Dear Arturo,

Thank you for your commitment to the National Association of County Recorders, Election Officials and Clerks (NACRC), the organization representing both elected and appointed administrative officials on the county level. NACRC is where large and small counties come together to be in the know and be known!

We have received your renewal submission for membership. See what benefits NACRC recently added to bring YOU more value.

NACRC kNowledge – Your One-stop Source for Professional Development! This portal has pages dedicated to each of NACRC's four major interest groups: land records, records management, election administration, court administration/clerk to board/vitals and passports. The portal offers information, ideas and individual mentors on questions and problems you regularly encounter in your office.

Preparing to implement electronic recording? You'll find ample resources, from papers to personal contacts, to help you through the process. Planning to upgrade your voting processes? You'll find vendors to contact, presentations to review and, again, volunteer mentors to help you through that process. The resources are plentiful and detailed. The mentors are knowledgeable and helpful. It's a personal consulting team at no cost beyond your annual NACRC membership dues.

Communication Opportunities – NACRC's website is much more interactive and informative. Have a question for your fellow NACRC members? Send it out to the ListServ or post it in the discussion forum. Find out what other counties are doing. They may have encountered the same issues with which you are struggling and can suggest a solution.

Free Training - NACRC webinars are now free for members. Hear from industry experts on topics such as voter registration, records preservation and data retrieval. Members also have access to recordings of previous webinars at no charge.

Promote NACRC – Do you know other professionals that would benefit from NACRC? Please visit the Promote NACRC website or contact info@nacrc.org for more information on how to recruit new members.

To access the Members' Only section of the website, enter Username: "AGuajardo" and Password: "11262BIFG".

If you have any questions or concerns, please contact the NACRC staff for assistance. We look forward to a productive year.

Sincerely,

The NACRC Board of Directors

3. Owner represents to County that the contract attached hereto as Exhibit "B" is a true and correct copy of the contract under which Owner will acquire the Property. The debt

and lien described in Exhibit "B" will be the only debt and lien against the Property other than the lien granted pursuant to this Homeowner Contract.

4. Owner agrees to comply with all applicable requirements of the U. S. Housing and Urban Development affordable housing home ownership statutes and regulations, including 24 CFR § 92.254(a) Qualification as Affordable Housing: Homeownership, as amended.

6. Owner agrees to execute all documents requested by County in order for County to obtain a valid second deed of trust lien on the Property.

7. OWNER UNDERSTAND AND AGREES THAT COUNTY IS NOT RESPONSIBLE TO OWNER FOR: (i) ANY ASPECT OF THE CONSTRUCTION OF THE RESIDENCE ON THE PROPERTY BEING PURCHASED BY OWNER, INCLUDING ANY CLAIM FOR DEFECTIVE WORK, INCOMPLETE WORK OR WARRANTY WORK; AND/OR (ii) ANY DEFECTS IN OWNER'S TITLE TO THE PROPERTY.

8. County agrees to expend $10,000 ("Homeowner Advance") for the benefit of Owner in connection with Owner's purchase of the Property. The Homeowner Advance will be applied first to Owner's closing costs and any excess funds will be applied to Owner's down payment and to the principal if funds are available.

9. OWNER AGREES THAT OWNER WILL, FOR A MINIMUM OF FIVE (5) CONSECUTIVE YEARS FOLLOWING OWNER'S PURCHASE OF THE PROPERTY, CONTINUOUSLY USE THE RESIDENCE LOCATED ON THE PROPERTY AS OWNER'S PRINCIPAL RESIDENCE. OWNER AGREES THAT OWNER WILL, ON AN ANNUAL BASIS, EXECUTE SUCH CERTIFICATIONS AS COUNTY MAY REQUIRE TO CONFIRM OWNER'S COMPLIANCE WITH THE REQUIREMENT OF THIS PARAGRAPH 9.

10. Provided Owner has continuously used the residence located on the Property as Owner's principal residence for five (5) consecutive years after the beginning date used in the Loan Documents, County will forgive Owner's outstanding HOMEBUYER ASSISTANCE Funds on the Repayment Date in an amount equal to the HOMEBUYER ASSISTANCE Funds.

If there are no net proceeds from the sale, no repayment is required. Net proceeds are defined as the sales price minus superior loan repayment and any closing costs incurred by the homebuyer.

12. Owner understands and agrees that: (i) Owner agrees to continuously use the residence located on the property as Owner's principal residence for five (5) consecutive years following the beginning date used in the Loan Documents; and (ii) Owner agrees to honor any of its other obligations to County under the Homebuyer Contract or the Loan Documents; collectively. The Honorable Luis Garza
Hidalgo County Justice of the Peace Pct. 3, Pl. 1
730 N. Breyfogle, Suite C
Mission, Texas 78572

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of December 2011

Dear Judge Garza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of December 2011 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objectives of the review were to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of December 2011. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of each month.
- Reviewed receipts, Close-Out reports, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of December 2011 were $49,196.42. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts issued for the month ended December 31, 2011 to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 4 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 7 cash bonds posted by defendants who failed to appear before the Justice of the Peace were not forfeited (liquidated) by the 10th day following the date of their release from jail. The bonds were received between September 15, 2009 through April 4, 2011(see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th day following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th day following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th day following the date of their release from jail.

Please provide written management response to the observations noted above by January 31, 2012.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642 or Arcy B. Duran, MBA, Director of Audit, at ext. 4645.

Sincerely,

Ray Eufracio, CPA

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of January 2012

Dear Judge Garza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of January 2012 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objectives of the review were to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of January 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of each month.
- Reviewed receipts, Close-Out reports, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of January 2012 were $58,528.65. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts issued for the month ended January 31, 2012 to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 4 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with adequate training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 4 cash bonds posted by defendants who failed to appear before the Justice of the Peace were not forfeited (liquidated) by the 10th day following the date of their release from jail. The bonds were received between September 15, 2009 through April 4, 2011(see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th day following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th day following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th day following the date of their release from jail.

