RE: “Sole Source Declaration” – Cross Match Technologies

On September 28, 2010, Hidalgo County Commissioners Court approved to purchase law enforcement hardware/software equipment for Hidalgo County HIDTA Task Force from Cross Match Technologies, an awarded vendor through the Texas DIR-Contract #DIR-SDD-1024 for an amount of \$13,644.50 utilizing 2009 grant monies for such purchase.

Due to the sensitivity of accuracy and maintaining compliance with strict FBI image quality requirements that is provided by these hardware/software equipment procured through Cross Match Technologies as the developer and manufacturer of such equipment, it is of the utmost importance for the continuation of the maintenance services for accurate efficiency.

Therefore, Hidalgo County HIDTA Task Force requires the continuance of the maintenance plan from the sole source vendor as the developer and manufacture of the LSCAN Guardian USB W/LSMS On Desk Top. Duration of the term of the sole source declaration is through the possession of the hardware/software equipment by HIDTA Task Force.
