Rocio,

We are good to go on the two new drafts of the amendment forwarded today (with the corrected amount for the total cost including architect's fee (4,622,500) and clarifies that advertising for bids has commenced and the corrected A201 that removes "and utility locations" from 2.2.3). Please ensure those drafts are attached to the agenda item and removed. We are signed off on those drafts.

Regards,
Heather