Please provide written management responses to the observations noted above by March 7, 2012.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642 or Arcy B. Duran, MBA, Director of Audit, at ext. 4645.

Sincerely,

Ray Eulracio, CPA

The Honorable Gilberto Saenz
Hidalgo County Justice of the Peace Pct. 1, Pl. 1

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of January 2013

Dear Judge Saenz:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of January 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of January 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Reports) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within 5 days after the last day of each month.
- Reviewed receipts, Close-Out Reports and the *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of January 2013 totaled $65,974.25. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts issued for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 14 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs, in *AbleTerm*, should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Please provide a written management response to the observation noted above by April 19, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Pedro Sanchez, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, Arcy B. Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of January 2013

Dear Judge Morales:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of January 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of January 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amount.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out Reports, and the *Monthly Fines and Fees Reports* to verify proper completion.

Conclusion:
Total collections for the month of January 2013 were $39,715.80. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts for the months in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 10 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that a cash bond posted by the defendant, who failed to appear before the Justice of the Peace, was not forfeited (liquidated) by the 10th workday following the date of release from jail. The bond was received December 7, 2012 (see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th workday following the date of release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th workday following the date of their release from jail.

Please provide written management response to the observations noted above by April 17, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Pedro Sanchez, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres,

EDINBURG, TEXAS 78539

April 4, 2013

The Honorable Luis Garza
Hidalgo County Justice of the Peace Pct. 3, Pl. 1
730 N. Breyfogle, Suite C
Mission, Texas 78572

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of January 2013

Dear Judge Garza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of January 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objectives of the review were to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of January 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of each month.
- Reviewed receipts, Close-Out reports, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of January 2013 were $84,786.13. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued for the month ended January 31, 2013 to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 27 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that a cash bond posted by the defendant, who failed to appear before the Justice of the Peace, was not forfeited (liquidated) by the 10th workday following the date released from jail. The bond was received January 4, 2011 (see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th workday following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th workday following the date of their release from jail.

Observation No. 3:
We noted during our review that void receipts did not contain the signature of the Cashier requesting the void.

The County Auditor's Office requires that if a cashier makes an error, the receipt be voided. The following procedures must be followed:

a. The cashier must obtain approval by his/her supervisor prior to voiding the receipt. The cashier must note the reason for the void, date of void, and provide her/his signature on the voided receipt.
b. The supervisor must sign and date the void sheet to document responsibility for verifying that the void was properly completed, all copies of the receipt are marked "VOID" on the face of the receipt, contain an explanation for the void, and contain the date the receipt was voided and signature of the employee requesting the void.
c. If a new receipt is issued, the voided receipt number and the new receipt number should be cross-referenced.
d. All copies of the voided receipt must be securely attached together and submitted to the County Auditor's Office.
e. Computer access controls to void receipts should be limited to supervisors.

Formal procedures have been developed and implemented to ensure receipts are properly voided. This may result in the loss or misuse of County funds.

Recommendation:
Management should continue to ensure that receipts are properly voided. At a minimum, the procedures noted above should be implemented.

Observation No. 4:
We noted during our review that the *Cashier's Daily Close-Out Report* (Close-Out Report) was not properly completed. Although total receipted credit card collections were included in *Part II Cash on Hand by Actual Count* and *Part IV Summary of Deposits* of the Close-Out Report, they were not included under *Part I Recap of Receipts From Balance Report*.

The County Auditor's Office requires that cashiers reconcile collections to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). As part of the reconciliation procedures, the receipted credit card collections must be included under *Part I Recap of Receipts From Balance Report*.

The following procedures should be implemented consistently when preparing the Close-Out Report:

1. The Cashier shall count the money and fill in the appropriate amounts of *Part II Cash on Hand by Actual Count* of the Close-Out Report.
2. The Witness shall total the actual receipts issued for the day of collection and note the beginning and ending receipt number and control numbers on the appropriate line of *Part I Recap of Receipts from Balance Report* of the Close-Out Report.
3. The Witness shall then generate *AbleTerm's Balance Report* for the date of collection and verify that the beginning and ending receipt number and total collections noted on the *Balance Report* agree to those verified on Step 2.
4. The Witness shall then confirm the amount counted by the Cashier as noted on *Part II Cash on Hand by Actual Count* of the Close-Out Report agrees to the receipts issued and the approved change fund amount, if any. Any variances should be noted on the Comments Section, with a detailed explanation.
5. Both the Cashier and the Witness shall verify that the *Cashier's Daily Close-Out Report* is completely filled out. Both the Cashier and Witness shall provide their signature on the appropriate line of *Part III Acknowledgment and Approval* of the Close-Out Report.
6. A deposit slip shall be prepared. If possible, deposit slips should be prepared by someone other than the Cashier. Any and all overages shall be included in the deposit. The deposit slip shall be identified by noting the date of collection and receipt sequence for which the deposit is being made. The check numbers, money order numbers, cashier check numbers, etc., shall be noted on the deposit slip. If this is not possible, copies of these items shall be maintained and attached to the Close-Out Report.

7. The Witness shall enter the deposit slip number, the total amount to be deposited with the County Treasurer, and the general ledger account number to which the funds shall be credited on *Part IV Summary of Deposits* of the Close-Out Report.
8. The validated deposit slip shall be compared to the Close-Out Report by the Justice of the Peace. Both amounts should agree. The Justice of the Peace shall acknowledge this verification by providing his/her signature on the appropriate line of *Part III Acknowledgment and Approval* of the Close-Out Report.
9. The Justice of the Peace shall approve the Close-Out Report by providing his/her signature on the appropriate line of *Part III Acknowledgment and Approval* of the Close-Out Report.
10. Copies of the Close-Out Report and validated deposit slip shall be submitted via fax to the County Treasurer. The County Treasurer shall issue an official County receipt and fax a copy of the receipt issued to the Justice of the Peace Office. The County Treasurer shall send the original receipt issued via mail.
11. Copies of the Close-Out Report and validated deposit slip shall be submitted to the County Auditor's Office, along with the *Monthly Fines and Fees Report*, by the fifth workday following the end of the month.
12. Copies of the Close-Out Report, validated deposit slip, County Treasurer's receipt, and checks/money orders/cashier's checks etc., shall be maintained by the Justice of the Peace Office. This documentation shall be made available to the County Auditor's Office for review upon request.

