City agrees to attain scheduling approval from Customs and Border Protection/Border Patrol prior to performing any work, and shall provide County with approved schedule. City further represents and understands that City shall not receive any Grant funds and/or reimbursements for any work not previously approved or that is outside the approved schedule.

City agrees to notify County in writing and obtain from County written approval, prior to any proposed changes, delays or departures from the Statement of Work (**See Exhibit "D"**) and the City Grant Budget (**See Exhibit "E"**).

County shall not be liable for costs incurred or performances rendered by City before commencement of this Agreement or after termination of this Agreement and shall not be responsible for reimbursement as described in the Statement of Work (**See Exhibit "D"**) and the City Grant Budget (**See Exhibit "E"**). City further represents and understands that the full amount as represented in City's Grant budget shall be released in tactical phases and contingent on the State of Texas first releasing grant funds to County.

City agrees to provide County with copies of all current and applicable payment and overtime policies, workers compensation policies, retirement rates, unemployment rates, and any other reimbursable benefit and rates of payment as required for reimbursement under the City Grant Budget (**See Exhibit “E”**).

City shall tag and inventory all equipment and assets purchased with Grant funds by tagging and placing identification labels identifying the Grant name and year in accordance with State Administrative Agency Bulletin saa12-004 (**See Exhibit “F”**). City shall conduct physical inventory on a monthly basis and provide County with a complete and accurate listing of equipment/assets including tag numbers, id numbers and serial numbers with photographs depicting same.

City shall take ownership and complete control of equipment/assets purchased with Grant funds after grantee has completed all required work relating to the Grant or once the period of performance for the Grant ends, whichever comes first.

SECTION IV RECORDS AND REPORTS

City agrees to establish and maintain all necessary records and reports that may be necessary for reimbursement from County of Grant funds, including but not limited to the Cost Reimbursement Form (**See Exhibit “F”**) and Activity Log (**See Exhibit “H”**). City shall provide County with a weekly report (**See Exhibit “G”**). City shall further provide County with a monthly Property Acquisition Form to include photographs of each equipment/asset and updates on equipment/assets secured with Grant funds. (**See Exhibit “I”**). The Inventory Log shall meet federal requirements by identifying assets with an appropriate tag number, identification or serial number affixed to the corresponding equipment/asset, and photographs showing same. (**See Exhibit “F”** including State Administrative Agency Bulletin saa12-004 attached thereto.)

City understands that it is solely the City’s responsibility to keep all records and reports pertaining to Grant activity within their municipality in a manner acceptable to County. Failure to maintain records and reports may result in forfeiture of the City’s designated Grant funds.

SECTION V MONITORING VISITS

City shall allow County to conduct on-site monitoring visits to assure compliance with applicable federal requirements, terms and conditions, and adequacy of timeliness of performance by City and those performance goals are being achieved, if applicable. City shall give Homeland Security, GDEM, TxDPS, the Comptroller General of the United States, County, County Auditor, and any of their duly authorized representative, unobstructed and full access to and the right to examine all books, accounts, records, reports, files, and other papers, things or property belonging to or in use by City pertaining to this Agreement.

SECTION VI

PAYMENT REQUESTS

City agrees to submit to the County Auditor's Office, a properly completed SSA/Division of Emergency Management Cost Reimbursement Request (**See Exhibit "F"**) and all supporting documentation, including but not limited to General Ledger Reports, Payroll Distribution Reports, Time Sheets, Activity Logs (**See Exhibit "H"**), Property Acquisition Form (**See Exhibit "I"**), Copies of Invoices, and other related information whether or not requested by County on a monthly basis no later than the 15th of each month for the previous month. Each Cost Reimbursement Request shall be completed with the instructions included in the attached **Exhibit "F"**.

City and County agree that all unused Grant funds at the end or termination of this Agreement will be reallocated or reprogrammed by County.

SECTION VII AUDIT REQUIREMENTS

City agrees to comply with the applicable requirements and standards as set forth in OMB Circular A-133, Audits of States, Local Governments and Non-Profit organizations.

