REF: Weslaco Ford Invoices

At this time I am requesting payment be made for pending invoices from Weslaco Ford, Inc. The invoices were generated this year, 2013, before a purchase order had been done due to exigent circumstances where maintenance issues and repairs were a priority. Currently my fleet of vehicles is at a stand still on maintenance related items and state mandated inspections until clarification is resolved on how to service the fleet. Weslaco Ford had been providing the maintenance on my fleet for several years now but due to current policy changes this will no longer be possible from what I understand, therefore, I am requesting these invoices to be paid. I shall wait to see how these new policy changes will work to service my fleet of vehicles.

Feel free to contact me should you have any questions.

Respectfully,

Celestino Avila Jr.
Constable