Formal monitoring procedures have not been developed and implemented to ensure that the Close-Out Report is properly completed. Failure to properly prepare the Close-Out Report increases the risk of loss or misuse of County revenues.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that the Close-Out Report is properly completed. At a minimum, the procedures noted above should be implemented.

Please provide written a management response to the observations noted above by April 25, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Pedro Sanchez, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. The Honorable Gilberto Saenz
Hidalgo County Justice of the Peace Pct. 1, Pl. 1
1902 Joe Stephens, Suite 301
Weslaco, Texas 78596

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of February 2013

Dear Judge Saenz:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of February 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of February 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Reviewed randomly selected receipts and traced method of payment to validated deposit slip to test for lapping.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within 5 days after the last day of each month.
- Reviewed receipts, Close-Out Reports, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of February 2013 totaled $113,684.45. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts issued for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 12 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs, in *AbleTerm,* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Please provide a written management response to the observation noted above by May 17, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Pedro Sanchez, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA

May 1, 2013

The Honorable Jesus E. Morales
Hidalgo County Justice of the Peace Pct. 1, Pl. 2
1902 Joe Stephens, Suite 302
Weslaco, Texas 78596

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of March 2013

Dear Judge Morales:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of March 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of March 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out Reports, and the *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of March 2013 were $69,392.15. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

HIDALGO COUNTY DISTRICT JUDGES

RICARDO P. RODRIGUEZ, JR. JUDGE, 92ND D.C. | RODOLFO DELGADO JUDGE, 93RD D.C. | J. R. "BOBBY" FLORES JUDGE, 139TH D.C. | ROSE GUERRA REYNA JUDGE, 206TH D.C. | JUAN R. Observation No. 1:

We reviewed receipts for the months in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 27 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:

Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Please provide written management responses to the observation noted above by May 24, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of February 2013

Dear Judge Morales:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of February 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of February 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the reports were received within five days after the last day of each month.
- Reviewed receipts, Close-Out Reports, and the *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of February 2013 were $71,557.75. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts for the months in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 27 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that a cash bond posted by the defendant, who failed to appear before the Justice of the Peace, was not forfeited (liquidated) by the 10th workday following the date of release from jail. The bond was received December 7, 2012 (see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th workday following the date of release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th workday following the date of their release from jail.

Please provide written management responses to the observations noted above by May 10, 2013. If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Pedro Sanchez, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of February 2013

Dear Judge Garza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of February 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objectives of the review were to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of February 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of each month.
- Reviewed receipts, Close-Out reports, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of February 2013 were $105,907.34. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued for the month ended February 28, 2013 to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 21 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that a cash bond posted by the defendant, who failed to appear before the Justice of the Peace, was not forfeited (liquidated) by the 10th workday following the date released from jail. The bond was received January 4, 2011 (see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th workday following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th workday following the date of their release from jail.

Observation No. 3:
We noted during our review that void receipts did not contain the signature of the Cashier requesting the void.

The County Auditor's Office requires that if a cashier makes an error, the receipt be voided. The following procedures must be followed:

a. The cashier must obtain approval by his/her supervisor prior to voiding the receipt. The cashier must note the reason for the void, date of void, and provide her/his signature on the voided receipt.
b. The supervisor must sign and date the void sheet to document responsibility for verifying that the void was properly completed, all copies of the receipt are marked "VOID" on the face of the receipt, contain an explanation for the void, and contain the date the receipt was voided and signature of the employee requesting the void.
c. If a new receipt is issued, the voided receipt number and the new receipt number should be cross-referenced.
d. All copies of the voided receipt must be securely attached together and submitted to the County Auditor's Office.
e. Computer access controls to void receipts should be limited to supervisors.

Formal procedures have been developed and implemented to ensure receipts are properly voided. This may result in the loss or misuse of County funds.

Recommendation:
Management should continue to ensure that receipts are properly voided. At a minimum, the procedures noted above should be implemented.

Observation No. 4:
We noted during our review that the *Cashier's Daily Close-Out Report* (Close-Out Report) was not properly completed. Although total receipted credit card collections were included in *Part II Cash on Hand by Actual Count* and *Part IV Summary of Deposits* of the Close-Out Report, they were not included under *Part I Recap of Receipts from Balance Report.*

The County Auditor's Office requires that cashiers reconcile collections to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report* (Close-Out report). As part of the reconciliation procedures, the receipted credit card collections must be included under *Part I Recap of Receipts from Balance Report.*

The following procedures should be implemented consistently when preparing the Close-Out Report:

1. The Cashier shall count the money and fill in the appropriate amounts of *Part II Cash on Hand by Actual Count* of the Close-Out Report.
2. The Witness shall total the actual receipts issued for the day of collection and note the beginning and ending receipt number and control numbers on the appropriate line of *Part I Recap of Receipts from Balance Report* of the Close-Out Report.
3. The Witness shall then generate *AbleTerm's Balance Report* for the date of collection and verify that the beginning and ending receipt number and total collections noted on the *Balance Report* agree to those verified on Step 2.
4. The Witness shall then confirm the amount counted by the Cashier as noted on *Part II Cash on Hand by Actual Count* of the Close-Out Report agrees to the receipts issued and the approved change fund amount, if any. Any variances should be noted on the Comments Section, with a detailed explanation.
5. Both the Cashier and the Witness shall verify that the *Cashier's Daily Close-Out Report* is completely filled out. Both the Cashier and Witness shall provide their signature on the appropriate line of *Part III Acknowledgment and Approval* of the Close-Out Report.
6. A deposit slip shall be prepared. If possible, deposit slips should be prepared by someone other than the Cashier. Any and all overages shall be included in the deposit. The deposit slip shall be identified by noting the date of collection and receipt sequence for which the deposit is being made. The check numbers, money order numbers, cashier check numbers, etc., shall be noted on the deposit slip. If this is not possible, copies of these items shall be maintained and attached to the Close-Out Report.