If City expends Five Hundred Thousand Dollars, (\$500, 000.00) or more in federal grant funds in the fiscal year, City must, within nine (9) months from the end of the fiscal year, supply County with an audit of revenues and expenditures conducted by a certified public accountant. If the City expends less than \$500,000.00 in federal grant funds in a calendar year, then it is exempt from the OMB Circular A-133 audit requirements for that year; however, records must be available for review or audit by appropriate officials of the federal agency, the General Accounting Office and County. If a City is exempt, City will provide to County a copy of City's Financial Statements for the most recent fiscal year ended. City must complete and provide to County a completed Property Acquisition Form **Exhibit "I"** to be submitted monthly. If applicable, City agrees to cooperate with the County relating to any inquires regarding audits and City acknowledges that a Financial Audit shall be provided to County at the expense of the City. City shall further provide County with a final report and all documentation required no later than 60 days prior to the completion of the project.

City understands that this Agreement may be suspended or terminated if City materially fails to comply with the provisions of the Agreement or the provisions so listed in attached **Exhibits "A" through "I"**.

If City fails to fulfill in a timely and proper manner its obligations under this Agreement, or City violates any of the agreements or stipulations of this Agreement, then the County shall provide City written notification of such non-performance. Such non-performance may be the

basis for immediate termination of the Agreement. **Should any breach by the City of this Agreement relate to a violation of federal law or regulation that results in GDEM (TxDPS) or Homeland Security demanding reimbursement from the County or the City or its successor, the County will terminate Agreement and seek reimbursement of all funds from City.** City shall not be relieved of the liability to the County for damages sustained by the County by virtue of any breach of this Agreement by City and County may withhold any payments to City for violations of state, local or federal regulations. Should the county become aware of any activity by City, which would jeopardize the County's position with Homeland Security, GDEM, (TxDPS) or any other state or federal agency, or which would cause a payback of federal funds, than the County may take appropriate action including injunctive relief against City to prevent the transaction as aforesaid. The failure of the County to exercise any right shall in no way constitute a waiver by the County to otherwise demand payment or seek any other relief in law or in equity to which it may be justly entitled.

It is expressly agreed that this Agreement may not be amended except in writing upon the joint action of the governing bodies of both the County and City.

SECTION IX ASSETS

City shall not purchase any asset unless so permitted by the County and such procurement shall be done in the form and manner so required by the County.

The requirements for real and personal property acquired with federal awards are contained in the Common rule of the Office of Management and Budget (OMB) Circular A-102, "Grants and Cooperative Agreements with State and Local Governments." The Common Rule of OMB Circular A-102 has been adopted by reference in the Uniform Grant Management Standards (UGMS). Recipients and sub-recipients of federal pass-through and other funds from state agencies are subject to the requirements of UGMS.

UGMS requires grant recipients and Sup-recipients to maintain property records, perform a physical inventory at least once every two years, reconcile results of the physical inventory to property records, safeguard the property, maintain the property, and use proper sales procedures to ensure the highest possible return.

To comply with the federal and state requirements regarding property records, City is required to keep a Property Acquisition Form to include a list of equipment and assets acquired with grant funds. This list should include a description of the property, a serial number or other identification number, the source of property, name of title holder, the acquisition date, cost of the property, percentage of federal or state participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property (**See Exhibit "I"**).

The disposition of any asset improved or acquired in part or in whole with Grant funds by the City during the Grant period or after expiration of the Grant period, must have prior written approval of the County and County shall be reimbursed for the asset, if sold, in the full amount

of the fair market value of the disposed asset. Upon such reimbursement to the County, the City shall become the owner of such asset purchased or acquired through the Grant funds and shall be responsible for the care, maintenance and repair of same. This reimbursement process shall also be applicable and in full force and effect for any asset which is no longer used for its intended Grant purpose by the City at any time during the Grant period or after expiration of the Grant period. The Parties are further required to comply with 44 CFR 13.32(e) regarding the disposition of assets acquired with Grant funds.

