Mr. Larry Ortiz,

In reference to the damages to the fence and gate at the Palmview III Head Start center, we are estimating eight (8) hours to replace the damaged portions. This will entail two (2) maintenance staff which would be a total of sixteen (16) hours. Based on their current earning rate the total would be one hundred ninety one dollars and four cents (\$191.04).

Please call me if you have additional questions.

Thank you,

Oscar Palacios,  
Field Operations Director
