Owner shall cause its representatives to furnish information in a reasonably timely manner. Construction Manager acknowledges that the Owner is a public body and decisions of the Owner can only be made by the Commissioner's Court, and agrees this provision does not require the Owner's representative to make decisions, which are reserved for the Commissioner's Court.

PM acknowledges that change orders from Construction allowances to the construction contracts, additional services under the design contracts, and changes in the general Project which do not result in a substantial deviation in the Project Scope are to be expected, and do not result in changes to the Basic Services Compensation hereunder. When there is a substantial deviation from the Project Scope from that shown on in Section 1.1, it may result in an increase or decrease in Basic Services Compensation as provided in Article 4.

7.2 **EXTENSION OF DURATION OF BASIC SERVICES AND PHASES; ADDITIONAL SERVICES.** Should a substantial extension of the Project timeline occur through no fault of the Construction Manager, which extension is not expected to result in an increase in the Basic Services Compensation, the parties may negotiate in advance concerning whether entry into an Additional Services Agreement to provide for Additional Services Compensation for the Construction Manager for the performance by the Construction Manager of Additional Services.

7.3 ADDITIONAL SERVICES COMPENSATION. The amount of Additional Services Compensation to be paid to the Construction Manager with respect to Additional Services shall be set forth in advance as an Amendment to Agreement executed by the Owner and the Construction Manager. In the event an Amendment to Agreement is entered into by the Owner and Construction Manager without specifying the Additional Services Compensation to be paid with respect thereto, the Additional Services Compensation shall be determined on a time-spent basis calculated by multiplying the number of hours spent on performing the Additional services times the applicable Hourly Billing Rate for the personnel set forth on Attachment A plus Reimbursable Expenses pursuant to Article 4.8.

7.4 REIMBURSABLE EXPENSES. In connection with Additional Services, "Reimbursable Expenses" are those actual expenditures made by the Project Management, its employees, or its professional consultants, directly as a result of performance of Additional Services and which are expressly set forth as Reimbursable Expenses on the related Amendment to Agreement. No reimbursable expenses shall be chargeable to the Owner unless such costs are specifically agreed in writing between Owner and the Construction Manager prior to performance of Additional Services.

7.5 PROFESSIONAL CONSULTANTS. Cost of professional consultants retained by the Construction Manager with regard to such Additional Services shall be invoiced to the Owner at a multiplier of 1.1. No professional consultant charges are chargeable unless specifically agreed to in writing in the related Amendment to Agreement by Owner prior to performance of any Additional Services.

7.6 PAYMENT FOR SERVICES UNDER THIS ARTICLE. The Construction Manager shall submit invoices for the Additional Services Compensation, reimbursable Expenses, and professional consultant's costs to the extent each is allowed in accordance with the terms of this Agreement, which shall be paid pursuant to the provisions of Article 4.8 of this Agreement.
