Master Agreement Between Dallas County, Texas and Acuity Specialty Products, Inc., d/b/a Zep Sales & Service For Cleaning Chemicals and Supplies

This Contract is entered into by and between Dallas County (hereinafter, "COUNTY"), a government entity formed and existing under the laws of the State of Texas, acting by and through the Dallas County Commissioners Court, and Acuity Specialty Products, Inc. d/b/a Zep Sales & Service (hereinafter "SUPPLIER"), located at 1310 Seaboard Industrial Blvd NW, Atlanta, Georgia 30318, for the purpose of providing cleaning chemicals and supplies (hereinafter "PRODUCTS").

WITNESSETH:

WHEREAS, COUNTY seeks a supplier to provide cleaning chemicals and supplies; and

WHEREAS, SUPPLIER has proposed and County has accepted SUPPLIER'S offer to provide PRODUCTS in response to COUNTY'S Request for Proposals No. 2007-118-3034, issued in accordance with Chapter 262 of the Texas Local Government Code;

NOW, THEREFORE, COUNTY and SUPPLIER, in consideration of the terms, covenants, and conditions herein contained, do hereby contract as follows:

SECTION 1. SCOPE OF SERVICES

SUPPLIER agrees to provide PRODUCTS set forth in RFP No. 2007-118-3034, which is attached hereto and incorporated by reference as Exhibit A, and SUPPLIER'S response to RFP No. 2007-118-3034, which is attached hereto and incorporated by reference as Exhibit B.

SECTION 2. TERM

The initial term of this Contract is January 1, 2008 through December 31, 2009 with the option to renew annually for three (3) additional one (1) year periods. Renewal will be subject to the availability of funding, vendor performance, mutual agreement by all parties, and the approval of the Dallas County Commissioners Court. All renewals/extensions shall be based on existing terms, conditions, and price structures set forth in original bid award or as amended. COUNTY does not guarantee any quantities to be purchased under this contract.

SECTION 3. PRICE AND PRICE ADJUSTMENTS

SUPPLIER agrees to the pricing proposal included in SUPPLIER'S RFP response as detailed in Exhibit B under Section 11.3 Business Proposal Pricing will remain in effect for the first twelve (12) months of the Contract. Price adjustments will be considered based on the terms outlined in this section. An initial price adjustment can be requested after the first twelve (12) month period of the contract. Subsequent requests can be submitted on an annual basis. Requests for price adjustments must be supported by appropriate written documentation by the manufacturer's

published price lists or similar documentary evidence. The reasonableness of the request will be determined by comparing the request with the Producer Price Index or by performing a market survey. If COUNTY agrees and approves the adjusted price terms, COUNTY shall issue written approval of the change and the effective date of the new pricing. Price adjustments/increases shall be presented as a percentage of increase/decrease, which will be used to adjust vendor pricing accordingly. The price increase shall not exceed five (5%) percent over a one (1) calendar year period and shall be limited to the actual increase incurred by SUPPLIER, whichever is the least amount of increase. Price adjustments/increases will not be retroactive. Price reduction or decreases are effective immediately.

In the event civil suit is filed to enforce this provision, Dallas County will seek its attorney's fees and cost of suit from the Vendor.

FINANCIAL INTEREST

If such funds become reduced or unavailable, any contract agreement shall be subject to immediate modifications, reduction or termination on the expiration date or date in which the funds have been eliminated.

ASSIGNMENT

Firms shall not sell, assign, transfer or convey this Contract, in whole or in part, without the prior written consent of the Dallas County Commissioners Court. Should the County authorize the original awardee to subcontract (assign) any portion of this contract, the original awardee will maintain the ultimate legal responsibility for all services according to contract specifications. In the event of a subcontract, the original awardee must maintain a continuous effective business relationship with the subcontractor(s) including, but not limited to, regular payments of all monies owed to any subcontractor. Failure to comply with these requirements, in whole or part, will result in termination of this contract and/or legal ramifications, due to nonperformance. Should the County authorize the original contractor to transfer this contract, in whole or part, the secondary contractor will maintain all the legal responsibilities set forth in the context of this contract; and the original contractor will continue to be responsible for the performance of the secondary contractor. However, in the event of the assignment or sale of original awardee's assets, Dallas County, at its option, may terminate or renegotiate the terms of this Contract.

Rebates: Pursuant to Texas Government Code § 2155.510(b), rebates generated from TXMAS contract purchases made using federal funds must be reported to the federal funding agency for reporting and reconciliation purchases. Each quarter of the State's fiscal year, TXMAS contractors rebate .75% of their TXMAS sales to the State of Texas via the Texas Comptroller of Public Accounts (CPA). It is the purchasing entity's responsibility to report the amount of rebate using the above percent based on the total dollar value of the TXMAS purchase order.

