If our previous experience was good, please proceed and recommend the 2 year extension.

Flora,

Just want to advise you that the contract for Worker's Compensation Actuarial Study with AMI Risk Consultants is coming up for renewal. There is an additional two (2) year extension available under the current contract, so please advise if you would like to continue the services so that I can send notice to the company. I will also need your budget account information for the agenda backup.

Thank you,
