Marie, Rocio called earlier today in reference to her request

supplemental agreement for C-12-123-05-22 I am needing the revise exhibits so I may proceed with com court approval on 10/1/12.

Since we are not able to get this to her today find out if we can still make the agenda if you get it ready Monday.

Please address this ASAP Monday morning in an effort to get this item on the agenda. Let me know what you found out. I did identify the file hoping you had addressed some of the request but did not see any so I will let you get it done.