Example: A purchasing entity receives and uses federal funds of $50,000 to purchase items/services on a TXMAS contract. The purchasing entity must report to the federal fund-provider that a sales rebate of $375 ($50,000 * .75% = $375) will be paid to the State of Texas by the TXMAS contractor.

Effective Date: This Texas Multiple Award Schedule (TXMAS) contract is effective beginning 7/16/2011 through 5/31/2013 and is automatically renewed on the date that the State of Kansas exercises the renewal option. All State of Texas terms and conditions will continue and apply to all renewal periods by mutual agreement. The contractor has certified that the prices reflected in the contractor's catalog are the same as the prices contained in the most current modification to State of Kansas Contract No. 12745AB.

Placement of Orders: Purchasing entities must use both the instructions on the contractor's web page and the terms and conditions in the federal supply schedule to place orders. Purchasing entities may use a either a departmental purchase order or the contractor's on-line ordering system to place orders. Purchasing entities may opt out of using the contractor's on-line ordering system if it is incompatible with the entity's purchasing procedures. The contractor is not required to accept orders below the minimum listed below. Orders between the minimum and maximum listed below are subject to GSA preferred customer pricing. For orders above the maximum, purchasing entities are entitled to negotiate for lower prices than those listed on the on-line federal supply schedule price list.

Order Limitation:
Minimum Order: 1
Maximum Order: N/A

Approved Products/Services: Only products or services listed in the CPA-approved State of Kansas contract may be purchased from this TXMAS contract, with one exception. Incidental, off-schedule items may be purchased as "best value, open market" items provided that they are necessary for product integration or product completeness. The purchasing entity is responsible for ensuring that the quoted price for such incidental items is fair and reasonable. These incidental items may be added to the TXMAS purchase order if they are clearly labeled as "open market (OM), best value" items. Only products or services listed in the CPA approved GSA contract may be purchased from this TXMAS contract, with one exception. Incidental, off-schedule items may be purchased as "best value, open market" items provided that they are necessary for product integration or product completeness. The purchasing entity is responsible for ensuring that the quoted price for such incidental items is fair and reasonable. These incidental items may be added to the TXMAS purchase order if they are clearly labeled as "open market (OM), best value" items.

THIS TXMAS CONTRACT IS ALSO LISTED ON TXSMARTBUY. Unless this contract has TXMAS-authorized dealers (listed previously on this page), all purchasing entities wanting to purchase items/services available on this TXMAS contract must purchase through TxSmartBuy: www.txsmartbuy.com. If this contract has TXMAS-authorized dealers, those dealers may continue to accept purchase orders as they have been doing in their previous manner (fax, email, or hand carry). If you have any questions, please send an email to txmas@cpa.state.tx.us or call (512-463-3421).

State Contracts: All Texas Council for Purchasing from People with Disabilities contracts and Texas Correctional Industries (TCI) term contracts take precedence over this TXMAS contract. If similar products or services are listed on this TXMAS contract and a CPA term contract, a determination should be made that will result in a best value purchase.

Payment Due Date: Payment will be due on the thirtieth (30) calendar day after the later of: (a) the date the State actually receives a proper invoice at the office designated in the applicable purchase order to receive it; or (b) the date the State accepts the products or services. The post mark date on the envelope for the State warrant (State's equivalent to a check) or banking information showing when a direct deposit transaction was received will be considered the date payment is made. Interest starts accruing on the first day that payment is late. The rate of interest for late payments is set at one percent per month.

Special Note: The State of Texas, including but not limited to its Agencies, cooperative purchasing members and any local governmental entity authorized by law to use the Texas Multiple Award Schedule method for purchasing is not obligated to procure any products or

services from this TXMAS contract. This schedule contract shall not be construed to prevent the State from purchasing products or services using other procurement methods as authorized by law.

