- A. Pursuant to §5.17 of the State Rules, Department may terminate this Contract, in whole or in part, at any time Department determines that there is cause for termination. Cause for termination includes, but is not limited to, Subrecipient's failure to comply with any term of this Contract or reasonable belief that Subrecipient cannot or will not comply with the requirements of the Contract. If the Department determines that a Subrecipient has failed to comply with the terms of the Contract, or has failed to provide services that meet appropriate standards, goals, or other requirements established by the Department, Department will notify Subrecipient of the deficiencies to be corrected and require the deficiencies be corrected prior to implementing termination.
- B. Subrecipient's failure to expend the funds provided under this Contract in a timely manner may result in either the termination of this Contract or Subrecipient's ineligibility to receive additional funding under CEAP, or a reduction in the original allocation of funds to Subrecipient.
- C. Nothing in this Section shall be construed to limit Department's authority to withhold payment and immediately suspend this Contract if Department identifies possible instances of fraud, abuse, waste, fiscal mismanagement, or other deficiencies in Subrecipient's performance including but not limited to, Subrecipient's failure to correct any monitoring findings on this or any state contract or on a single audit review. Suspension shall be a temporary measure pending either corrective action by Subrecipient or a decision by Department to terminate this Contract.
- D. Notwithstanding any exercise by Department of its right of termination or suspension, Subrecipient shall not be relieved of any liability to Department for damages by virtue of any breach of this contract by Subrecipient. Department may withhold any payment due to Subrecipient until such time as the exact amount of damages due to Department is agreed upon or is otherwise determined in writing between Parties.
- E. Department shall not be liable for any costs incurred by Subrecipient after termination or during suspension of this Contract.

SECTION 8. ALLOWABLE EXPENDITURES

- A. The allowability of Subrecipient's costs incurred in the performance of this Contract shall be determined in accordance with the provisions of Section 4 and the regulations set forth in the LIHEAP Act and the State Rules, subject to the limitations and exceptions set forth in this Section.

Eligible administrative costs include costs related to staff performance of management, accounting and reporting activities.
- D. Administrative and Assurance 16 Activities funds as defined under and in accordance with the State Rules are earned through provision of direct services to clients. Subrecipient may choose to submit a final budget revision no later than forty five (45) days prior to the end of the Contract Term to use its administration and Assurance 16 activities funds for direct service categories; however, Subrecipient is still required to perform Assurance 16 activities.
- E. Subrecipient shall provide direct services to clients on or after January 7, 2013 and within sixty (60) days of receipt of funds under this Contract pursuant to §5.406(b) of the State Rules, effective January 7, 2013.

- C. Subrecipient shall electronically submit to Department, no later than forty five (45) days after the end of the Contract Term, a final report of all expenditures of funds and clients served under this Contract. If Subrecipient fails to submit a final expenditure/performance report within 45 days of the end of the Contract Term, Department will use the last report submitted by Subrecipient as the final report.
- D. If Subrecipient fails to submit, in a timely and satisfactory manner, any report or response required by this Contract, Department may withhold any or all payments otherwise due or requested by Subrecipient hereunder. Department will notify Subrecipient in writing of any deficiencies noted during such monitoring. Department may provide training and technical assistance to Subrecipient in correcting the deficiencies noted. Department may require corrective action to remedy deficiencies noted in Subrecipient's accounting, personnel, procurement, and management procedures and systems in order to comply with State or Federal requirements. Repeated deficiencies may result in disallowed costs. Department may terminate or suspend this Contract or invoke other remedies Department determines to be appropriate in the event monitoring reveals material deficiencies in Subrecipient's performance, or Subrecipient fails to correct any deficiency within a reasonable period of time, as determined by the Department. Department or its designee may conduct an ongoing program evaluation throughout the Contract Term.

SECTION 15. INDEPENDENT SUBRECIPIENT

- C. Upon the termination or non-renewal of this Contract, Department may transfer title to any such property or equipment having a unit acquisition cost (the net invoice unit price of an item of equipment) of \$5,000 or more to itself or to any other entity receiving Department funding.

SECTION 17. SUBCONTRACTS

- A. Subrecipient may not subcontract the primary performance of this Contract, including but not limited to expenditure and performance reporting and drawing funds through the Community Affairs Contract System, and only may enter into properly procured contractual agreements for consulting and other professional services, if Subrecipient has received Department's prior written approval. Subrecipient may subcontract for the delivery of client assistance without obtaining Department's prior approval. Any subcontract for the delivery of client assistance will be subject to monitoring by the Department as per Section 14.
- B. In no event shall any provision of this Section 17, specifically the requirement that Subrecipient obtain Department's prior written approval of a subcontractor, be construed as relieving Subrecipient of the responsibility for ensuring that the performances rendered under all subcontracts are rendered so as to comply with all of the terms of this Contract, as if such performances rendered were rendered by Subrecipient. Department's approval under this section does not constitute adoption, ratification, or acceptance of Subrecipient's or subcontractor's performance hereunder. Department maintains the right to monitor and require Subrecipient's full compliance with the terms of this Contract. Department's approval under this section does not waive any right of action which may exist or which may subsequently accrue to Department under this Contract.

SECTION 18. AUDIT

- A. Subrecipient shall arrange for the performance of an annual financial and compliance audit of funds received and performances rendered under this Contract, subject to the following conditions and limitations:

For purposes of this Section 18, "Federal financial assistance" means assistance provided by a Federal agency in the form of grants, contracts, loans, loan guarantees, property, cooperative agreements, interest subsidies, insurance or direct appropriations, or other assistance, but does not include amounts received as reimbursement for services rendered to individuals in accordance with OMB guidelines. The term includes awards of Federal financial assistance received directly from Federal agencies, or indirectly through other units of State and local government;
 2. Sections 4 D (3) and (4) above notwithstanding, Subrecipient may utilize funds budgeted under this Contract to pay for that portion of the cost of such audit services properly allocable to the activities funded by Department under this Contract.
 3. Subrecipient shall submit three (3) copies of such audit report and any associated management letter to the Department, two (2) copies of the audit report to Department's Compliance and Asset Oversight Division and one (1) copy of the audit report to the Department's Community Affairs Division within the earlier of thirty (30) days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period. Subrecipient shall make audit report available for public inspection within thirty (30) days after receipt of the audit report(s). Audits performed under this Section are subject to review and resolution by Department or its authorized representative. Subrecipient shall submit such audit report to the Federal clearinghouse designated by OMB in accordance with OMB A-133.
 4. The audit report must include verification of all expenditures by budget category, in accordance with Exhibit B, Budget, of this Contract.

An organization is "nonprofit" if it is organized and operated for purposes other than making gains or profits for the organization, its member or its shareholders, and is precluded from distributing any gains or profits to its members or shareholders. It includes organizations dedicated to relief of the poor and distressed or the underprivileged, as well as religiously-affiliated organizations and educational organizations.