SECTION X LIABILITY FOR DISALLOWED COSTS

The City understands and agrees that it shall be liable to County for any costs disallowed pursuant to financial and compliance audit(s) of City agreement funds. The City further understands and agrees that reimbursement to County of such disallowed costs shall be paid by the City from funds that were not provided or otherwise made available to City pursuant to this Agreement or any other federal contract.

SECTION XI INDEMNITY CLAUSE AND INSURANCE REQUIREMENT

City agrees to hold harmless the County its elected officials, officers, employees, consultants, or agents and to indemnify County's elected officials, employees, consultants or agents and to defend County against any and all claims brought against County by elected officials, officers, employees, or agents of City or brought by any third person arising in any manner directly or indirectly from City programs, activities or events conducted pursuant to this Agreement.

City shall acquire, maintain and furnish to County a Certificate of Insurance as proof that it has secured and paid for policies of public liability and automobile insurance to cover all operations and services under this Agreement with limits of not less than \$300,000.00 per occurrence, \$1,000,000.00 aggregate, covering all risks incident to or in connection with the execution, performance, attempted performance or non-performance of this Agreement. This requirement shall be to meet City's duty of indemnification under this paragraph.

SECTION XII PROCUREMENT

City agrees to conform to its own applicable purchasing laws, regulations, employment policies and procedures with respect to any purchases or employment in relation to the Grant and/or this Agreement.

SECTION XIII CONFLICT OF INTEREST

City covenants that neither its elected officials, officers, employees, consultants, nor agents who exercise influence on the decision-making process presently has or will have any

interest, direct or indirect, with any person, corporation, company or association that is hired to carry out any of the activities funded by the Grant. City agrees that all elected officials, officers, employees, consultants or agents shall comply fully with the requirements of Texas Local Government Code Chapter 171.

City agrees that no person who is an elected official, officer, employee, consultant, or agent of the City's organization or the County's organization shall gain any interest in any corporation, company, or association that is hired to carry out any of the activities so listed in the attached Exhibit "A" during the Grant period or for a period of one (1) year thereafter.

City is responsible for repayment of funds associated with any conflict of interest that may occur either knowingly or unknowingly.

SECTION XIV MISCELLANEOUS PROVISIONS

Dear Judge Garcia:

I am pleased to inform you that the 2012 Homeland Security Grant Award to Texas includes an Operation Stonegarden Grant (OPSG) allocation for Hidalgo County in the amount of \$2,100,000.00. This letter is being sent to you as the grant point of contact for Hidalgo County.

DHS prohibits the Texas Homeland Security State Administrative Agency (THSSAA) from awarding OPSG funds until a Concept of Operations Plan (CONOPS), an imbedded budget and Tactical Operations Orders for each Tactical Operations Period has been reviewed and an official notification of approval has been issued by DHS for Hidalgo County.

Hidalgo County should presently be in the process of developing, through their border area's Integrated Planning Team (IPT), the required operational documentation referenced above, and ensuring these documents are submitted to their Border Patrol Sector Representative (CBP) by **October 15, 2012**. Submitting the required operational documents to CBP within this deadline will facilitate the 2012 OPSG award approval process and allow your jurisdiction access to this funding for the support of your ongoing efforts to protect our border.

If you have any questions regarding the FY 2012 Operation Stonegarden grant program, please refer to the FY 2012 Homeland Security Program Grant Funding Opportunity Announcement or contact Arturo O. Mendez at 512-377-0022 (arturo.mendez@dps.texas.gov) or Bill Paynter at 512-377-0014 (bill.paynter@dps.texas.gov).

Sincerely,

Furthermore, DPS/THSSAA and the Sub-recipient are collectively hereinafter referred to as the "Parties." This Grant Sub-recipient Agreement (SRA), or otherwise referred to herein as "this Grant" or "this Agreement", is only an offer until Sub-recipient returns the signed copy of this Grant on or before the date provided in the transmittal letter and/or in this Grant Sub-recipient Award.

The FY 2012 Homeland Security Grant Program (HSGP) funding plays an important role in the implementation of Presidential Policy Directive – 8 (PPD-8) by supporting the development and sustainment of core capabilities to fulfill the National Preparedness Goal (NPG). HSGP funding shall be used for costs related to the planning, organization, equipment, training, and exercise needs that prevent, protect against, mitigate, respond to, and recover from acts of terrorism and other catastrophic events.