ATTACHMENT "B"
Scope of Services

PROJECT: **Geotechnical Engineering Services for the Design and Construction of the New Proposed Constable Building in Hidalgo County Pct. No. 1.**

GENERAL SCOPE OF WORK

The Scope of Work will entail providing **The County of Hidalgo** with **Geotechnical Engineering Services.**

The Scope of Work is identified as follows:

- ***Geotechnical Engineering Services***

L&G Engineering will furnish all equipment, materials, supplies, and incidentals as needed to perform the services required by this Contract: The work is as follows:

Geotechnical Engineering Services

Geotechnical Drilling Services

L&G Engineering will provide drilling services for **Hidalgo County Pct. No. 1**. Soil samples will be removed from the sample apparatus during drilling operations. One of our geologists or engineering technicians will conduct various field tests on the recovered samples, visually classify the samples, and record the appropriate data on a field boring log. The samples will be appropriately packaged to minimize loss of their natural moisture content and to reduce the possibility of damage during transportation to our soils laboratory for testing. The tests performed on these samples will include Moisture Content, Liquid Limit, Plastic Limit, Plasticity Index and Materials Finer that No. 200. Unconfined Compressive Strength and Dry Unit Weight tests will be performed as necessary to provide detailed description of undisturbed samples.

Drilling services will also include a 24-hour water level reading at each boring location. Piezometers, when required, will be installed to maintain the integrity of the borehole overnight or over a weekend. Following completion of drilling, sampling, and subsurface water monitoring operations, all boreholes will be backfilled with soil cuttings from the completed borings. If enough soil cuttings are unavailable, clean sand will be used to backfill the completed boreholes. If a piezometer is installed, the pipe will be removed following the water level readings and the borehole backfilled as described above.

Once all of the Engineering Properties of the soils have been determined, the final Log of Boring is created using the field and laboratory data. Included in the Log of Boring are THD Penetrometer Blow Counts, actual Moisture Contents, Plasticity Indices, and other laboratory test data obtained during the laboratory testing phase of the project. Proper description and location of strata, ground water elevations and test hole elevations will also be included in the Log of Boring.

Engineering Services

Engineering analyses will be conducted after reviewing the results of both the field and laboratory phases of the study. The findings and conclusions derived from the analyses will be presented in a written engineering report which will be prepared by the engineer. The report will include a boring location plan, boring logs with laboratory classification of recovered soil samples and subsurface water conditions encountered. The report will provide engineering recommendations for:

- Pier capacity curves; and
- Soil parameters that may be used in designing the foundations for the planned structures.

The geotechnical report will provide general comments and applicable recommendations regarding construction methods, sequences, and potential difficulties that may arise during overall construction as it relates to the soil and foundation aspects of this project. This information may serve to guide foundation selection and design and assist in the preparation of specifications for the project.

This contract **does not** include activities and corresponding costs that may be associated with the following:

- Providing an ATV mounted drill rig, dozer or special equipment to clear areas of vegetation and debris or to re-grade the site to gain access to the boring locations;
- Re-grading the site or portions of the site after drilling activities are completed;
- Site safety meetings that may be required; or
- Encountering hazardous or contaminated soils or substances during our field activities.

Hidalgo County Pct. No. 1 will be notified should these services become necessary for the completion of field exploration activities.

This proposal **does** include activities and corresponding costs that may be associated with locating buried utilities or pipelines as follows:

- Providing PVC pipe for water level readings; and
- Clearing the boring locations for underground utilities.

Hidalgo County Pct. No. 1 will be responsible for obtaining any necessary permits or authorization to egress areas where the borings are to be drilled.

Schedule

Based on the requested services, it is estimated that the drilling operations can take approximately two (2) to three (3) days to complete. We anticipate that drilling operations can usually begin within two (2) to three (3) days following notice to proceed, staking of the borings, clearing the boring locations of utilities and site and weather conditions permitting. The report and engineering analyses should generally be completed within two (2) weeks after completion of the drilling operations.

RE: Fire Protection System Design Services
Hidalgo County Courthouse
Edinburg, Texas

RFPE #2011224(R1)

It is our understanding that your office requires construction documents for the automatic sprinkler system in to the subject building. The existing building has four (4) areas. Area A is three (3) stories with a basement. Area B is five (5) stories. Area C is two (2) stories. Area D is one story. The original building was constructed in 1959. The courthouse includes an adjacent 8,000 ft^2 Annex Building which is connected to the main building by a covered walk. The building has an older fire alarm system which should be replaced and will require modifications when the monitoring of the sprinkler system is added.

The building has been evaluated by an architecture firm. It's report identifies code violations with life safety systems and means of egress. Your office desires an evaluation of these items to determine alternative solutions.

Your office desires construction documents for the automatic sprinkler system and fire alarm system which are necessary to supervise the automatic sprinkler system.

I. BASIC SERVICES

Reed Fire Protection Engineering (RFPE) and HALFF ASSOCIATES (client) have agreed that RFPE will provide the following services to the client:

AUTOMATIC SPRINKLER SYSTEM

1. Obtain electronic copies in AutoCAD format of the building floor plans,

sections and reflected ceiling plans from your office. Obtain copies of any mechanical, structural, civil, etc. drawings as well.