7. The Witness shall enter the deposit slip number, the total amount to be deposited with the County Treasurer, and the general ledger account number to which the funds shall be credited on *Part IV Summary of Deposits* of the Close-Out Report.
8. The validated deposit slip shall be compared to the Close-Out Report by the Justice of the Peace. Both amounts should agree. The Justice of the Peace shall acknowledge this verification by providing his/her signature on the appropriate line of *Part III Acknowledgment and Approval* of the Close-Out Report.
9. The Justice of the Peace shall approve the Close-Out Report by providing his/her signature on the appropriate line of *Part III Acknowledgment and Approval* of the Close-Out Report.
10. Copies of the Close-Out Report and validated deposit slip shall be submitted via fax to the County Treasurer. The County Treasurer shall issue an official County receipt and fax a copy of the receipt issued to the Justice of the Peace Office. The County Treasurer shall send the original receipt issued via mail.
11. Copies of the Close-Out Report and validated deposit slip shall be submitted to the County Auditor's Office, along with the *Monthly Fines and Fees Report*, by the fifth workday following the end of the month.
12. Copies of the Close-Out Report, validated deposit slip, County Treasurer's receipt, and checks/money orders/cashier's checks etc., shall be maintained by the Justice of the Peace Office. This documentation shall be made available to the County Auditor's Office for review upon request.

Formal monitoring procedures have not been developed and implemented to ensure that the Close-Out Report is properly completed. Failure to properly prepare the Close-Out Report increases the risk of loss or misuse of County revenues.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that the Close-Out Report is properly completed. At a minimum, the procedures noted above should be implemented.

Please provide written a management response to the observations noted above by May 17, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Pedro Sanchez, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. The Honorable Gilberto Saenz
Hidalgo County Justice of the Peace Pct. 1, Pl. 1
1902 Joe Stephens, Suite 301
Weslaco, Texas 78596

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of March 2013

Dear Judge Saenz:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of March 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:

The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of March 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:

In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Reviewed randomly selected receipts and traced method of payment to validated deposit slip to test for lapping.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Reports) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within 5 days after the last day of each month.
- Reviewed receipts, Close-Out Reports and the *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of March 2013 totaled $98,669.70. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observation.

Observation No. 1:
We reviewed receipts issued for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 16 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs, in *AbleTerm*, should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Please provide a written management response to the observation noted above by May 24, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Pedro Sanchez, Internal Auditor 1, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA
County Auditor

Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of March 2013

Dear Judge Garza:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of March 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objectives of the review were to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of March 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out report) and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fines and Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of each month.
- Reviewed receipts, Close-Out reports, and *Monthly Fines and Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of March 2013 were $101,214.40. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued for the month ended March 31, 2013 to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 14 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that 3 cash bonds posted by the defendant, who failed to appear before the Justice of the Peace, were not forfeited (liquidated) by the 10th workday following the date released from jail. The bonds were received between January 4, 2011 and March 5, 2013 (see Exhibit B).

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th workday following the date of their release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th workday following the date of their release from jail.

Observation No. 3:
We noted during our review that void receipts did not contain the signature of the Cashier requesting the void.

The County Auditor's Office requires that if a cashier makes an error, the receipt be voided. The following procedures must be followed:

a. The cashier must obtain approval by his/her supervisor prior to voiding the receipt. The cashier must note the reason for the void, date of void, and provide her/his signature on the voided receipt.
b. The supervisor must sign and date the void sheet to document responsibility for verifying that the void was properly completed, all copies of the receipt are marked "VOID" on the face of the receipt, contain an explanation for the void, and contain the date the receipt was voided and signature of the employee requesting the void.
c. If a new receipt is issued, the voided receipt number and the new receipt number should be cross-referenced.
d. All copies of the voided receipt must be securely attached together and submitted to the County Auditor's Office.
e. Computer access controls to void receipts should be limited to supervisors.

Formal procedures have been developed and implemented to ensure receipts are properly voided. This may result in the loss or misuse of County funds.

Recommendation:
Management should continue to ensure that receipts are properly voided. At a minimum, the procedures noted above should be implemented.

Observation No. 4:
We noted during our review that the *Cashier's Daily Close-Out Report/Daily Remittance Form* (Close-Out Report) was not properly completed. The total receipted credit card collections were not included under *Part I Recap of Receipts from Balance Report.*

The County Auditor's Office requires that cashiers reconcile collections to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report/Daily Remittance Form* (Close-Out Report). As part of the reconciliation procedures, the receipted credit card collections must be included under *Part I Recap of Receipts from Balance Report.*

Formal monitoring procedures have not been developed and implemented to ensure that the Close-Out Report is properly completed. This increases the risk of loss or misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that the Close-Out Report is properly completed. Please refer to the *Cash Handling Guidelines and Procedures* for specific procedures to follow while completing the Close-Out Report.

Observation No. 5:
We noted during our review that the *Monthly Fines & Fees Report* was not submitted to the County Auditor's Office in a timely manner. The March 2013 *Monthly Fines & Fees Report* was submitted 3 days after the fifth workday following the end of the month.

Local Government Code § 114.001 (b) states, "A monthly report must be filed within five days after the last day of each month." Timely submittal of the *Monthly Fines & Fees Report* helps ensure the proper accounting and accurate projection of county revenues.

Formal monitoring procedures have not been developed and implemented to ensure the *Monthly Fines & Fees Report* is submitted in a timely manner. This may result in the improper accounting and inaccurate projection of County revenues.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure the *Monthly Fines & Fees Report* is submitted in a timely manner.