The FY 2012 Nonprofit Security Grant Program (NSGP) funding plays an important role in the implementation of Presidential Policy Directive 8 (PPD-8) by supporting the development and sustainment of core capabilities to fulfill the NPG. NSGP provides funding for target hardening and other physical security enhancements and activities to nonprofit organizations that are at high risk of terrorist attack and located within one of the specific Urban Areas Security Initiative (UASI)-eligible Urban Areas. While this funding is provided specifically to high-risk nonprofit organizations, the program seeks to integrate nonprofit preparedness activities with broader State and local preparedness efforts.

Sub-recipient may not assign or transfer any interest in this Grant without the express, prior written consent of DPS/THSSAA. If Sub-recipient issues subawards as part of this Grant project, Sub-recipient shall include and require its subawardees to comply with the terms and conditions of this Grant.

The term "Sub-recipient agreement funds" as used in this Grant means funds provided by DPS/THSSAA under the United States Department of Homeland Security (DHS) Federal Emergency Management Agency (FEMA) grant programs (also referred to herein as DHS/FEMA). The term "Sub-recipient's funds" or match funds as used in this Grant means funds provided by the Sub-recipient.

Failure to Perform. In the event Sub-recipient fails to implement the project(s) entered and approved in the DPS/THSSAA web-based grants management system, or comply with any provision of this Grant, Sub-recipient shall be liable to DPS/THSSAA for an amount not to exceed the award amount of this Grant and may be barred from applying for or receiving additional DHS/FEMA grant program funds or any other grant program funds administered by DPS until repayment to DPS/THSSAA is made and any other compliance or audit finding is satisfactorily resolved, in addition to any other remedy specified in this Grant. Failure to timely implement projects may reduce future funding in additional DHS/FEMA and/or other grant programs administered by DPS.

Environmental Review

Sub-recipient shall assess its federally funded projects for potential impact to environmental resources and historic properties. Sub-recipient shall submit any required screening form(s) as soon as possible and shall comply with deadlines established by DPS/THSSAA. Timelines for the Environmental Planning and Historic Preservation (EHP) review process will vary based upon the complexity of the project and the potential for environmental or historical impact. Sub-recipient shall include sufficient review time within its project management plan to comply with EHP requirements. **Initiation of any activity prior to completion of FEMA's EHP review will result in a non-compliance finding and DPS/THSSAA will not authorize or release grant funds for non-compliant projects.**

Sub-recipient, as soon as possible upon receiving its grant award, shall provide information to DPS/THSSAA to assist with the legally-required EHP review and to ensure compliance with applicable EHP laws and Executive Orders (EO) currently using the FEMA EHP Screening Form OMB Number 1660-0115/FEMA Form 024-0-01 and submitting it, with all supporting documentation, to DPS/THSSAA for review. These EHP requirements include but are not limited to the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, EO 11988 – Floodplain Management, EO 11990 – Protection of Wetlands, and EO 12898 – Environmental Justice. These include but are not limited to communications towers, physical security enhancements involving ground disturbance, new construction, and modifications to buildings. Sub-recipient shall comply with all mitigation or treatment measures required for the project as the result of FEMA's EHP review. Any changes to an approved project description will require re-evaluation for compliance with EHP requirements before the project can proceed. If ground disturbing activities occur during project implementation, Sub-recipient shall ensure monitoring of ground disturbance and if any potential archeological resources are discovered, Sub-recipient shall immediately cease construction in that area and notify FEMA and the appropriate State Historical Preservation Office.

Sub-recipient shall make such refund to DPS/THSSAA within thirty (30) days after DPS/THSSAA requests such refund.