2. Visit the site in Edinburg, Texas to verify accuracy of existing building floor plans. Gather data and determine locations for sprinklers, pipes, etc. While at the site, obtain water flow data from the City of Edinburg or witness a flow test if necessary.

3. While at the site, observe the condition of the existing fire alarm control panel and verify its capacity to accept the additional supervisory devices for the automatic sprinkler system.

4. Prepare preliminary water supply calculations for the proposed facility. The analysis will determine estimated water supply requirements for the sprinkler systems.

5. Prepare complete construction documents for the automatic sprinkler system. The drawings will include:

   a. Hazard classifications
   b. Water supply information
   c. Riser detail
   d. Pipe routing and sizes
   e. Sprinkler locations and types.
   f. Hydraulic calculations.
   g. Necessary details.
   h. Specifications in CSI format.

6. Meet with the City of Edinburg Fire Department to obtain preliminary approval for our design and obtain their comments. Revise the documents based on comments received.

7. Attend two (2) meetings with your office in McAllen, Texas to review the proposed design and obtain your comments. Revise the drawings based on comments received.

8. Submit one hard copy and one electronic copy of the information to your office for inclusion in the bid package. The drawings will be sealed by a fire protection engineer. **No additional design work will be necessary for a prospective installing contractor to prepare his bid.**

FIRE ALARM SYSTEM

1. Prepare complete construction documents for the modifications to the fire alarm system. The drawings will include:

a. Control panel location.
b. Additional device locations
c. Necessary details.
d. Sequence of operation.
e. Specifications in CSI format.
f. Interfaces to other building systems.
g. Demolition of any existing devices which are not compatible with the new fire alarm system.

2. Submit one hard copy and one electronic copy of the information to your office for inclusion in the submittal to your client. The drawings will be sealed by a fire protection engineer. No additional design work will be necessary for a prospective installing contractor to prepare his bid.

3. Attend meetings and provide drawings in the same manner as in the AUTOMATIC SPRINKLER SYSTEM section.

LIFE SAFETY EVALUATION

1. While conducting the site visit to gather data for the automatic sprinkler and fire alarm system designs, walk through the buildings to identify the life safety items contained in the architect's evaluation report.

2. Prepare a letter and drawings which show the location of the item and any proposed solutions for that item.

3. While attending the meetings for the design of the automatic sprinkler and fire alarm systems, discuss any life safety items which may be included in the project and assist your office with drawing preparation.

CONSTRUCTION PERIOD SERVICES

1. Review the contractor's shop drawings for the automatic sprinkler system and the modifications to the fire alarm system. Prepare letters listing items which require correction. Four (4) reviews are included – two (2) each for the fire alarm and sprinkler systems.

2. Answer RFI's from the installing contractor during construction. Maximum of twelve (12) hours are allocated for this item.

4. During construction, visit the site to observe the progress of the installation. Prepare a letter summarizing progress and listing items which must be corrected.

5. When the installation is substantially complete, visit the site to observe the installation of the automatic sprinkler system. Prepare a punch list letter listing items which must be completed before the system is accepted by the County.

6. When the installation is substantially complete, visit the site to observe the installation of the modifications to the fire alarm system. Witness a functional test of the devices added to the fire alarm system to verify proper operation. Prepare a punch list letter listing items which must be completed before the system is accepted by the County.

II. PROPOSAL ASSUMPTIONS

1. Preparation of the budgetary cost projections are excluded from this proposal.

2. **Drawings and specifications will bear the seal of a registered fire protection engineer.**

3. **Your office will provide contractual conditions for the bid package.**

4. Your office will furnish RFPE with electronic copies of existing floor plans and reflected ceiling plans and copies of mechanical, electrical, structural and civil drawings for our use in preparing our design.

6. Attendance at meetings other than those outlined are excluded.

7. Services not listed in Basic Services above are specifically excluded from the scope of RFPE services. RFPE assumes no responsibility to perform services not listed in Basic Services above.

Re: Proposal to provide an Operations & Maintenance Plan, asbestos specifications and abatement oversight activities for the Hidalgo County Courthouse Annex Building located at addressed 100 North Closner, Edinburg, Texas

Dear Ms. Saenz:

Halff Associates (Halff) is pleased to submit this proposal for asbestos consulting services for the referenced property. The services will include preparation of plans and specifications for asbestos abatement and abatement oversight of the removal of asbestos containing materials (ACM) identified in Terracon Consultants, Inc. February 11, 2009 asbestos survey report for the referenced property. The asbestos abatement will consist of the removal and proper disposal of the ACM that would be impacted by the installation of the proposed fire suppression system. At the time this proposal was prepared, the plans for the proposed fire suppression system were not available for review and all quantities and time have been estimated and could possibly be revised after review of the final installation plans. In addition, an Operations & Maintenance Plan will be developed for the ACM remaining in the facilities. Oversight services include limited asbestos abatement oversight by a licensed asbestos consultant and a project manager/air monitor on-site for the duration of the asbestos abatement activities.

