H. Seller shall immediately notify Purchaser of any material change in respect of the Property or any information heretofore or hereafter furnished to Purchaser in respect of the Property.

3.2 This Contract is contingent upon and subject to the conditions that, as of the date of Closing, there shall not have been any material error, variance or misstatement in the representations or material breach in the warranties made by Seller in this Contract. If, prior to Closing, Purchaser discovers that one or more of the representations of Seller herein are materially untrue or inaccurate, or if any part or all of the Property fails to pass any inspection of any governmental entity, Purchaser shall have the option of (i) terminating this Contract and receiving the Earnest Money, or (ii) waiving all or a part of the conditions in writing and closing the sales transaction in accordance with the terms and provisions of this Contract.

The Title Binder shall commit the Title Company to issue an Owner Policy of Title Insurance guaranteeing Purchaser's title to the Property to be good and indefeasible.

4.2 At the same time that Purchaser obtains the Title Binder, Purchaser shall also obtain true copies of all recorded instruments referred to in the Title Binder as conditions or exceptions to title to the Property.

4.3 All costs associated with this Article shall be borne by Purchaser.

ARTICLE V

SURVEY

Within thirty (30) days from the Effective Date, PURCHASER, at its sole cost and expense, shall obtain and deliver one (1) copy to OWNER and one (1) copy to the Title Company of a current minimum standard detail requirements for land title surveys (the "Survey") prepared by a registered public surveyor licensed in the State of Texas and approved by PURCHASER showing the Property, together with a corresponding metes and bounds field-notes description of the Property in Exhibit "A". The Survey and description shall be prepared in a form acceptable to PURCHASER and to permit the Title Company to delete the standard survey exception. The Survey shall include the plotting and permanent location of easements, rights-of-way, encroachments, improvements, fences, building set-back lines and other matters located on the ground. The Survey shall fix, locate, stake, and permanently monument all exterior boundary lines and corners of the Property. The surveyor shall additionally calculate and indicate on the Survey the square footage, expressed to five significant figures, and the square feet of land contained within the boundaries of the Property and the square feet within any easement, right-of-way, or encroachment, each expressed to five significant figures. The surveyor shall additionally calculate and indicate on the Survey the acreage and square feet of land within the boundaries of the Property, if any, that lie within the 100-year flood plan (as defined in 44 Code of Federal Regulations, '59.1), or flood hazard zone or fault zone (herein collectively referred to as "Hazard Zone"). The Survey shall contain a certification signed by the surveyor, in form acceptable to the Title Company and PURCHASER.

If the Survey shows any matters that are objectionable to PURCHASER, PURCHASER shall so notify OWNER within five (5) days from the date of PURCHASER'S receipt of the Survey. Upon the expiration of said (5) day period, PURCHASER shall be deemed to have accepted all matters disclosed on the Survey (except for any matters to which notice under the preceding sentence has been given to OWNER) and such matters may be shown as Permitted Exceptions on the owner policy of title insurance required of Owner under this Option. OWNER shall, within fifteen (15) days of receipt of said notice of objections, have the option, in its sole discretion, of either (i) terminating this Contract, in which event all payments received by Owner hereunder shall be returned to PURCHASER and neither party shall have any further obligations to the other or (ii) clearing the objections so specified.

5.1 Purchaser shall have a period of five (5) business days following the date of receipt by Purchaser of the Survey described in Article 5 hereof to give Seller written notice of any title exceptions it deems objectionable. If Purchaser gives such notice to Seller, Seller shall use Seller's best efforts to cure such objections, but shall not be obligated to institute litigation for such purpose. If Purchaser gives notice of title objections and Seller does not cure the objections within five (5) days following receipt of the notice from Purchaser, then Purchaser may either:

(a) terminate this Contract by giving written notice thereof to Seller and receive back the Earnest Money; or

(b) waive the objections and purchase the Property subject to the objections which shall be deemed to be Permitted Encumbrances.

5.2 All title exceptions not objected to or objected to and later waived shall be deemed to be Permitted Encumbrances.

ARTICLE VI

FEASIBILITY STUDY

So long as this Contract is in effect and Purchaser is not in default hereunder, Purchaser shall have thirty (30) days following the date of this Contract for Purchaser or its representatives to enter upon the Property for the purpose of inspecting the Property and any improvements thereon and conducting engineering studies (e.g., platting, utility cost and availability, sewer, drainage and road and street improvements), improvements inspections, architectural drawings regarding placement of improvements on the Property, environmental studies, of the Property and any improvements thereon, soil and subsoil tests, including the drilling of test holes and examining permits, legal requirements for operation of the Property, reviewing reasonable restrictions on the Property by Seller in order to determine the suitability of the Property for Purchaser's use, and such other tests or studies that Purchaser deems advisable. If any such test, study inspection, information or architectural drawing, in Purchaser's sole opinion, shall reveal that the Property is unsuitable or undesirable for Purchaser's use, then Purchaser may terminate this Contract without further liability, in which event Purchaser shall receive back the Earnest Money. However, Purchaser shall not permit any liens to attach to the Property by reason of the exercise of this right of inspection or study, nor shall Purchaser interfere with the rights of any party then in possession of the Property. All entry on the land prior to closing shall be at Purchaser's risk.