Observation No. 6:
We noted during our review that 1 credit card transaction received on March 26, 2013 was not promptly receipted. Consequently, the applicable case disposition was not recorded in *AbleTerm* in a timely manner.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Formal procedures have not been developed and implemented to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner. This may result in the loss or misuse of County funds. In addition, failure to timely enter case dispositions may result in the arrest of the defendant, in error.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that credit card transactions are promptly receipted and cases dispositions are entered in a timely manner. In addition, the credit card transaction should be immediately receipted.

Please provide written a management response to the observations noted above by May 24, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Pedro Sanchez, Internal Auditor I, at 318-2511 ext. 4643, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Respectfully,

Re: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the Month of April 2013

Dear Judge Saenz:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of April 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of April 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts General Ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Fines and Fees Report*.

- Verified the sequence of receipts per the *Monthly Fines and Fees Report* agreed to the *Ableterm 's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm 's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, and the *Monthly Fines and Fees Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of April 2013 totaled $99,022.60. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We reviewed receipts issued for the month in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 32 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Report* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal monitoring procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs, in *AbleTerm,* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 2:
We noted during our review that procedures for voiding receipts were not always properly followed. Receipts did not contain one or more of the following: date of void, receipt marked with the word "VOID", and a reason for the void.

The County Auditor's Office requires that if a cashier makes an error, the receipt be voided. The following procedures must be followed:

a. The Cashier must obtain approval by his/her supervisor prior to voiding the receipt. In addition, the Cashier must provide the reason for the void, date of void, and their signature on the voided receipt.
b. The supervisor must sign & date the void receipt to document responsibility for verifying that the void was properly completed (i.e., all copies of the receipt are marked "VOID", contain an explanation for the void, contain the date the receipt was voided and signature of the employee requesting the void).
c. If a new receipt is issued, the voided receipt number and the new receipt number should be cross-referenced.
d. All copies of the voided receipt must be securely attached together &submitted to the County Auditor's Office.
e. Computer access controls to void receipts should be limited to supervisors.

Formal procedures have been developed and implemented to ensure receipts are properly voided. This may result in the loss or misuse of County funds.

Recommendation:
Management should continue to ensure that receipts are properly voided. At a minimum, the procedures noted above should continue to be implemented.

Observation No. 3:
We noted during our review that the *Cashier's Daily Close-Out Report/Daily Remittance Form* (Close-Out Report) was not properly completed. *Part III Acknowledgment and Approval*, at times, did not contain a signature of the individual responsible for comparing the validated deposit slip amount to the Close-Out Report.

The County Auditor's Office requires that cashiers reconcile collections to receipts issued and the approved change fund, if any, on a daily basis by utilizing the *Cashier's Daily Close-Out Report/Daily Remittance Form* (Close-Out Report). As part of the reconciliation procedures, the signature of the individual responsible for comparing the validated deposit slip amount to the Close-Out Report should be noted on *Part III Acknowledgment and Approval.*

Formal monitoring procedures have not been developed and implemented to ensure that the Close-Out Report is properly completed. This increases the risk of loss or misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that the Close-Out Report is properly completed. Please refer to the *Cash Handling Guidelines and Procedures* for specific procedures to follow while completing the Close-Out Report.

Observation No. 4:
We noted during our review that 1 credit card transaction received on April 15, 2013 was not promptly receipted. Consequently, the applicable case disposition was not recorded in *AbleTerm* in a timely manner. The credit card transaction and case disposition were recorded on May 28, 2013.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts. In addition, the case dispositions should be recorded in *AbleTerm* upon receipt of payment.

Formal procedures have not been developed and implemented to ensure that credit card transactions are promptly receipted and case dispositions are entered in a timely manner. This may result in the loss or misuse of County funds. In addition, failure to timely enter case dispositions may result in the arrest of the defendant, in error.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that credit card transactions are promptly receipted and cases dispositions are entered in a timely manner. In addition, the credit card transaction should be immediately receipted.

Please provide a written management response to the observations noted above by June 28, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4640, Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, Arcy B. Ref: Review of *Monthly Fines and Fees Report* and Supporting Documentation
For the month of April 2013

Dear Judge Morales:

We have conducted a limited scope review of the *Monthly Fines and Fees Report* and supporting documentation for the month of April 2013 pursuant to Local Government Code §115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fines, fees, and court costs collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fines and Fees Report* for the month of April 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fines, fees, and court cost statutes and schedules. The following procedures were also performed:

- Reviewed the submittal dates of the *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of the month pursuant to Local Government Code § 114.001 (b).
- Verified the signature on the *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form".
- Verified the mathematical accuracy of the *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fines, fees, and court costs were allocated and reported in the proper amounts and verified whether adjustments were made, if any.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued per *Ableterm's* Receipt Journal Report, 2.) total collections per *Ableterm's* Fee Distribution Reports, 3.) total deposits made with the County Treasurer, and 4.) total deposits posted to *alio's* Undistributed Receipts General Ledger account.
- Verified that "Discharge" collections received by the Sheriff's Office were receipted by the Justice of the Peace Office and included on the *Monthly Fines and Fees Report*.

- Verified the sequence of receipts per the *Monthly Fines and Fees Report* agreed to the *Ableterm's* Receipt Journal Report, and the Sheriff's "D" Report. In addition, verified that receipts followed sequential order.
- Compared the Online Credit Card Report to *Ableterm's* Daily Balance Report to ensure all online credit card transactions were timely receipted by the Justice of the Peace and County Treasurer's Office.
- Reviewed *Cashier's Daily Close-Out Reports* (Close-Out Report) and County Treasurer receipts to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.
- Reviewed receipts, Close-Out Reports, and the *Monthly Fines and Fees Report* to verify proper completion.
- Verified if cash bonds posted by the defendants, who failed to appear before the Justice of the Peace, were forfeited (liquidated) by the 10th workday following the date of release from jail.

Conclusion:
Total collections for the month of April 2013 were $47,960.45. Based on the results of our review, we have concluded that fines, fees, and court costs were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fines, fees, and court costs require improvement as noted in the following observations.

