The following table summarizes the progress of children enrolled in Hidalgo County Head Start based on the Head Start Child Development and Early Learning Framework for the selected checkpoints. Each score represents the average number of milestones achieved expressed as a percentage of the total number of milestones correlated to each domain. Gains and/or losses are based on the difference between the average percentage scores at each checkpoint. Information on how the LAP-D is correlated to the Head Start Child Development and Early Learning Framework may be found in the documents section of the application.
