Mr. Crain:
I believe I had previously sent these agreements to you for review and comment as to form. However, I do recall that the documents referred to Hidalgo County, a municipality and not a county. That appeared to be the extent of your comments at the time. We are finally in receipt of both documents with the county political jurisdiction designation for Hidalgo County. Please review and comment as to form. We have it on for 3-13-12. Thanks,
Marty

Ms. Marty,

As per Erika Zamora from budget, the revised contract documents must have legal approval before it is attached to Agenda item.

Thanks,