Observation No. 1:
We noted that the *Monthly Fines and Fees Report* was filed with the County Auditor's Office on May 10, 2013. The report should have been filed with the County Auditor's Office by May 5, 2013.

Pursuant to Local Government Code § 114.001 (b), a monthly report must be filed within five days after the last day of each month.

Formal procedures have not been implemented to ensure that the *Monthly Fines and Fees Report* is filed with the County Auditor's Office within 5 days after the last day of each month. Timely submittal of the *Monthly Fines and Fees Report* with the County Auditor's Office will ensure that revenues and liabilities are recognized in a timely manner.

Recommendation:
Management should develop and implement formal procedures to ensure that the *Monthly Fines and Fees Report* is filed with the County Auditor's Office within 5 days after the last day of each month.

Observation No. 2:
We reviewed receipts for the months in review to determine whether fines, fees, and court costs collected were properly allocated and reported.

The results of our review revealed that 16 receipts contained errors in the allocation of fees, fines, and court costs. The Justice of the Peace staff was made aware of the necessary revisions and corrections were made prior to submitting the final *Monthly Fines and Fees Reports* to Commissioners Court for approval (see Exhibit A).

There are numerous statutes that require Justices of the Peace to charge various fines, fees, and court costs for certain services and offenses. Fines, fees, and court costs must be allocated pursuant to State statutes and/or Commissioners Court approval.

Formal procedures have not been implemented to ensure that fines, fees, and court costs are properly allocated and reported. The County may be held liable to the State for failure to properly allocate and report fines, fees, and court costs.

Recommendation:
Management should develop and implement formal procedures to ensure that fines, fees, and court costs are properly allocated and reported. At a minimum, the following procedures should be implemented:

- Staff should be provided with training regarding the proper allocation of fines, fees, and court costs.
- Staff should review the allocation of fines, fees, and court costs before the official County receipt is issued.
- Access for setting up offense codes with the proper fines, fees, and court costs in *AbleTerm* should be limited to staff with adequate knowledge of the applicable allocation.
- Staff should ensure that the proper fines, fees, and court costs allocation, offense date, and judgment date are entered when a case is setup in *AbleTerm*.

Observation No. 3:
We noted during our review that a cash bond posted by the defendant, who failed to appear before the Justice of the Peace, was not forfeited (liquidated) by the 10th workday following the date of release from jail. The bond was received December 7, 2012 (see Exhibit B). The bond was, subsequently, liquidated on June 5, 2013.

Code of Criminal Procedure Article 45.044 9a) (2) states "A justice or judge may enter a judgment of conviction and forfeit a cash bond posted by the defendant in satisfaction of the defendant's fine and cost if the defendant fails to appear according to the terms of the defendant's release". Pursuant to the terms of the cash bond, the defendant must appear before the Justice of the Peace by the 10th workday following the date of their release from jail. If the defendant fails to appear, the Justice of the Peace may declare the cash bond forfeited, enter a judgment of guilty, assess a fine, and apply the cash bond to the payment of the imposed judgment.

Formal monitoring procedures were not in place to ensure that bonds posted by defendants who failed to appear before the Justice of the Peace were forfeited by the 10th workday following the date of release from jail. This may result in the misuse of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that bonds posted by defendants who fail to appear before the Justice of the Peace are forfeited by the 10th workday following the date of their release from jail.

Please provide written management responses to the observations noted above by June 28, 2013.

If you should have any questions or would like to schedule a meeting to discuss the above noted observation, please do not hesitate to contact Marissa Castillo, Internal Auditor I, at 318-2511 ext. 4650, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Mr. Juan Martinez
Hidalgo County Fire Marshal

Ref: Review of *Monthly Report* and Supporting Documentation
For the Month of April 2013

Dear Mr. Martinez:

We conducted a limited scope review of the *Monthly Report* and all supporting documentation for the month of April 2013 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope and Methodology:
The scope of our review was limited to collections reported by the Fire Marshal's Office on the *Monthly Report* for the month of April 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed receipts issued to determine whether proper fee amounts were collected and reported.
- Verified that receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittance Reports* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the seventh business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Report* to the County Auditor's Office to determine if the reports had been received in a timely manner.
- Reviewed receipts, *Daily Remittance Reports*, and the *Monthly Report* to verify proper completion.

Conclusion:
Total collections for the month of April 2013 were $23,334.99. Based on the results of our review, we have concluded that generally fees collected were properly accounted and reported; however, improvements could be made to the system of internal controls as noted in the following observation.

HIDALGO COUNTY DISTRICT JUDGES

RICARDO P. RODRIGUEZ, JR. JUDGE, 92ND D.C. | RODOLFO DELGADO JUDGE, 93RD D.C. | J. R. "BOBBY" FLORES JUDGE, 139TH D.C. | ROSE GUERRA REYNA JUDGE, 206TH D.C. | JUAN R. PARTIDA JUDGE, 275TH D.C. | MARIO E. RAMIREZ, JR. JUDGE, 332ND D.C. | NOE GONZALEZ JUDGE, 370TH D.C. OVERSEER | LETICIA LOPEZ JUDGE, 389TH D.C. | AIDA SALINAS FLORES JUDGE, 398TH D.C. | ISRAEL RAMON, JR. JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

Observation No. 1:
We noted during our review that void receipts did not contain the supervisor's signature of approval.

The County Auditor's Office requires that approval of a void receipt be obtained prior to voiding a receipt. Approval of void receipts should be limited to supervisors. The supervisor should ensure the original and all copies of the void receipt contain on the face of the receipt the word "void", an explanation for the void, the date receipt was voided, and the supervisor's signature of approval. In addition, the supervisor should ensure that the original and all other copies of the voided receipt are securely attached together.

Formal monitoring procedures have not been implemented to ensure that receipts are properly voided. This may result in the loss of County funds.

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that receipts are properly voided. At a minimum, the procedures noted above should be implemented.

