Good Morning Rocio,

Due to budgetary cuts, it is not financially feasible to continue to pay rent in the City of La Joya. We see 1363 clients a month and we pay \$2,850 a month rent for a total of \$33,600 a year. I am proposing to move the staff of 6 and our clients to the Sullivan City clinic which is 12 miles away. Sullivan City clinic is a County owned building that WIC occupies twice a week. This would expand services in Sullivan to 5 days a week. This would save the program rental and utility costs and also it would require one less staff person.

Please send Mr. Felix Alaniz his 30 day notice of termination according to the rental lease. I propose to be out of the building by the end of September 30, 2013. Thank you for your assistance in this matter.
