8.03 INSURANCE AND BOND REQUIREMENTS

- (a) Unless Grantee is authorized pursuant to Chapter 2259 of the Texas Government Code, entitled "Self-Insurance by Governmental Units," to self-insure, Grantee shall carry insurance for the duration of this Contract in types and amounts necessary and appropriate for the Project.

- (b) Grantee shall require all contractors, subcontractors, vendors, service providers, or any other person or entity performing work described in **Attachment A** to carry insurance for the duration of the Project in the types and amounts customarily carried by a person or entity providing such goods or services. Any person or entity required to obtain insurance under this Section must also be required to complete and file the declaration pages from the insurance policies with Grantee whenever a previously identified policy period expires during the term of Grantee's contract with the person or entity, as proof of continuing coverage. Grantee's contract with any such person or entity shall clearly state that acceptance of the insurance policy declaration pages by the Grantee shall not relieve or decrease the liability of the person or entity. **Persons or entities shall be required to update all expired policies prior to Grantee's acceptance of an invoice for monthly payment from such parties.**
- (c) Grantee shall require performance and payment bonds to the extent they are required under Chapter 2257 of the Texas Government Code.

8.04 ASSIGNMENT AND SUBCONTRACTS

Grantee shall not convey any grant obligations or duties under this Contract without the prior written consent of the GLO. Notwithstanding this provision, it is mutually understood and agreed that Grantee may subcontract with others for some or all of the services to be performed. In any approved subcontracts, Grantee shall legally bind such subcontractor to perform and make such subcontractor subject to all the duties, requirements, and obligations of Grantee as specified in this Contract. Nothing in this Contract shall be construed to relieve Grantee of the responsibility for ensuring that the goods delivered and/or the services rendered by Grantee and/or any of its subcontractors comply with all the terms and provisions of this Contract.

8.05 PROCUREMENT

Grantee must follow all federal, state, and local procurement procedures and laws applicable to this Project, and must confirm that no vendor is debarred from receiving state or federal funds at each of the following web addresses:

In the performance of this Contract, Grantee shall comply with all applicable federal, state, and local laws, ordinances, and regulations, including, but not limited to, those listed in **Attachments C, D, E, and F**. Grantee may clearly label any individual records as a "trade secret," provided that Grantee, to the extent permitted by law, agrees to indemnify and defend the GLO for honoring such designation. The failure to so label any record shall constitute a complete waiver of any and all claims for damages caused by release of the records. If a request for a labeled record is received by the GLO, the GLO will notify Grantee of the request in accordance with the Public Information Act.

The formatting of the required signage will be at Grantee's discretion to best fit the architectural design of the facility, but shall be legible from no less than three (3) feet.