Please provide written management response to the observation noted above by June 14, 2013.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to call Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

Respectfully,

Ray Eufracio, CPA
County Auditor

Re: April 2013 *Environmental Health Division Monthly Fees Report*

Dear Mr. Olivarez:

We have conducted a limited scope review of the *Environmental Health Division Monthly Fees Report* for the month of April 2013 pursuant to Local Government Code § 115.002 (a) and § 115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the *Environmental Health Division Monthly Fees Report* for the month of April 2013. Our review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed receipts issued to ensure proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittance/Close-Out Reports* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the seventh business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fees Report* to the County Auditor's Office to determine if the reports had been received in a timely manner.
- Reviewed receipts, *Daily Remittance Reports,* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of April 2013 were $32,550.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, improvements could be made to the system of internal controls as noted in the following observation.

Observation No. 1:
We noted during our review that the *Daily Remittance Reports* were not properly completed. The reports, at times, did not have the correct number of permits issued on *Part IV Summary of Deposits of the Daily Remittance Report.*

The County Auditor's Office requires that collections be reconciled to receipts issued for the day utilizing the *Daily Remittance Reports.* As part of the reconciliation procedures, the cashier must note the number of permits issued by each type of fee collected (i.e., restaurant, food handler, mobile unit, etc.) on *Part IV Summary of Deposits* of the *Daily Remittance Report.*

Recommendation:
Management should develop and implement formal monitoring procedures to ensure that the *Daily Remittance Reports* are properly completed. At a minimum, the procedures noted above shall be implemented.

Please provide a written management response to the observation noted above by June 25, 2013.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to contact Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Dear Constable Gallardo:

We have conducted a limited scope review of the Constable Precinct 3 *Monthly Fees Report* and all supporting documentation for the month of April 2013 pursuant to Local Government Code § 115.002 (a), §115.002 (b), and Code of Criminal Procedure Article 103.011. The objective of the review was to determine whether fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of April 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Weekly Remittance Reports* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the seventh business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed the submittal dates of the *Monthly Fees Report* to the County Auditor's Office to determine if the reports had been received in a timely manner.
- Reviewed receipts, *Weekly Remittance Reports* and *Monthly Fees Report* to verify proper completion.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the Month of May 2013

Dear Commissioner Flores:

We conducted a review of the Anzalduas' Park *Monthly Fees Report* and all supporting documentation for the month of May 2013 in accordance with Local Government Code §115.002(a) and §115.002(b). The objective of the review was to determine whether collections were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of May 2013. The review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

Methodology:
In planning and performing the review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Verified tickets issued followed sequential order.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth business day after the day on which the funds were received.
- Verified that the collections per the *Monthly Fees Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Reviewed the *Monthly Fees Report* to verify the report was submitted to the County Auditor's Office in a timely manner.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Forms* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of May 2013 were $2,036.00. Based on our results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
Commissioners Court may set and approve park entrance fees if approved by a majority of qualified voters through a referendum election. A $4.00 park entrance fee is collected from vehicles entering the Anzalduas Park on Saturdays and Sundays. A review of the County's financial records indicated that the fee has been collected since at least 1992. According to Park staff, they were not aware if and when a referendum election was held to approve the collection of the park entrance fee.

In addition, according to staff, the park entrance fee is waived under certain circumstances. For example, the park entrance fee is only collected on Saturdays and Sundays. The park entrance fee is also waived from vehicles entering the park after the Daily Close-Out Report and deposit cut-off time of 4:30 p.m. In addition, the park entrance fee is waived from County employees and law enforcement personnel upon presentment of a County or law enforcement identification card. Although Commissioners Court may waive the collection of the park entrance fee under certain circumstances, evidence of a Commissioners Court waiver policy was not provided.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

The County Auditor's Office requires that all departments continue to collect and receipt after the established cut-off time. Any collections receipted after the cut-off time can be safeguarded overnight until they are deposited the next business day with the next business day's collections.

Formal procedures have not been developed and implemented to ensure that park entrance fees are properly collected. Failure to properly collect the park entrance fee may result in the loss of County funds.

Recommendation:
Management should develop and implement formal procedures to ensure that that park entrance fees are properly collected. At a minimum, evidence authorizing the collection and waiver of the fee should be obtained.

Please provide a written management response to the observation noted above by June 27, 2013.

If you should have any questions, please do not hesitate to call Yvonne Torres, Revenue Audit Supervisor, at 318-2511 ext. 4642, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645.

RE: Review of Delta Lake *Monthly Fees Report* and Supporting Documentation
For the Month of May 2013

Dear Commissioner Cuellar:

We conducted a limited scope review of the Delta Lake *Monthly Fees Report* and all supporting documentation for the month of May 2013 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fees Report* for the month of May 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Verified tickets issued followed sequential order.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that collections per the *Monthly Fees Report* agreed to total tickets issued and the deposits made with the County Treasurer.
- Verified the *Monthly Fees Report* was submitted in a timely manner to the County Auditor's Office.
- Verified the *Cashier's Daily Close-Out Report/Daily Remittance Forms* and *Monthly Fees Report* were properly completed.

Conclusion:
Total collections for the month of May 2013 were 498.00. Based on our results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal

controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
According to the Delta Lake Park staff, effective July 21, 2012 the park entrance fees have been waived from Monday through Saturday. The park entrance fee is only collected on Sundays.

Local Government Code Sec. 316.001(4) states "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec.316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

Commissioner's Court approval to waive the park entrance fee was not obtained.

Recommendation:

Report No. 2013-23

Dear Mr. Villarreal:

We conducted a limited scope review of collections for the City of Hidalgo Tax Increment Reinvestment Zone No. 1 (TIRZ). The objective of the review was to determine whether TIRZ collection reports prepared by the Tax Office included collections received for all tax accounts located within the TIRZ.

The scope of the review was limited to tax accounts located within the TIRZ for tax roll 2012. The review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

As part of the review, we examined applicable sections of Tax Code Chapter 311, the agreement between Hidalgo County and the City of Hidalgo, TIRZ collection reports, and list of accounts coded THCHD by Hidalgo County Appraisal District (HCAD).

