Monica,

As discussed and in accordance with Joe Pena's instructions, attached are the documents needed to proceed with the County hiring the A.G.'s office for the FM 681 Project, Parcels 55A and 55B.

Please call me if you have any questions.

Thank you,

Luana M. Gonzalez

Joe,

In view of TxDOT wanting to keep 55A and 55B, please continue with coordinating with the A.G.'s office. Your first step would be the permission letter (attached) and then your contract (attached). Also attached are the rates for the A.G. This is the same information I sent to you back in June.

Please let me know if you need anything.

Thanks,

Luana

The total amount of \$20,863.28 is for both cases. I just verified with Jesus Esquierdo at TxDOT.

The first thing that needs to happen is for the county to send a letter to Greg Abbott. I will prepare that in the next few minutes for you.

I just did not know if the County Judge or Atlas & Hall needs to sign.

Thanks,

Jesse:

Please see the attached. The first step is having Hidalgo County send the letter on their letterhead. They then need to review the draft agreement and let us know if they have any problems with it as it is currently drafted. We will begin the process, which can take as long as four weeks, of getting approval from our people. Once we receive approval from all , we can then move forward with scheduling hearings.

Please don't hesitate to call if you have any questions.
