Regulatory Notice: BuyBoard contract pricing does not include bonding or insurance. Each entity must assess their individual projects to determine the need for bonding and insurance, including any limitation such workers' compensation insurance as may be required by state or local law or policy. If required, it is the responsibility of each entity to obtain such bonding and insurance or confirmation of coverage, as applicable, from the vendor.

Also, each entity must assess their individual projects to determine whether the project is subject to prevailing wage rate requirements under the federal Davis Bacon Act or state or local law. If any such requirements apply, it is the responsibility of each entity to take appropriate action to determine compliance by the vendor.

The Texas Professional Services Procurement Act, Chapter 2254 of the Texas Government Code ("Act"), prohibits a governmental entity from using a competitive bid process that initially considers price in the procurement of professional services covered under the "Professional services" under the Act includes, but is not limited to, professional engineering, architecture, accounting, landscape architecture, land surveying, and real estate appraisal services. Additionally, the Texas Interlocal Cooperation Act provides governmental entity may not use an interlocal contract with a purchasing cooperative purchase engineering or architectural services (Texas Government Code, Section 791(h)). BuyBoard contracts do not, and are not intended to, include professional services that must be procured in accordance with the Act. Cooperative members are reminded they must comply with the Act whenever a contract includes professional services as a component part, and may not procure engineering or architectural services through a BuyBoard contract.
