Michael, I received the attached draft interlocal from TEDSI engineering on a project that they consulting with
Commissioner Palacios. This project is in its early stages and is purposed to receive federal and state funding. In
order to engage with TXDOT to provide funding this interlocal needs to be in place. This project is estimated to take
from 2 to 4 years to be completed.

TXDOT requires all of their interlocals to be recorded in Travis County,

Thanks,
