Would the affidavit apply if there is an approved agreement? The auditor did not raise the concern of the affidavit when the item was taken to court and approved 1/15/13. The agreement states the public purpose among other things, which I thought would suffice in lieu of the affidavit?

The agreement is currently being circulated for signatures. Would the minutes approving the agreement on 1/15/13 suffice?

What do you think?

Hello Monica,

Can you please assist in placing this item on this coming Tuesday's consent agenda, under memberships? On 1/15/2013, AI 36350, the court approved the agreement with the I-69 Alliance, which would enable us to pay the membership dues for 2013 through the RGV Partnership.

I believe funds had been previously allocated through DBM. Acct#2-1100-413-30-125-004-0-810

Respectfully,
