G-XTREME, LETTERING GUIDELINES

AVERAGE MAXIMUM LETTERS		
Per I-Line Letter Patch	2"	3"
Row A	12	8
Row B	13	9
Row C	13	9
Row D	13	9
Row E	12	8
Row F	12	8
Row G	12	8

This chart provides basic guidelines for the amount of lettering available in specific locations. It also reflects available space on a 1-line letter patch. In some cases, more room is available when the lettering is applied directly to the back of the Jacket and not on a patch. If more room is required, arching the letters may be a solution.

GLOBE MEASUREMENT INSTRUCTIONS

IMPORTANT: Globe turnouts are custom-tailored and sizes differ from street clothes. Extra care in measuring is needed to assure accurate fit. PLEASE USE ACTUAL MEASUREMENTS AS INDICATED BELOW.

- A CHEST** – Have firefighter take and hold a deep breath. Measure under arms and around fullest part of chest (bust).
- B SLEEVE** – No need to measure since sleeves are designed proportionate to chest size. However, if unusually short or long arms: bend elbow and hook thumb under belt buckle, and beginning at center of back of neck, measure across top of shoulders, around point of elbow to midpoint from wrist bone to knuckles.
- C WAIST** – Be sure tools (belt buckles, beepers, etc.) are taken into consideration when applicable.
- D INSEAM** – Wearing normal station wear, measure from crotch inner seam to ankle bone.
- E HIPS (WOMEN ONLY)** – Measure around fullest part of hips.

- ▶ DO NOT take own measurements.
- ▶ Stand straight but relaxed, feet about 12" apart
- ▶ Wear identical clothing and accessories that will be worn under turnout.
- ▶ Use a high quality non-stretch tape, holding it straight and snug so that it lies smooth without indenting the body. (Be sure you start with low end numbers.)
- ▶ List any special considerations such as unusual height, weight or physical characteristics.

B MEASUREMENT
(begin at center of back of neck, follow diagram and instructions, end midway between wrist bone and knuckles)

COBRA™ FIRE FIGHTING AND ARC RESISTANT HOODS SUGGESTED LIST PRICE LIST

The *Cobra™* hood line features our Comfort Plus™ (Nomex/Lenzing FR®) liner. The *Original Cobra™* hood line has the exact same features and construction as the Cobra hood line with the exception of the liner, which will be the same fabric as the outer shell.

All hoods are UL Classified and are compliant to NFPA 1971 - Current Edition

COBRA™ ULTIMATE™ with Comfort Plus™ Liner

Double ply hood featuring Comfort Plus™ liner. The Comfort Plus™ liner is the softest, most comfortable flame resistant liner available. Fabric wicks moisture off the skin, keeping the wearer drier and more comfortable. X-Long length; Designed for maximum protection; Covers the chest, shoulders and shoulder blades; Flat-stitched seams; X-heavy ½" wide elasticized face opening; Cover stitched bound drape; Sewn with 100% Nomex® thread; All points of stress bartacked.

All hoods are UL Classified and are compliant to NFPA 1971 - Current Edition.

Regulatory Notice: BuyBoard contract pricing does not include bonding or insurance. Each entity must determine the need for bonding and insurance, including limitation such workers' compensation insurance as may be required by state or local law. If required, it is the responsibility of each entity to obtain such bonding and insurance or confirmation of coverage, as applicable, from the vendor.

Also, each entity must assess their individual projects to determine whether the project is subject to prevailing wage rate requirements under the federal Davis Bacon Act or state or local law. If any such requirements apply, it is the responsibility of each entity to take appropriate action to determine compliance by the vendor.

The Texas Professional Services Procurement Act, Chapter 2254 of the Texas Government Code ("Act"), prohibits a governmental entity from using a competitive bid process to procure professional services covered under the Act. "Professional services" under the Act includes, but is not limited to, professional engineering, architecture, accounting, landscape architecture, land surveying, and real estate appraisal services. Additionally, the Texas Interlocal Cooperation Act provides that a governmental entity may not use an interlocal contract with a purchasing cooperative to procure engineering or architectural services (Texas Government Code, Section 79(h)). BuyBoard® contracts do not, and are not intended to, include professional services that must be procured in accordance with the Act. Cooperative members are reminded they must comply with the Act whenever a contract includes professional services as a component part, and may not procure engineering or architectural services through BuyBoard contract.

Good afternoon Mr. Yancy,

Can I still utilize the quote you provided me for the Elsa Fire Department? This will be going for approval on the 17th of April!

Please advice. Thank you!

Good Morning Mr. Yancy,

I am sorry to bother you with this again, but I made a few editions to the quote only to include the price listing for Globe. I have attached it for your review and approval. Also, I left some of the items blank because of the pricing differences! Can you please assist me with filling in those blanks so that I can have an accurate quote sheet? Your assistance is greatly appreciated.

I do apologize for this, but as you may already know with all my questions regarding this quote how rough it is on our end to retrieve every bit of information before our County Commissioners' Court approval.

Again, Thank You!

Mr. Yancy,

I've made an attempt to contact Jessica from Globe Firesuits, but got disconnected. Can you please assist me with this issue (verifying of prices)? I am having difficulties verifying the prices for the (G-Xtreme advance tan coat and pant) and want to submit to our County Commissioners' Court for approval to purchase the equipment on the quote you provided. I need a pricing sheet from Globe Firesuits for the G-Xtreme advance tan coat and pant. Your assistance in this matter is greatly appreciated.

Monica,

Globe gear is custom built and pricing cannot be found on the internet. All pricing for Urban County has been set at 40% off list by my choice, Buy Board takes 30% off list, therefore I am giving Urban County an extra 10% off of Buy Board. If you need list pricing, please call Jessica at Globe Firesuits 800-232-8323.
