

SIMPLIFY. Comply. Save.

We make cooperative purchasing as simple as possible, yet our compliant process provides the legally required competition for contracts. We'll do the work, you save the time and money.

**Company:**

Weatherproofing Technologies Inc. (subsidiary of TREMCO)

Contract(s):

Roofing Products & Services

Contract Number:

R4812 (All PO's must reference "Per TCPN Contract")

Contract Term:

September 30, 2007 to September 30, 2012

Products and Services:

As an approved TCPN vendor, WTI, a subsidiary of Tremco Incorporated, provides comprehensive roofing, building envelope maintenance and weatherproofing solutions for public and private schools, colleges and universities, cities, counties, non-profits, and governmental entities. WTI delivers turnkey construction services from expert discovery and on-site job site supervision to ongoing preventive maintenance. With a specialty in the repair, renovation and replacement of the building envelope, WTI partners with subcontractors across all construction disciplines to meet owner preferences, including minority and small business procurement needs.
