Good afternoon Manuel/Rosie,

For AI-35693; Attached is a copy of the guidance for LBSP for AI 35693 where it shows item 10. the verbiage they want in our item, feel free to attach.

Also, can you please make the change on the following Agenda item please.

For agenda item #35751 under the CAPTION section, the auditor wants for us to add another line indicating the following information.

2. Authorization to pay O/T reimbursable under grant terms and conditions.

and this will be the second line. So the 2 that is in place right now will become 3 and the 3, 4.

Thank you in advance for you help and should you have any further questions, feel free to contact me.