Operations & Maintenance Plan

An Operations & Maintenance Plan (O&M Plan) will developed by Halff detailing a program of work practices to maintain identified ACM in good condition. The O&M Plan will ensure clean up of asbestos fibers previously released, and prevent further release by minimizing and controlling the disturbance and damage of identified ACM.

Asbestos Abatement

The asbestos abatement activities will be performed by others in accordance with the site specific plans and specifications prepared by Halff for the project. Asbestos abatement for the referenced

property will include the removal of the following asbestos containing materials (ACM), which were identified in the asbestos survey:

Hidalgo County Courthouse

- ±250 square feet of resilient floor tile and mastic
- ±250 linear feet of thermal system insulation
- ±100 square feet of roofing material

Annex Building

- ±1,000 square feet of finished sheetrock
- ±250 square feet of resilient floor tile and mastic

Asbestos Abatement Oversight

The licensed asbestos consultant will coordinate with the licensed asbestos project manager to provide oversight of the abatement activities. The licensed asbestos consultant will also prepare a final report, which will include a description of abatement activities, disposal manifests, and results of on-site air monitoring.

The licensed asbestos project manager will be on-site for the duration of the asbestos abatement activities to perform air monitoring, on-site inspections, and to evaluate the work area for compliance with State and Federal asbestos regulations and the abatement design. The project manager will also perform a final visual inspection after the abatement has been completed and conduct clearance testing in accordance with the current Texas Department of State Health Services (TDSHS) regulations. The air samples will be analyzed by Phase Contrast Microscopy (PCM) in accordance with the National Institute of Occupational Safety and Health (NIOSH) Method 7400.

The total costs associated with the above services are estimated not to exceed $31,948.00 and the project will require approximately six weeks (approximately 1 week for abatement activities) to complete. Halff will be compensated for all services on a time and materials basis. Labor will be billed at 2.3 times salary cost and direct costs will be billed at 1.1 times actual cost. We will not incur costs or expenses for services beyond this amount without receiving prior authorization from Hidalgo County officials. A summary of the effort to complete the asbestos survey for the referenced property is presented in Table 1.

Re: Proposal to perform a Comprehensive Assessment for Asbestos-Containing Materials for the Hidalgo County Courthouse Complex addressed 100 North Closner, Edinburg, Texas

Dear Ms. Saenz:

Halff Associates (Halff) is pleased to submit the following cost estimate to perform an assessment for Asbestos Containing Materials (ACM) for the above referenced properties. It is understood that the Hidalgo County Courthouse Complex includes the Hidalgo County Courthouse and the Annex Building. This proposal includes the proposed scope of services, project deliverables, and project costs.

Assessment for Asbestos Containing Materials

An asbestos inspector, licensed by the TDSHS, will visually assess the subject property to determine areas likely to contain ACM. Field drawings and photographs will be prepared that detail the location, condition, and quantities of the suspected ACM. Bulk samples of suspected ACM will be collected in accordance with TDSHS sampling protocol. The suspected materials will be analyzed by an asbestos bulk laboratory accredited by the National Voluntary Laboratory Accreditation Program (NVLAP), using Polarized Light Microscopy (PLM), in accordance with Environmental Protection Agency (EPA) methodology. The laboratory report will be combined with field notes and observations to determine approximate quantities of ACM present.

Halff's sampling will not include materials such as concrete flooring, wooden or metal doors, and/or hidden inaccessible components. Halff will perform destructive sampling to a certain degree in a reasonable effort to identify suspect ACM. However, hidden materials or materials beyond reasonable access to the inspectors during the site visit (materials beneath carpet, above ceilings, within walls/crawl spaces, etc.) may not be evaluated as part of the survey. Halff will conduct a visual and physical assessment of each identified homogeneous area of suspect ACM to assess the friability and condition of the materials. Building materials identified as concrete, glass, wood, masonry, metal or rubber are not considered suspect ACM and, therefore, will not be sampled. Based on results of the visual observations, bulk samples of suspect materials will be collected from each homogeneous area by a State of Texas Licensed Asbestos Inspector in general conformance with protocols established by EPA regulation 40 CFR 763 (AHERA) and the Texas Asbestos Health Protection Rules.

