of professional services covered under the "Professional services" under the Act includes, but is not limited to, professional engineering, architecture, accounting, landscape architecture, land surveying, and real estate appraisal services. Additionally, the Texas Interlocal Cooperation Act provides that a governmental entity may not use an interlocal contract with a purchasing cooperative to purchase engineering or architectural services (Texas Government Code, Section 791.0(h)). BuyBoard® contracts do not, and are not intended to, include professional services that must be procured in accordance with the Act. Cooperative members are reminded they must comply with the Act whenever a contract includes professional services as a component part, and may not procure engineering or architectural services through a BuyBoard contract.
