Regulatory Notice: BuyBoard contract pricing does not include bonding or insurance. Each entity must their individual projects to determine the need for bonding and insurance, including limitation such workers' compensation insurance as may be required by state or local law. If required, it is the responsibility of each entity to obtain such bonding and insurance or confirmation of coverage, as applicable, from the vendor.

Also, each entity must assess their individual projects to determine whether the project is subject to prevailing wage rate requirements under the federal Davis Bacon Act or state local law. If any such requirements apply, it is the responsibility of each entity to take appropriate action to determine compliance by the vendor.

The Texas Professional Services Procurement Act, Chapter 2254 of the Texas Government Code ("Act"), prohibits a governmental entity from using a competitive bid process that initially considers price in the procurement of professional services covered under the Act. "Professional services" under the Act includes, but is not limited to, professional engineering, architecture, accounting, landscape architecture, land surveying, and real estate appraisal services. Additionally, the Texas Interlocal Cooperation Act provides that a governmental entity may not use an interlocal contract with a purchasing cooperative to purchase engineering or architectural services (Texas Government Code, Section 79(h)). BuyBoard® contracts do not, and are not intended to, include professional services that must be procured in accordance with the Act. Cooperative members are reminded that they must comply with the Act whenever a contract includes professional services as a component part, and may not procure engineering or architectural services through a BuyBoard contract.

Contact us 800-695-2919

Hidalgo County Commissioners Court has granted approval to utilize the listed awarded cooperative vendors thru December 31, 2012 however the contract terms for each vendor are listed to the last column. Prior to utilizing approved vendors make sure contracts are effective. Thank you!

COBRA™ FIRE FIGHTING AND ARC RESISTANT HOODS
PARTNER PRICELIST

The Cobra™ hood line features our Comfort Plus™ (Nomex/Lenzing FR®) liner. The Original Cobra™ hood line has the exact same features and construction as the Cobra hood line with the exception of the liner, which will be the same fabric as the outer shell.

All hoods are UL Classified and are compliant to NFPA 1971 - Current Edition.

COBRA™ ULTIMATE™ with Comfort Plus™ Liner

Double ply hood featuring Comfort Plus™ liner. The Comfort Plus™ liner is the softest, most comfortable flame resistant liner available. Fabric wicks moisture off the skin, keeping the wearer drier and more comfortable. X-Long length; Designed for maximum protection; Covers the chest, shoulders and shoulder blades; Flat-stitched seams; X-heavy ½" wide elasticized face opening; Cover stitched bound drape; Sewn with 100% Nomex® thread; All points of stress bartacked.

All hoods are UL Classified and are compliant to NFPA 1971 - Current Edition.