Asbestos Survey Report

A detailed survey/letter report will be prepared for the structure included in this project, describing the area(s) and condition of the building materials that will be affected. The report will explain the inspection and sampling procedures and discuss the results. The report will include photographs, drawings showing material sample locations, areas, and approximate quantities of materials.

The total costs associated with the above services are estimated not to exceed $16,392.00 and the project will require approximately 30 days (approximately 2 weeks for a verbal report and 2 weeks for a written report) to complete. Halff will be compensated for all services on a time and materials basis. Labor will be billed at 2.3 times salary cost and direct costs will be billed at 1.1 times actual cost. We will not incur costs or expenses for services beyond this amount without receiving prior authorization from Hidalgo County officials. It has been assumed that no more than 250 building material samples will be collected for the analysis of asbestos content. It has also been assumed that an electronic version of the building plans are available and will be provided and that the structures will be accessible for sampling activities and during normal business hours. A summary of the effort to complete the asbestos survey for the referenced property is presented in Table 1.

Unless otherwise stated, fees quoted in this proposal exclude state and federal sales taxes on professional services. Current Texas law requires assessment of sales tax on certain kinds of surveying services, but does not require sales taxes on other professional services. In the event that new or additional state or federal taxes are implemented on the professional services

provided under this contract during the term of the work, such taxes will be added to the applicable billings and will be in addition to the quoted fees.

We hope that you will find the above satisfactory and we appreciate the opportunity to be of service to you.

The primary objective of the Hidalgo County HUB Program is to ensure Historically Underutilized Businesses receive a fair and equal opportunity for participation in the County's procurement process. Our goal for HUB contractor/vendor participation, as well as HUB subcontractor participation is 30%. To be considered as a "Certified HUB Contractor/Vendor" the contractor/vendor must have been certified by, and hold a current and valid certification with any of the three agencies listed below.

Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Print or type See Specific Instructions on page 2.

Name (as shown on your income tax return)

Business name, if different from above

Check appropriate box: ☐ Individual/ Sole proprietor ☐ Corporation ☐ Partnership ☐ Other ▶ ..... ☐ Exempt from backup withholding

Address (number, street, and apt. or suite no.) | Requester's name and address (optional)

City, state, and ZIP code

List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. *If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.*

Employer identification number
___ ___ – ___ ___ ___ ___ ___ ___ ___

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Sign Here | **Signature of U.S. person ▶** | **Date ▶**

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. *If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.*

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or

2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or

3. The IRS tells the requester that you furnished an incorrect TIN, or

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your social security card on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Other entities. Enter your business name as shown on required Federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over $600 required to be reported and direct sales over $5,000 [1]	Generally, exempt recipients 1 through 7 [2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at *www.socialsecurity.gov/online/ss-5.pdf*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses/* and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting *www.irs.gov* or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here Signature of U.S. person ▶ Sherry Stevens Date ▶ 4/19/2010

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or

2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or

3. The IRS tells the requester that you furnished an incorrect TIN, or

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your social security card on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Other entities. Enter your business name as shown on required Federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over $600 required to be reported and direct sales over $5,000 [1]	Generally, exempt recipients 1 through 7 [2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at *www.socialsecurity.gov/online/ss-5.pdf*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses/* and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting *www.irs.gov* or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.

Interlocal Cooperation Contract

STATE OF TEXAS §
§
COUNTY OF HIDALGO §

I. Parties

This Interlocal Cooperation Contract ("Contract") is made and entered into between the **Texas Department of Public Safety** ("TDPS"), a political subdivision of the State of Texas, and the **County of Hidalgo**, a local political subdivision of the State of Texas.

II. Overview

The purpose of this Contract is to implement the provisions of Texas Transportation Code Chapter 706. A local political subdivision may contract with the TDPS to provide information necessary to deny renewal of the driver license of a person who fails to appear for a complaint or citation or fails to pay or satisfy a judgment ordering payment of a fine and cost in the manner ordered by the court in a matter involving any offense that a court has jurisdiction of under Chapter 4, Code of Criminal Procedure.

The TDPS has authority to contract with a private vendor ("Vendor") pursuant to Texas Transportation Code §706.008. The Vendor will provide the necessary goods and services to establish an automated system ("FTA System") whereby information regarding violators subject to the provisions of Texas Transportation Code Chapter 706 may be accurately stored and accessed by the TDPS. Utilizing the FTA System as a source of information, the TDPS may deny renewal of a driver license to a person who is the subject of an FTA System entry.

