Mrs. Prinz,

Please allow this to serve as a formal request to have an extension granted for the expenditure of LBSP 2012 monies. We are requesting this extension due to two reasons. First, we got our award letter later than everyone else due to a typographical error, and secondly because internally we needed to resolve an issue concerning expenditure of funds during pay periods where county holidays were observed. Since that time, all issues have been resolved and we should be able to complete the LBSP 2012 monies well within the requested time.

Respectfully,
