Thank you Mrs. Chapa.

I have attached the resolution so that the County can review and revise it as appropriate.

Dr. Reed requests placement on the agenda for September 10th, 2013. She would also like to share some informational materials in advance of her presentation. Do you distribute packets to the Judge and Commissioners in advance of each meeting? If so, I would gladly send printed copies of the information to you. Please let me know

how many copies you need (in case you have them available for the press/public attendees, archives, or other purposes).

Thank you,

Andrew

Hi, Andrew. We do need to review UR resolution and as far as a date, either one is good for us. Please forward Resolution as soon as you can so that Mr. Guerra can review with Mr. Crain.

Good evening (or morning!) Mrs. Chapa,

Wanted to follow up with you on this. Would the Commissioners' Court be able to hear from Dr. Reed and consider a resolution on either the 3rd or 10th of September? We can forward a copy of a proposed resolution for your attorney to review and revise as appropriate.

Thank you,

Andrew

Good morning Mrs. Chapa,

I just wanted to follow up with you regarding possible meeting dates at which Dr. Reed could have an agenda item to present to the Commission regarding a resolution in support of STC.

Would you be able to accommodate her for the Commissioners' Court agenda during the meeting of September 3rd or September 10th, 2013?

Good morning Mrs. Chapa,

Dr. Reed is looking forward to speaking to the Comm. Court, and would appreciate a place on the agenda for this sort of dialogue.

She will be travelling on the 23rd, and will not be available. However, she would be free the following three Tuesdays, July 30th, August 6th, and August 13th, if the Comm. Court would be meeting on any of those dates.

I will also ask Dr. Reed about forwarding a copy of the proposed resolution to you so that Judge Garcia and the County's attorney can review it.

Thank you for your help,

Andrew

Hi, Andrew,
Judge. Garcia would like for Dr. Reed to speak to Comm. Court through an agenda item so they can interact with her. We will be pleased to place an item on the agenda for July23 if she would like. The judge has asked that I ask our atty about the resolution.

Please let us know if Dr. Reed wants us to place item.

Good afternoon, Mr. Fish,

In reference to your question about whether if Dr. Reed were to speak during the Open Forum session part of the meeting would the commissioner's be able to interact with her, the answer is "no". Commissioners cannot respond to nor ask questions of public comment(s) made during the Open Forum session.

As far as your question about the consideration of a Resolution for STC Bond and Maintenance Election, we would have to include this item as part of an Agenda item. Ms. Karina Cardoza is the person who oversees all County resolutions but, I will have to discuss this item with Mr. Valde Guerra, County Administrator. I am not sure what legalities, if any, need to be considered for such a request. As soon as I have a response, I will let you know.

Good morning Mrs. Chapa,

Yoli Orozco asked me to help coordinate this presentation to the Commissioner's Court, as I am assisting Dr. Reed with items related to the Bond and Maintenance Election.

Dr. Reed appreciates your suggestion of signing up for a public comment under the Open Forum, but has two concerns:

1. Can the Commissioners Court respond/ask questions during Open Forum?
Dr. Reed anticipates that the information she presents may invite questions from the Commissioners, and she would appreciate being able to respond to any questions the Commissioners may have.
2. Dr. Reed would also like to ask the Commissioners to consider a resolution concerning the STC Bond and Maintenance Election.
Presumably, the Commissioners would like to be forewarned that the issue will be presented. How would we go about asking that Dr. Reed's presentation *and* consideration of a resolution to be placed on an agenda?

Hi, Yole,

Commissioner Court is held every Tuesday at 9:30 a.m. at Edinburg City Hall. She can simply sign up to speak under Open Forum and she will have 15 minutes to do so. If she wants to interact with Commissioner Court members, we would have to place an item on the agenda but I don't think she needs to do that.

Good Morning Mrs. Chapa:

I hope this email finds you doing great!

Would you please help me with the following or guide me to the appropriate party. Dr. Reed needs to go before the Hidalgo County Commissioners Court to inform them of STC's bond and maintenance election. What is the process for going before the Commissioners Court, dates, etc.

Thank you, Mrs. Chapa. Your help is appreciated.

Yoli