The results of the review revealed that tax account number G4510-01-000-0011-00 is located within the TIRZ boundaries; however, the tax account number was not coded by the HCAD; therefore, the tax account was not included on the collection reports provided by the Tax Office. A letter was sent to the HCAD notifying them of the discrepancy.

We recommend that the tax account be added to the TIRZ collections reports once the required revisions are made by the HCAD. In addition, copies of the revised TIRZ collections reports should be submitted to the County Auditor's Office.

Report No. 2013-24

Dear Mr.Villareal:

Property located within the City of Penitas Tax Increment Reinvestment Zone (TIRZ) are coded THCPN by the Hidalgo County Appraisal District (HCAD). We conducted a limited scope review of the list of accounts coded THCPN (list) by HCAD. The objective of the review was to determine whether the list only included real property tax accounts located with the TIRZ boundaries.

The scope of the review was limited to tax accounts located within the TIRZ boundaries for tax roll 2012. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

As part of the review, we examined applicable sections of Tax Code Chapter 311, the agreement between Hidalgo County and the City of Penitas, TIRZ collection reports, and the list of tax accounts coded THCPN.

The results of the review revealed that tax account number H4250-04-042-0001-08, located within the TIRZ boundaries, was not included in the collections reports, in error.

We recommend that copies of the revised TIRZ collections reports be submitted to the County Auditor's Office once a revised listed of accounts coded THCPN is requested from HCAD.

Report No. 2013-32

Dear Mr. Villarreal:

We conducted a limited scope review of collections for the City of Mission Tax Increment Reinvestment Zone No. 1 (TIRZ). The objective of the review was to determine whether TIRZ collection reports prepared by the Tax Office included collections received for all tax accounts located within the TIRZ.

The scope of the review was limited to tax accounts located within the TIRZ for tax roll 2012. The review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

As part of the review, we examined applicable sections of Tax Code Chapter 311, the agreement between Hidalgo County and the City of Mission, TIRZ collection reports, and list of accounts coded THMS1 and THMS2 by Hidalgo County Appraisal District (HCAD).

The results of the review revealed the following:

1. Tax account numbers W0100-00-010-0012-00 and W0100-00-011-0012-00, not located within the TIRZ boundaries, were coded THMS2 by the HCAD and included in the collection reports. The tax accounts should be removed from the collection reports.
2. Tax account number S2997-02-000-0002-01, located within the TIRZ boundaries, was not included in the collection reports since the tax account was not coded THMS1 by HCAD.

A letter was sent to the HCAD notifying them of the discrepancy. We recommend that copies of the revised TIRZ collections reports be submitted to the County Auditor's Office once the revisions listed above are made by the HCAD.

Re: Review of Delinquent Tax Attorney Payment Request-April 2013
Report No. 2013-39

Dear Mr. Villarreal:

We have completed a limited scope review of the April 2013 payment request prepared by your office for delinquent tax attorney (DTA) fees due to Perdue, Brandon, Fielder, Collins, and Mott, LLP ("Perdue") and related supporting documentation. The objective of our limited scope review was to determine if the payment request was accurate and properly authorized.

The scope of our review was limited to a review of the DTA fees collected by your office on behalf of the following entities: Hidalgo County (GHD), Road District 2 (RD2), Road District 5 (RD5), Road District 7 (RD7), Road District 11 (RD11), Road District 12 (RD12), Road District 14 (RD14), Road District 15, State of Texas (TEX); and the payment request prepared by your office for the month ended April 30, 2013. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. The responsibility for sound internal controls rests with management.

As part of our review, we reviewed the payment request, the delinquent tax attorney contract, and various collection reports prepared by your office. The following procedures were performed:

- Verified that the payment request submitted by your office was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of April 2013 collections".
- Reviewed the "Hidalgo County Tax Office Prior Collection Report", "Hidalgo County Tax Office Current Collection Report", "Hidalgo County Texas Contractor Report of Delinquent Collections", and the "Final Distribution Totals April 2013 Perdue, Brandon, Fielder, Collins and Mott LLP" report to determine if the amount on the payment request was accurate.
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" and the "Hidalgo County Tax Office Current Collection Report" to determine if the DTA fees were collected at the 15% rate specified in the contract.
- Reviewed the list of tax accounts with tax deferrals provided by your office along with the April 2013 DTA payment request to verify whether accounts with delinquent tax attorney fees that were not collected at 15% rate specified in the contract were related to accounts with tax deferrals.
- Reviewed the tax accounts listed on the "Hidalgo County Tax Office Prior Collection Report" and the "Hidalgo County Tax Office Current Collection Report" that reflected a negative amount

and verified on *ACT*, the tax collection application system, whether delinquent tax attorney fees netted out from the payment request to Perdue were collected between January 1, 2007 through June 30, 2007 and previously paid to Linebarger Goggan Blair & Sampson, LLP ("LGBS").

The results of our review revealed that the payment request was generally accurate and properly authorized. Although delinquent tax attorney fees for 265 tax accounts were not collected at the 15% rate specified in the contract; we concluded that the differences in rates were attributed to tax deferrals and rounding (see Exhibit A). In addition, there were 5 tax accounts, in which DTA fees totaling $221.93 were collected, in error, for the 2012 tax year. The Tax Office staff stated that the DTA fees for the 5 tax accounts would be adjusted on the June 2013 DTA payment.

We will proceed to process the April 2013 DTA payment request for payment in the amount of $169,856.97.

Hello Vangie.

We will accept a renewal P.O. without the formality of have a new contract submitted each year.
This method of renewal is a common practice with TBS.
If you want to just advise us, or send a copy, of the new purchase order, we will continue the contract.
Let me know if this is okay with you.
Also, just so you know, we are still negotiating the contract terms with Yvette. Each time Hidalgo County or Toshiba suggests a change, the legal staff on both sides seem to want it different.
Lawyers! Go figure!
