Additional Notes:
 * Change fees not included in pricing. Change fees include user activation in US. Please consult with your Sales Representative for more information.
 ** Equipment pricing and availability is subject to change.
 *** All accessories price per unit feature discounts have already been applied.
 Service Pricing provided is for Governmental/State Accounts Only and is subject to the terms, conditions and conditions of the State of Texas Department of Information Resources (DIR) contract No. 108 920 1219 (coverage, service and offers not available in all areas. Full terms and conditions, which will be provided upon purchase of the service, are available on the DIR website. Please contact the DIR office for more information. Service is provided through a third party. Please see information at Regular's brochures and fees below for additional details.
 All prices and charges in this proposal are subject to the terms and conditions of the State of Texas DIR contract. Your accounts must be in good standing with Verizon Wireless to migrate your existing lines of service to the billing period at the proposal. If your Agency's contract has terms with the State Wireless, please contact the State Wireless office to ensure you are eligible for service. Wireless billing is provided for accounts maintaining in an approved State of Texas contract vehicle. As part of our compliance with FCC requirements, Verizon Wireless accessories (PC/computer) should be purchased at our network. If your current device is not compatible you will not be able to activate service on our network with your existing equipment.
 The duration is valid for 90 days from the date when an award is made for promotional pricing which may vary. Other items mentioned in this document shall not be included, used, or included in whole or in part for any purpose other than to evaluate this document.
 *Network is 4G LTE
