Terms and Conditions

These Terms and Conditions describe the terms and conditions under which COPsync, Inc. (“COPsync” or “we”) provides a subscription to you (“Subscriber” or “you”) and your authorized users the service (“Service”) to which you are subscribing as noted in the Services Agreement and related computer software (“Software”)

- 1. Subscription.** We grant you and your authorized users a nonexclusive subscription to use the executable form of the Software and related documentation files in connection with your subscription to and use of the Service. The fees for your use of the Software and the Service are specified in the Services Agreement to which these Terms and Conditions are attached.

- 2. Term.** The initial term (the “Initial Term”) of the Services Agreement shall be as stated in the Services Agreement, unless terminated sooner as provided herein. At the end of the Initial Term, the Services Agreement shall automatically renew for successive one year periods (the “Renewal Term”) at our then-current prices, unless either you or we notifies the other in writing thirty days prior to the end of the Initial Term or Renewal Term, as applicable.

- 3. Permitted Use Only.** The COPsync Service and the related Software may be used only by law enforcement officers, administrators and authorized support staff, in each case that are registered with us and for law enforcement purposes only. The COPsync 911 Service, COURTSync Service and the related Software may be used solely to communicate with the law enforcement officers that use the COPsync Service. The COPsync VidTac video system may be used only for law enforcement purposes. All other access is unauthorized and shall constitute a violation of these Terms and Conditions.

- 4. Restrictions.** You may not (1) copy or duplicate any part of the Service or Software; (2) allow any unauthorized person or third party to use the Service or Software or any of the data or confidential information accessible through use of the Service or Software or transfer, publish, distribute, sell or sublicense the Service or Software or any portion thereof; or (3) allow more than one individual to share a unique identification/registration number to access the Service or Software, except in the case of the VidTac system multiple users of the evidence dashboards are permitted; (4) use the Service or Software in any fashion that infringes any of our copyrights, intellectual property rights, or proprietary or property rights.

Additionally you may not (5) use the Service or Software to develop your own law enforcement product or service (either electronic, print, or a combination, now existing or developed in the future); (6) sell, rent, license, distribute, transfer, or disclose the Software or Service or its contents, (7) copy, reproduce, manufacture, reverse engineer, disassemble, or reverse compile the software comprising the Service or Software, or disclose or distribute the design, structure, or operation of the Service or Software or part thereof to any person, corporation or other entity; (8) use any robot, bot, automated user, spider, site search/retrieval application, or other program or device to retrieve or index any portion of the Service or Software source code or content or collect information, or for any purpose; or (9) remove or obscure any of our copyright, patent, or other intellectual property notices.

- 5. Title; Confidentiality.** Title, ownership rights, and intellectual property rights in and to the Software and Service shall remain with us. The Software and Service are protected by the copyright laws of the United States and international copyright treaties. To our knowledge, your use of the Software and Service will not infringe any third party patent.

6. Grant-Back License. You grant us a fully-paid up, non-revocable, worldwide, non-exclusive, and transferable (as permitted in Section 8) license to (a) allow users of the Service to access and view “background data” and “foreground” data in connection with their use of the Service; and (b) use publicly-available data, whether background or foreground, and “de-identified” data, whether background or foreground, for research and academic purposes and for any other lawful purpose, including licensing or other transfers for value to unaffiliated third parties. “Background data” is any of your data, including publicly-available data, that is uploaded to our data bases. “Foreground data” is any data, including publicly-available data, arising in connection with the use of the Software and Service by you and your users and that is captured in our data bases.

We claim no ownership rights in the background data or the foreground data. “De-identified” data is data that does not contain any information that could reasonably serve to identify any natural person or entity. The provisions of this Section shall survive the expiration or termination of the Services Agreement

7. Warranty Provisions. We warrant that the Service and the Software will perform substantially as set forth in our published documentation. As our sole liability and your sole remedy for any breach of the foregoing warranty, we shall use commercially reasonable efforts to cause the Service and the Software to perform substantially in accordance with the published documentation and you shall give us a reasonable opportunity to do so. If we are unable to do so, you may terminate the Services Agreement upon 5 days written notice to us and we shall refund any pre-paid fees paid by you that relate to the period following the effective date of the termination. To the maximum extent permitted by applicable law, we expressly disclaim all warranties with respect to your use of the Software and Service.

Other than the warranty of title and the warranty provided in the first sentence of this section, the Software and the Services are provided “as is,” “as available” without warranties of any kind, either express or implied including, but not limited to, implied warranties of merchantability, fitness for a particular purpose or non-infringement (subject to section 5) or non-interference. This limited warranty gives you specific legal rights. You may have others, which vary from state and jurisdiction. Some states and jurisdictions do not allow limitations with respect to implied warranties, so the above limitation may not apply.

8. Limitation of Liability. To the maximum extent permitted by applicable law, neither you, on the one hand, nor we nor any of our contractors, suppliers, and other parties who may be associated with providing the Software or Service (a “Disclaiming Party”), on the other hand, will be liable to the other or any third party for any indirect, incidental, special, punitive, exemplary, or consequential damages of any kind arising under this Agreement or otherwise in connection with your use, or a Disclaiming Party’s provision, of the Software or Service. Our aggregate liability to you arising under this Agreement or otherwise in connection with your use, or a Disclaiming Party’s provision, of the Service or Software shall not exceed, for all causes of action that arose in a calendar year, the amounts you actually paid to us under this Agreement for such calendar year, unless otherwise specifically agreed in writing between the parties.

Our limits of liability apply regardless of the type of claim brought, including those for negligence. Some states and jurisdictions do not allow the exclusion or limitation of liability, so the above limitation may not apply to you

9. Termination. We may terminate this Agreement upon written notice to you if you breach any of the terms hereof or other agreement between you and us. Upon termination, you agree to (i) discontinue use of Software and Service; (ii) remove the Software and Service from any servers upon which they have been installed; and (iii) destroy or return to us the Software and Service and any archived copies of the Software and Service, except as may be necessary for you to transfer data to yourself or a new software/service provider. You shall also have “read only” access to the data stored in our data bases relating to the Service for a period of 30 days after termination. Within 90 business days after termination, we shall provide you a copy of the foreground data stored in our data bases in a mutually agreed format.

10. General. This Agreement represents the complete agreement between the parties concerning this subscription and service arrangement and supersedes all prior agreements and representations between us. The Services Agreement may only be amended by mutual written agreement. If any provision of these Terms and Conditions is held to be void and unenforceable, it will not affect the validity of the balance of these Terms and Conditions, which shall remain valid and enforceable according to its terms.

In any action to enforce the Services Agreement, the prevailing party shall be entitled to recover, in addition to other relief granted, reasonable attorneys' fees and expenses of litigation. We shall have the right to assign our rights and obligations hereunder to (a) any controlled subsidiary of ours, (b) any joint venture in which we are a participant, (c) any entity which is the survivor in a merger of COPsync with or into such other entity, or (d) any acquirer of all or substantially all of our assets. The Services Agreement shall be governed by the laws of the State of Texas (without regard to the conflicts of law provisions thereof) and applicable U.S. federal law.