Non-Waiver of Defaults

Any failure of DPS/THSSAA, at any time, to enforce or require the strict keeping and performance of any provision of this Grant shall not constitute a waiver of such provision, and shall not affect or impair same or the right of DPS/THSSAA at any time to avail itself of same. A waiver does not become effective unless DPS/THSSAA expressly agrees to such waiver in writing. Any payment by

DPS/THSSAA shall not constitute a waiver or otherwise impair or prejudice any right, power, privilege, or remedy available to DPS/THSSAA to enforce its rights, as such rights, powers, privileges, and remedies are specifically preserved.

Changes and Amendments

Modification. FEMA or DPS/THSSAA may modify this Grant after an award has been made. Once notification has been made in writing, any subsequent request for funds indicates Sub-recipient's acceptance of the changes to the award. Effect of Changes in Federal and State Laws. Any alterations, additions, or deletions to this Grant that are required by changes in federal and state laws or regulations are automatically incorporated into this Grant without written amendment to this Grant and shall become effective upon the date designated by such law or regulation. In the event FEMA or DPS/THSSAA determines that changes are necessary to this Grant after an award has been made, including changes to the period of performance or terms and conditions, Sub-recipient shall be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate Sub-recipient's acceptance of the changes to this Grant.

Headings

Headings and captions of this Grant are only for convenience and reference. These headings and captions shall not affect or modify the terms and conditions or be used to interpret or assist in the construction of this Grant.

Venue

Venue shall lie in Travis County, Texas, and this Grant is governed by the laws of the State of Texas.

Suspension

In the event Sub-recipient fails to comply with any term of this Grant, DPS/THSSAA may, upon written notification to Sub-recipient, suspend this Grant, in whole or in part, withhold payments to Sub-recipient and prohibit Sub-recipient from incurring additional obligations of this Grant's funds.

Termination

DPS/THSSAA shall have the right to terminate this Grant, in whole or in part, at any time before the end of the Performance Period, if DPS/THSSAA determines that Sub-recipient has failed to comply with any term of this Grant. DPS/THSSAA shall provide written notice of the termination and include:

1. Temporarily withhold cash payments pending correction of the deficiency by Sub-recipient or more severe enforcement action by DPS/THSSAA or DHS;
2. Disallow, that is, deny both use of funds and matching credit for, all or part of the cost of the activity or action not in compliance;
3. Wholly or partially suspend or terminate this Grant for Sub-recipient's program;
4. Withhold further awards for the program; or
5. Take other remedies that may be legally available.

In taking an enforcement action, DPS/THSSAA will provide Sub-recipient an opportunity for a hearing, appeal, or other administrative proceeding to which Sub-recipient is entitled under any statute or regulation applicable to the action involved.

The costs of Sub-recipient resulting from obligations incurred by Sub-recipient during a suspension or after termination of this Grant are not allowable unless DPS/THSSAA or DHS expressly authorizes them in the notice of suspension or termination or subsequently. Other Sub-recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

1. The costs result from obligations which were properly incurred by Sub-recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancellable; and
2. The costs would be allowable if this Grant were not suspended or expired normally at the end of the funding period in which the termination takes effects.

DPS/THSSAA will close a sub-award after receiving Sub-recipient's final quarterly performance report indicating that all approved work has been completed and all funds have been disbursed, completing a review to confirm the accuracy of the reported information, and reconciling actual costs to award modifications and payments. If the close out review and reconciliation indicates that Sub-recipient is owed additional funds, DPS/THSSAA will send the final payment automatically to Sub-recipient. If Sub-recipient did not use all the funds received, DPS/THSSAA will issue a Grant Adjustment Notice (GAN) to recover the unused funds. Sub-recipient will return the funds to the DPS/THSSAA within 30 days of receiving the GAN.
- B. At the completion of Sub-recipient's performance period, DPS/THSSAA will de-obligate all uncommitted / unexpended funds.

 2. Sub-recipient's obligation to return any funds due as a result of later refunds, corrections, or other transactions;
 3. Records retention requirements, property management requirements, and audit requirements, as set forth herein; and

No. 12-003

From: Machel Pharr

Subject: Federal Debarment and the Excluded Parties List System

Purpose

In an effort to provide assurance to the Federal Government that the State of Texas and its sub-recipients comply with Federal Executive Order 12549, 44 CFR § 13.35 ("Subawards to debarred and suspended parties"), and the Texas Uniform Grant Management System (UGMS), the Texas Department of Public Safety/Texas Homeland Security-State Administrative Agency requires all Homeland Security Grant Program subrecipients (to include all programs administered by the TXDPS/THS-SAA) check the debarment status of all vendors before contracting with or making any purchases with funds from any federal grant.

