I have removed the language after Attachment A in section 1.6. and on section 2.3 the word "working" has changed to "working". Please advise if additional modifications are needed, or approval as to form. Thank you.

Rocio: (1) Delete the "(a)" and the language following the words "Attachment A" in section 1.6 in the contract and (2) the word "work" in section 2.3 of the contract should be changed to working.
