PREVENT DISCONNECT
Thank you for being a valued customer. Please be aware that all charges must be paid each month to keep your account current and prevent collection activities. We are required to inform you that certain charges such as your telephone line, and fees and surcharges MUST be paid in order to prevent interruption of basic local service. These charges are already included in the Total Amount Due and are \$18996.71. Also, neglecting payment for other charges, such as long distance, voice mail, InLine@, wireless, and Internet may result in those services being interrupted.

LONG DIST. PROVIDERS
Our records show that you have not selected a primary local toll or long distance carrier. Please contact us if this does not agree with your records.

IMPORTANT NOTICE
INFORMATIONAL BULLETIN REGARDING THIRD-PARTY BILLING
AT&T allows third-party billing for traditional telecommunications providers (such as long-distance, operator services and directory assistance), and AT&T's own affiliates and marketing allies. AT&T takes immediate action to help customers who contact us and report that they may have been billed for unauthorized third-party charges. To dispute a charge, we encourage customers to first deal directly with the third party that originated the charge, whose name and toll-free telephone number are printed on the same bill page as the charge in question. Often, the problem can be resolved with a single telephone call. All customers who call us to report cramming complaints will be issued credits and will not be required to pay AT&T for the disputed charges. (Credits generally appear on customers' bills within one or two months.)