Each local political subdivision contracting with the TDPS will pay monies to the Vendor based on a fee certain established by this Contract. The TDPS will make no direct or indirect payments to the Vendor. The Vendor will ensure that accurate information is available to the TDPS, political subdivisions and persons seeking to clear their licenses at all reasonable times.

III. Definitions

"Complaint" means notice of an offense as defined in Article 27.14(d) or Article 45.019, Code of Criminal Procedure.

"Department" or "TDPS" means the Texas Department of Public Safety.

"Failure to Appear Program" or "FTA Program" refers to the implementation efforts of all parties, including those system components provided by the TDPS, local political subdivisions and the Vendor, including the FTA System.

"Failure to Appear System" or "FTA System" refers to the goods and services, including all hardware, software, consulting services, telephone and related support services, supplied by the Vendor.

"FTA Software" refers to computer software developed or maintained now or in the future by the Vendor to support the FTA System.

"Originating Court" refers to the court in which an applicable violation has been filed for which a person has failed to appear or failed to pay or satisfy a judgment and which has submitted an appropriate FTA Report.

"State" refers to the State of Texas.

"Local political subdivision" refers to a city or county of the State of Texas.

Unless otherwise defined, terms used herein shall have the meaning assigned by Texas Transportation Code Chapter 706 or other relevant statute. Terms not defined in this Contract or by other relevant statutes shall be given their ordinary meanings.

IV. Governing Law

This Contract is entered into pursuant to Texas Government Code Chapter 791 and is subject to the laws and jurisdiction of the State of Texas and shall be construed and interpreted accordingly.

V. Venue

The parties agree that this contract is deemed performable in Travis County, Texas, and that venue for any suit arising from the interpretation or enforcement of this Contract shall lie in Travis County, Texas.

VI. Application and Scope of Contract

This Contract applies to each FTA Report submitted to and accepted by the TDPS or the Vendor by the local political subdivision pursuant to the authority of Texas Transportation Code Chapter 706.

VII. Required Warning on Citation for Traffic Law Violations

A peace officer authorized to issue citations within the jurisdiction of the local political subdivision shall issue a written warning to each person to whom the officer issues a citation for a traffic law violation. This warning shall be provided in addition to any other warnings required by law. The warning must state in substance that if the person fails to appear in court for the prosecution of the offense or if the person fails to pay or satisfy a judgment ordering the payment of a fine and cost in the manner ordered by the court, the person may be denied renewal of the person's driver license. The written warning may be printed on the citation or on a separate instrument.

VIII. FTA Report

If the person fails to appear or fails to pay or satisfy a judgment as required by law, the local political subdivision may submit an FTA Report containing the following information:

(1) the jurisdiction in which the alleged offense occurred;
(2) the name of the local political subdivision submitting the report;
(3) the name, date of birth and Texas driver license number of the person who failed to appear or failed to pay or satisfy a judgment;
(4) the date of the alleged violation;
(5) a brief description of the alleged violation;
(6) a statement that the person failed to appear or failed to pay or satisfy a judgment as required by law;
(7) the date that the person failed to appear or failed to pay or satisfy a judgment; and
(8) any other information required by the TDPS.

There is no requirement that a criminal warrant be issued in response to the person's failure to appear. The local political subdivision must make reasonable efforts to ensure that all FTA Reports are accurate, complete and non-duplicative.

IX. Clearance Reports

The originating court that files the FTA Report has a continuing obligation to review the report and promptly submit appropriate additional information or reports to the Vendor or the TDPS. The clearance report shall identify the person, state whether or not a fee was required, advise the TDPS to lift the denial of renewal and state the grounds for the action. All clearance reports must be submitted within five business days of the time and date that the originating court receives appropriate payment or other information that satisfies the citizen's obligation to that court.

To the extent that a local political subdivision utilizes the FTA Program by submitting an FTA Report, there is a corresponding obligation to collect the statutorily required **$30.00 administrative fee.** If the person is acquitted of the underlying offense for which the original FTA Report was filed, the originating court shall not require payment of the administrative fee. The local political subdivision shall submit a clearance report within five business days advising the TDPS to lift the denial of renewal and identifying the grounds for the action.

The local political subdivision must promptly file a clearance report upon payment of the administrative fee and:

(1)the perfection of an appeal of the case for which the warrant of arrest was issued or judgment arose;
(2) the dismissal of the charge for which the warrant of arrest was issued or judgment arose;
(3) the posting of a bond or the giving of other security to reinstate the charge for which the warrant was issued;
(4) the payment or discharge of the fine and cost owed on an outstanding judgment of the court; or
(5) other suitable arrangement to pay the fine and cost within the court's discretion.

