Work Authorization No. 7
ATTACHMENT B
Services to be Provided by the Engineer

The following provides an outline of the services to be provided by the **Engineer** in the development of the **Project**.

The scope of work will consist of boundary surveying services needed for developing the proposed Border Road project. The work includes the preparation of right-of-way parcels for use in the acquisition of the necessary right-of-way to accomplish the proposed Border Road project.

Boundary Surveying Services. The Engineer, utilizing the services of a Registered Public Land Surveyor, will perform boundary surveys to develop right-of-way parcels for the Owner to use in acquiring rights to the property. The surveyor will utilize title reports obtained from Owner in developing the right-of-way parcels. The surveyor will perform field surveying to establish the existing boundary lines and easement boundaries. The surveyor will prepare field notes and parcel sketches, signed and sealed by a Registered Professional Land Surveyor, for the property surveyed. The surveyor will perform any necessary revisions to the boundary survey, field notes and parcel sketches as may be required. The surveyor will also develop a right-of-way map of the proposed right-of-way acquisition.

Miscellaneous. Hidalgo County will assist the engineer in obtaining the right-of-entry from the affected property owners.
