December 2012

Dear IRWA Member,

We appreciate your loyalty and thank you for choosing IRWA as your professional organization. It is only through the support of members like you that our Association has continued to thrive.

IRWA has become recognized as the central authority for the right of way industry. Your membership and affiliation with IRWA provides you with the benefits of being current, credentialed and connected.

- Current, through IRWA's industry news, International Education Conference, Right of Way magazine and Federal Agency Updates.
- Credentialed, increasing your value to employers, clients and peers. The Right of Way Professional Career Path offers milestones toward achieving the SR/WA Designation, and we offer certifications in six right of way disciplines.
- Connected, through your local chapter, your region and at the international level with unparalleled access to a network of industry experts and right of way professionals.

Maintaining your membership speaks volumes about your commitment to professional development and the investment you are willing to make in advancing your career.
