The Construction Manager will use its best efforts to monitor the Work in accordance with the Scope of Services set forth in Attachment A and provide written reports to Owner of any inadequacies observed. 4.1 **BASIC SERVICES COMPENSATION.** The Owner shall pay the Construction Manager Basic Services Compensation in accordance with the terms and conditions of this Agreement as follows:

4.2 (a) The Basic Services Compensation shall be six percent (6%) of the lesser of (1) final cost of construction of the Project and (2) Six Hundred Fifty Three Thousand Seven Hundred Thirty Dollars (\$653,730.00). Accordingly, the Basic Services Compensation will not exceed Thirty Nine Thousand Two Hundred Twenty Three and eighty cents (\$39,223.80) regardless of the final budget for the Project.

(b) The projected schedule for payment of the Basic Services Compensation is set forth in Attachment E. The parties acknowledge that if the Work is performed more slowly than currently anticipated, the schedule will be revised to provide for equal monthly payments over the duration of the project timeline as established by the Owner. At the satisfactory completion of the all Basic Services, the total payments paid to the Construction Manager shall equal the Basic Services Compensation. No payment shall be due prior to receipt of the applicable invoice pursuant to section 4.3 below.

(c) The Owner reserves the right to add other work to the Scope of Services of the Construction Manager hereunder, and adjust the fees of this Agreement by a reasonable amount, which shall be agreed to in written by the Owner and the Construction Manager.

So long as there is no deviation in the Project Scope, the Basic Service fee shall not change. If there is a deviation that results in an increase in the final cost of construction, the Basic Services Compensation shall increase in accordance with Section 4.1(a), subject to the prior written agreement of the Owner thereto.

4.7 EXPENSES. The Construction Manager's monthly invoice shall include a portion of the Construction Managers expense items that are payable by the Owner as set forth in Attachment D that were incurred by the Construction Manager on the Owner's behalf. Items provided by Owner at no expense to the Construction Manager are referenced in Attachment D as provided "By Owner". The Construction Manager acknowledges and

agrees that any such expenses payable by Owner must be included in the construction budget and are subject to Owner's prior written approval before the Construction Manager incurs any such expense.

4.8 **ADDITIONAL SERVICES COMPENSATION.** Additional Services Compensation shall be determined and paid in accordance with the provisions of Attachment B.

4.9 **SUSPENSION OF SERVICES.** In the event any undisputed invoice submitted by the Construction Manager for Services rendered is not paid within 60 days after receipt of the invoice, the Construction Manager shall have the right to cease or suspend all performance required under this Agreement until all outstanding undisputed invoices from the Construction Manager to the Owner are paid in full. Notwithstanding anything herein to the contrary, suspension of Services by the Construction Manager shall not be deemed a breach of this Agreement in whole or in part or the fault of the Construction Manager.

If the Construction Manager ceases or suspends performance for non-payment under this Agreement, the Construction Manager shall not be liable to the Owner for any increase in construction or other costs, for delay in the time for completion of the Program, or for any other adverse consequences, claims, liabilities or expenses (including without limitation reasonable attorney's fees and court costs) which may arise due to the exercise of this right to cease or suspend performance.

ARTICLE 5 DURATION OF BASIC SERVICES

5.1 **TOTAL DURATION OF BASIC SERVICES.** The duration of Basic Services under this Agreement shall begin as of the date this Agreement is executed by all parties. It is currently anticipated that the Services will be completed in fifty-two weeks from the execution of the Contract between the Owner and the Design Consultant for the project. The parties acknowledge that this estimate may change based on subsequent revision to the project timeline. If design delays, construction delays, or other factors beyond the control of the Construction Manager cause the duration of the Project to extend beyond the anticipated duration shown in the Project timeline, the staffing required for the extended duration will be considered as an Additional Service, subject to the following limitation: Additional Services Compensation will only be due to the PM with the prior written agreement of the Owner and only to the extent the late completion of the Work is not the fault of the PM and is instead the fault of the architect or general contractor.

5.2 The duration of the Basic Services set forth in this Agreement shall be extended as required in accordance with amendments to this Agreement signed by the parties hereto in the event of any suspension, delay or interruption of the Services or the Work on the Project pursuant to the Project time line.

6.6 **BUDGET.** The Project budget shall be established by the Owner.

6.7 CONTRACTOR AGREEMENT. The Owner shall contract separately with Contractor(s) for the construction of the Project. The Owner shall cause all Agreements between the Owner and Contractors to be compatible and consistent with this Agreement, and such agreements shall recognize the Construction Manager as the Owner's agent, subject to the limitations on the Construction Manager's authority as set forth herein, in providing the Services under this Agreement. In addition to other provisions which require the Contractor to complete the Project within the time and contract amount stated in such Agreements.

6.11 The Owner's Designee shall act in the Owner's behalf with respect to the Project. The Owner shall make representatives reasonably available during regular working hours as reasonably necessary to examine information submitted by Construction Manager; it being understood that only Commissioner's Court may render decisions. Owner shall cause its representatives to furnish information in a reasonably timely manner. *Construction Manager acknowledges that the Owner is a public body and decisions of the Owner can only be made by the Commissioner's Court, and agrees this provision does not require the Owner's representative to make decisions, which are reserved for the Commissioner's Court.*

ARTICLE 7

7.1 CHANGES WITHIN THE GENERAL SCOPE OF PROJECT. The Owner reserves the right to modify, by addition or reduction, the scope and duration of the Project. PM acknowledges that change orders to the construction contracts, additional services under the design contracts, and changes in the general Project which do not result in a substantial deviation in the Project Scope are to be expected, and do not result in changes to the Basic Services Compensation hereunder. When there is a substantial deviation from the Project Scope from that shown on Section 1.1, it may result in an increase or decrease in Basic Services Compensation as provided in Section 4.1

7.2 EXTENSION OF DURATION OF BASIC SERVICES AND PHASES; ADDITIONAL SERVICES. Should a substantial extension of the Project timeline occur through no fault of the Construction Manager, which extension is not expected to result in an increase in the Basic Services Compensation, the parties shall negotiate in advance concerning whether entry into an Additional Services Agreement to provide for Additional Services Compensation for the Construction Manager for the performance by the Construction Manager of Additional Services.