The Excluded Parties Listing Systems (EPLS) is an electronic database of parties excluded from federal procurement and non-procurement programs and is located at WWW.EPLS.Gov. The EPLS identifies those parties excluded throughout the U.S. Government (unless otherwise noted) from receiving Federal contracts or certain subcontracts and from certain types of Federal financial and nonfinancial assistance and benefits.

The TXDPS/THS-SAA requires Subrecipients to develop a written policy and procedure in order to ensure that the EPLS system is utilized. A sample policy and procedure has been provided below. These provided samples are intended as a guide but can be modified and adopted:

Policy

Prior to procuring or entering into contract(s) for any goods/services, the subrecipient must check the debarment status of the vendor using the EPLS system (WWW.EPLS.Gov) and document that verification has occurred. This policy applies to the procurement of all good(s) or service(s) regardless of unit price or quantity.

Furthermore, because vendors are being removed and new ones added on a daily basis, subrecipients will be required to verify the vendor before issuing a new purchase order, blanket purchase order, contract or single time purchase.

If verification has been performed prior to entering into multiple invoice or multiple billing period contracts, such as a yearly wireless phone subscription, then verification is not required prior to making each payment to the vendor. However, a verification should be performed prior to extending, renegotiating a follow-on contract, or entering into a new contract.

Each Jurisdiction must have a written policy that includes the verification of vendors using the EPLS system prior to procuring or entering into contract(s) for any goods/services.

Example Policy:

The County/City Purchaser shall verify debarment status of all vendors prior to utilizing Homeland Security funds, using the EPLS system (WWW.EPLS.Gov)

Procedures for Documentation

Each subrecipient must be able to provide that debarment status of vendors has been verified before funds have been dispersed to the vendor.

Example Procedures:

Before Homeland Security funds may be spent, the County/City purchaser will:

1. Go to the EPLS Website(WWW.EPLS.Gov).
2. The County/City Purchaser or their agent will search the EPLS system for the vendor.
3. If the vendor is found not be debarred, a copy of the screen print indicating the vendor is not debarred at the time of the procurement should be included with the paperwork for that purchase and retained with the procurement records for audit and monitoring purposes.
4. If the vendor is debarred, the County may not do business with this vendor.

SAA Monitoring

During monitoring and reviews, subrecipients must be able to provide proof that the debarment status of vendors was verified before a purchase or contract was executed, and all documentation should be retained for audit purposes (maintain a copy of the screen print verification from the EPLS website) throughout the record retention period for the particular grant. Failure to do so may result in withholding of reimbursements or a reduction in future grant funding.

***Texas Uniform Grant Management System (UGMS) III. State Uniform Administrative Requirements For Grants and Cooperative Agreements Subpart C—Post-Award Requirements____.35 Subawards to debarred and suspended parties.**

“Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549, “Debarment and Suspension.” A current list of “Parties Excluded from Procurement and Nonprocurement Programs” may be obtained from the federal General Services Administration in electronic form via modem or on the internet at <http://www.EPLS.GOV> State agencies are prohibited by the state appropriations act from purchasing

goods or services with appropriated funds “from companies which have been found, in a judicial or state agency administrative proceeding, to be guilty of unfair business practices.” The restriction on such purchases remains in effect for one year from the date of the determination of guilt.

Subject: Tagging and Inventory Requirements for Homeland Security Funded Equipment

This information bulletin replaces GDEM-SAA Information Bulletin No. 2, dated August 10, 2006. In an effort to clarify the 44 CFR 13.32 requirements that all Homeland Security Grant Program sub-recipients must follow with regards to the equipment tagging and inventory requirements, the following guidance is provided.