ARTICLE VII

CLOSING

7.1 Closing shall be held on or before 60 days following the Effective Date of this Contract, at the office of the Escrow Agent, at the time as may be agreed upon by the parties.

7.2 At the Closing Seller shall deliver to Purchaser the following:

A. A Special Warranty Deed duly executed and in recordable form conveying fee simple title to the Property to Purchaser free and clear of all liens and encumbrances, except Permitted Encumbrances as defined in Section 5.2, above.

B. Tax Certificates from all taxing authorities showing no delinquent taxes against the Property.

C. Possession of the Property.

7.3 At the Closing, Purchaser shall deliver to Seller a certified or cashier's check for the amount of the Purchase Price. Purchaser may, at Purchaser's expense, purchase an Owner's Policy of Title Insurance issued by the Title Company in the amount of the purchase price insuring good and indefeasible title to the Property in Purchaser. The Policy shall be in the form prescribed by the State Board of Insurance of Texas and shall contain only those exceptions which constitute Permitted Encumbrances. The standard survey exception shall be deleted except as to shortages in area.

ARTICLE VIII

ADJUSTMENTS AND EXPENSES

8.1 Real estate taxes for the year of Closing are to be adjusted and prorated as of the date of Closing. In the event that actual tax figures for the year of Closing are not available at Closing, an estimated proration of taxes shall be made on the basis of the tax rate for the preceding year applied to the latest assessed valuation. Purchaser shall pay any and all rollback taxes resulting from a change of use by Purchaser following date of Closing. If Seller's change in use of the Property prior to closing or denial of a special use valuation on the Property claimed by Seller results in assessments for periods prior to closing, the assessments will be the obligation of Seller. Obligations imposed by this paragraph will survive closing.

8.2 Purchaser shall pay costs of recording instruments presented by the Seller, the survey and its own attorney's fees. The cost of the Owner Policy of Title Insurance, tax certificates, and all other expenses of Closing shall be paid by Purchaser, except Seller's attorneys' fees and correction matters, if any.

ARTICLE IX

DEFAULT

If Purchaser fails to comply with the obligations as set out in this Agreement, Seller may terminate this Contract and receive the Earnest Money as liquidated damages. If Seller fails to comply herewith for any reason, Purchaser may terminate this Contract and receive the Earnest Money as Purchaser's sole remedy, thereby releasing Seller from this Contract or enforce specific performance.

ARTICLE X

ATTORNEY'S FEES

Any signatory to this Contract who is the prevailing party in any legal proceeding against any other signatory brought under or with relation to this Contract or transaction, shall be additionally entitled to recover Court costs and reasonable attorneys' fees from the non-prevailing party.

ARTICLE XI

CONDEMNATION AND CASUALTY LOSS

11.1 If prior to the Closing all or any substantial portion of the Property is condemned, either party shall have the right to terminate this Contract upon giving written notice to the other party within ten (10) days of the date Seller notifies Purchaser in writing of such condemnation. In the event of such termination, Purchaser shall be entitled to the return of the Earnest Money. If neither party elects to terminate this Contract, then the Closing shall take place, as herein provided, without abatement of the purchase price and Seller shall assign to Purchaser at the Closing, all interest of Seller in any condemnation awards which may be payable to Seller as a result of the condemnation. If less than a substantial portion of the Property is condemned, neither party may terminate this Contract but all interest of Seller in any condemnation proceeds shall be assigned by Seller to Purchaser at the Closing.

11.2 A substantial portion is defined to be either five percent (5%) or more in value of the Property.

11.3 Casualty Loss. If any part of the Property is damaged or destroyed by fire or other casualty after the effective date of this contract, Seller shall restore the Property to its previous condition as soon as reasonably possible, but in any event by the Closing Date. If Seller fails to do so due to factors beyond Seller's control, Purchaser may (a) terminate this contract and the earnest money will be refunded to Purchaser (b) extend the time for performance up to 15 days and the Closing Date will be extended as necessary or (c) accept the Property in its damaged condition with an assignment of insurance proceeds and receive credit from Seller at closing in the amount of the deductible under the insurance policy. Seller's obligations under this paragraph are independent of any other obligations of Seller under this contract.

ARTICLE XII

LIENS AND TAXES

12.1 The existence of any other liens or encumbrances which secure an obligation to pay money shall not be objections to title provided that properly executed instruments in recordable form necessary to satisfy the same are delivered to Purchaser at the Closing, together with recording or filing fees, and such liens or encumbrances may be paid out of the cash consideration, if any, paid by Purchaser at the Closing. Purchaser, if request is made within a reasonable time prior to the date of Closing, agrees to provide at the Closing separate certified checks, as requested, aggregating the balance of the purchase price, to facilitate the satisfaction of any such liens or encumbrances.

12.2 Unpaid federal or state inheritance tax which is a lien against the Property shall be no objection to title, provided Seller at Closing agrees to provide at the Closing separate certified checks, as requested, aggregating the balance of the purchase price, to facilitate the satisfaction of any such liens or encumbrances.

ARTICLE XIII

ASSIGNMENT

13.1 This Contract may not be assigned by Purchaser without Seller's prior written consent.

ARTICLE XIV

SURVIVAL

14.1 Any representations, warranties or covenants of the parties, as well as any rights and benefits of the parties, shall survive the Closing and not be merged therein.

ARTICLE XV
