Subject: Annual Renewal for Software

Good morning,

I am working on identifying the commodity code for ArcGIS --Mapping Software Maintenance Agreement and found commodity code # 20882 would this be the correct code to utilize? or can we have an "Annual Renewal for Software Maintenance for Mapping created?

ArcGIS Online - "ArcGIS Online is a mapping platform, a new geospatial enterprise platform but especially focusing in on mapping. It has other services in there like geocoding services across the enterprise or spatial analysis services that can be deployed across the enterprise, but the basic thing that most people recognize it for is that it has really cool maps."

QUOTATION #25534464
DOCUMENT DATE: 09/10/2012

Please find the attached quotation for your forthcoming software maintenance term. Keeping your maintenance current entitles you to exclusive benefits, and if you choose to discontinue your coverage, you will become ineligible for these valuable benefits and services. All maintenance fees from the date of discontinuation will be due and payable if you decide to reactivate your coverage at a later date. For details regarding the maintenance program benefits for your licensing, please visit <http://www.esri.com/maintenancebenefits>.

Customers who have multiple copies of some Esri products may have the option of supporting some of their licenses with secondary maintenance. Please contact Customer Service to find out more about the availability of secondary maintenance.

For information about Esri Desktop, Developer software, or Web services terms of use, as well as purchase order terms and conditions, please visit <http://www.esri.com/legal/licensing/software-license.html>.

Do you need training? You can get affordable Esri software training for your entire organization with a subscription to Esri Virtual Campus. To find out how, visit the campus: <http://campus.esri.com/campus/catalog/subscriptions>