Definitions

Capital Asset is personal property costing \$5,000.00 or greater per-unit and having an estimated useful life of greater than one year.

Controlled Asset is an asset that has a per-unit cost of less than \$5,000.00, however due to its high-risk nature, must be tracked regardless of per unit cost. The following is a list of Controlled Assets.

<u>Controlled Asset Description</u>	<u>Authority</u>
• Stereo Systems	(UGMS, SPA)
• Cameras including Still, Digital, and Video	(UGMS, SPA, THSSAA)
• Facsimile Machines	(UGMS)
• TVs, VCRs, DVRs, and DVD Players	(UGMS, SPA)
• Cellular and Portable Telephones	(UGMS, THSSAA)
• Desktop CPU – Apple and non Apple	(SPA, THSSAA)
• Portable CPU – Apple and non Apple-including Tablet Devices	(SPA, THSSAA)
• Printer – Portable and non portable	(SPA, THSSAA)
• Data Projectors	(THSSAA)
• GPS Devices	(THSSAA)
• Communications Equipment	(THSSAA)
• Hand Held and Vehicle Mounted Radios	(THSSAA)
• Hand Held Imaging Units	(THSSAA)

- Night Vision Optics, Spotting Scopes, and Binoculars (THSSAA)
- Trailers (THSSAA)
- Generators (THSSAA)
- CBRNE Detection Equipment (THSSAA)

UGMS = Uniform Grant Management Standards

SPA = State Property Accounting System

THSSAA = Texas Homeland Security State Administrative Agency

Equipment Inventory Management

A control system must be in place to ensure adequate safeguards to prevent loss, damage, or theft of the asset. Any loss, damage, or theft shall be investigated (44 CFR 13.32). In order to ensure compliance with federal regulation, the THSSAA requires all sub-recipients to comply with the following Equipment Management guidance:

Equipment Inventory Requirements

Asset records must be maintained and a physical inventory of the homeland security grant-funded property must be taken and reconciled with the property records at least once every two years. (44 CFR 13.32, UGMS Subpart C.32). THSSAA requires sub-recipients to track and record all required grant-funded Capital Assets and Controlled Assets in an inventory system and reconcile those records once every two years. Sub-recipient inventory systems must contain the following information:

1. A description of the asset
2. A serial number or other identification number
3. The source of asset
4. Who holds title
5. The acquisition date
6. Cost of the asset
7. Percentage of federal participation in the cost of the asset
8. The location
9. Use
10. Condition of the asset
11. Any ultimate disposition data including the date of disposal and sale price of the asset
12. Control or inventory number

(Reference: A-133 Compliance Supplemental, 44 CFR 13.32, UGMS)

Tagging Requirements

1. All Homeland Security Grant-funded Capital assets over \$5,000.00 in unit price and all controlled assets must be tagged.
2. Tagging is considered acceptable when it can be removed only through considerable effort or intentionally.
3. Asset tags must contain the following data:
 - a.. Jurisdiction's name
 - b.. Tag sequence number

Example: "Bexar County –No. 00025"

Remember: When practical, the equipment should be marked "Purchased with Funds Provided by the U.S. Department of Homeland Security".

4. The asset tag sequence number must be reflected as a column in the Jurisdiction's master inventory listing and must correspond with the asset data.
5. The sub-recipient must consider the placement of the asset identification tag for ease of access during inventory and inspections. If an asset is constructed of material that does not allow for a tag to be applied (e.g. rubberized, fabric), the Sub-recipient should use other means of tagging such as a permanent marker or engraving. If an asset's size does not allow for a tag to be applied (e.g. night vision optics), the Sub-recipient should place the tag on the storage container for that asset. Hand held radios can often be tagged under the battery. It is not necessary to deface an asset when applying a tag.
6. In the event that an asset is found to have its tag defaced or damaged to the point where number recognition is impossible, the jurisdiction should replace the identification tag assigned and affix a new one to the equipment. Lastly, update the master inventory list to reflect the new asset tag. A cross reference on the old record should also be made to provide an audit trail.
7. For Disposition, please refer to 44 CFR 13.32 (e)