The TDPS will not continue to deny renewal of the person's driver license after receiving notice from the local political subdivision that the FTA Report was submitted in error or has been destroyed in accordance with the local political subdivision's record retention policy.

X. Compliance with Law

The local political subdivision understands and agrees that it will comply with all local, state and federal laws in the performance of this Contract, including administrative rules adopted by the TDPS.

XI. Accounting Procedures

An officer collecting fees pursuant to Texas Transportation Code §706.006 shall keep separate records of the funds and shall deposit the funds in the appropriate municipal or county treasury. The custodian of the municipal or county treasury may deposit such fees in an interest-bearing account and retain the interest earned thereon for the local political subdivision. The custodian shall keep accurate and complete records of funds received and disbursed in accordance with this Contract and the governing statutes.

The custodian shall remit $20.00 of each fee collected pursuant to Texas Transportation Code §706.006 to the Comptroller on or before the last day of each calendar quarter and retain $10.00 of each fee for payment to the Vendor and credit to the general fund of the municipal or county treasury.

XII. Payments to Vendor

The TDPS has contracted with OmniBase Services of Texas ("Vendor"), a corporation organized and incorporated under the laws of the State of Texas, with its principal place of business in Austin, Texas, to assist with the implementation of the FTA Program.

Correspondence to the Vendor may be addressed as follows:

OmniBase Services of Texas
7320 North Mo Pac Expressway, Suite 310
Austin, Texas 78731
(512) 346-6511 ext. 100; (512) 346-9312 (fax)

The local political subdivision must pay the Vendor a fee of $6.00 per person for each violation which has been reported to the Vendor and for which the local political subdivision has subsequently collected the statutorily required $30.00 administrative fee. In the event that the person has been acquitted of the underlying charge, no payment will be made to the Vendor or required of the local political subdivision.

The parties agree that payment shall be made by the local political subdivision to the Vendor no later than the last day of the month following the close of the calendar quarter in which the payment was received by the local political subdivision.

XIII. Litigation and Indemnity

In the event that the local political subdivision is aware of litigation in which this Contract or Texas Transportation Code Chapter 706 is subject to constitutional, statutory, or common-law challenge, or is struck down by judicial decision, the local political subdivision shall make a good faith effort to notify the TDPS immediately.

Each party may participate in the defense of a claim or suit affecting the FTA Program, but no costs or expenses shall be incurred for any party by the other party without written consent.

TO CERTIFICATE HOLDER:

Our agency has issued the enclosed certificate of insurance on behalf of our customer named as the insured in the certificate. We want to share with you some important information regarding certificates of insurance.

The Texas Legislature passed and Governor Perry signed Senate Bill 425 to become effective January 1, 2012. This law will require certificate of insurance forms to be filed with and approved by the Texas Department of Insurance before they can be used after the effective date of the law. In addition, the law codifies current Texas Department of Insurance rules that a certificate of insurance must not obscure or misrepresent the coverage provided by the insurance policies.

15) **Market Volatility and Unit Price Adjustments:**

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

1. **Requesting Price Adjustment:** Upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.

- A Vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the vendor of the price changes.
- The Vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
- The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
- No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.
- The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.

2. **Price Reduction:** Vendor shall notify the County at the time when the Vendor's costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the Vendor to notify the County of a decrease in costs for items and/or supplies for which the Vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the Vendor the difference between the contract price and the price adjustment.

3. **Timeframe for Adjusted Price Increases:** Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the Vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the Vendor at any time upon written notice from the County to the Vendor demonstrating justification for such reduction, elimination or extension of the price adjustment.

4. **Allowable Review Periods:** Price adjustment reviews may only be requested by the Vendor on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.

5. **Dollar Limit to Price Changes:** The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

• The U.S. grantor or other owner of a grantor trust and not the trust, and

• The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II Instructions on page 4 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the Instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules regarding partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Other entities. Enter your business name as shown on required federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name" line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

2. The United States or any of its agencies or instrumentalities,

3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,

4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or

5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,

7. A foreign central bank of issue,

8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,

9. A futures commission merchant registered with the Commodity Futures Trading Commission,

10. A real estate investment trust,

11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

12. A common trust fund operated by a bank under section 584(a),

13. A financial institution,

14. A middleman known in the investment community as a nominee or custodian, or

15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over $600 required to be reported and direct sales over $5,000 [1]	Generally, exempt recipients 1 through 7 [2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at *www.socialsecurity.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting *www.irs.gov* or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, or Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
