Texas Administrative Code Chapter 173 (Newly revised) Uniform Grant Management Standards (UGMS)

Formula Grant Program

A. Introduction

Formula Grants are provided to Texas Counties by the Texas Indigent Defense Commission (Commission) to help meet the Commission's statutory mandates and to promote Texas counties' compliance with standards adopted by the Commission.

Formula grants provide money to counties for increased indigent defense costs based on a formula set by the Commission. Qualifying counties are eligible for funds determined by the formula only to the extent their spending exceeds the amounts in their baseline year. Other grant distribution formulas may be considered in the future as more data becomes available. Counties must meet minimum spending requirements to receive credit for spending the funds.

The grant period for this application is October 1, 2012 through September 30, 2013. Expenses must be incurred and/or obligated during this time.

B. Eligibility

Only counties are eligible to apply for funds.

C. Direct Disbursement Pool

Counties with low incidence of crime and low indigent defense expenses may also choose not to submit the application. They will be eligible to receive funding under the Commission Direct Disbursement policy and procedures. If a county has had to refund formula grant money to the Commission or has not received grant funds in the previous year, please consider not applying for the formula grant and the county will be eligible for the Direct Disbursement Pool. This Commission policy is intended to reduce application procedures for counties that have both low incidences of crime and low indigent defense costs. The policy governing reimbursement of eligible expenses under this policy vary depending on whether a county spent any of the formula grant funds in the preceding year.

Texas Indigent Defense Commission

A county that has not spent any formula grant funds in the preceding year and does not apply for a formula grant in the current fiscal year may submit receipts for direct disbursements. If the county incurs indigent defense costs above its baseline year amount (or adjusted baseline), it is eligible to receive up to twice the amount of the initial allocation of funds for the county under the formula grant program as established by the Commission prior to issuing the Request for Applications. In addition, the county is also eligible to receive the unspent balance of the initial allocation of formula grant funds from the previous fiscal year as established by the Commission prior to issuing the Request for Applications.

A county that spent a portion of the formula grant funds in the preceding year and does not apply for a formula grant in the current fiscal year may submit receipts for direct disbursements. If it experiences indigent defense costs above its baseline year amount, such a county is eligible to receive up to the amount of the initial allocation of funds for the county under formula grant program as established by the Commission prior to issuing the Request for Applications.

The Indigent Defense Commission will budget up to two-thirds of the funds allocated to counties that do not apply for formula grant funds to the direct disbursement pool. Funds will be disbursed from the pool based on a county's compliance with the current year grant eligibility requirements and written documentation that the county has actually expended its baseline year amount in addition to the amount requested. All payments considered for reimbursement are subject to availability of funds.

Applications with expense information for direct disbursement must be submitted on or before August 15, 2013. The time period for calculating the direct disbursement will be September 1, 2012 through August 15, 2013. A county that applied for formula grant in FY2012 (between October 1, 2010 and September 31, 2012) may not include expenses incurred in September 2012 in their direct disbursement submission. However, this change in time period for direct disbursement calculation will not affect the time period for the statutory Indigent Defense Expenditure Report.

D. Notification of Availability

This FY12 Formula Grant - Request for Applications (RFA) is sent to all 254 Texas Constitutional County Judges. A courtesy notice is mailed to all local administrative district judges, local administrative statutory county judges, chairman of juvenile board and each county auditor (or treasurer). The notice informs other county stakeholders to seek a copy of the grant RFA from the constitutional county judge or to go to the Commission website www.txcourts.gov/tidc to download a copy. The Commission staff uses the contact information reported by counties in our web based system. Please make sure that all contact information is accurate. Counties are required to maintain correct contact information on the Commission 'grants and reporting' website (<http://tidc.tamu.edu>). The notice of grant availability is also published in the Texas Register.

E. Application

The Commission is committed to reducing paperwork burdens for Texas counties. Therefore, the grant application process will be electronic.

The application steps are:

- 1) Review the baseline (FY01) – The baseline is the amount counties must spend in indigent defense before they qualify as having spent the grant. Counties that have received or applied for grants in previous years have already established a baseline with the Commission. To meet the requirements under Texas Government Code §79.037(d), the Commission has adopted as an expenditure baseline based on each county's FY01 indigent defense expenditures. Attorney fees, investigator expenses, expert witness expenses, and other litigation expenses paid by the county on behalf of indigent criminal defendants / juvenile respondents are allowable expenses. This information remains static unless a county requests an alternative baseline, as described below.
 - a. The baseline amount is used for comparison to determine grant qualification for each year.
 - b. To qualify for grant funds each year, the county must spend an amount at least equivalent to the FY01 baseline.
