RE: Installation of Black Fire Hydrants

Dear Mr. Sanchez:

Please allow this correspondence to serve as Hidalgo County's acceptance of black fire hydrants for XYZ subdivision. We understand that the hydrants shall be utilized primarily as "filling stations" for water trucks to assist in the combating of fires in the area.

We shall, however, require that these "filling stations" be placed in subdivisions as part of the development process.

On behalf of the Hidalgo County Fire Marshal and our department we thank you for working with us to promote the health, safety and welfare of the citizens of Hidalgo County.

If you have any questions regarding this correspondence please contact me at (956) 318-2840. Thank You.

Respectfully,
Hidalgo County Planning Department

Raul E. Segin, P.E., C.F.M., Planning Administrator

C: Juan Martinez, Hidalgo County Fire Marshal
