RE: Advance Funding Agreement (AFA)
10th Street Extension from SH 107 to FM 1925
CSJ: 0921-02-300

Dear Judge Garcia:

We are in receipt of both letters dated July 9, 2013 and August 1, 2013 from Commissioner Joseph Palacios. The Pharr District concurs with your request that this project be let by Hidalgo County and have revised the language for the construction responsibilities and utilities on the AFA accordingly. We have also revised the budget page to reflect the total funding received from Category 7 (Metropolitan Mobility and Rehabilitation funds) authorized by the Hidalgo County Metropolitan Planning Organization and Category 12 funds authorized by the State. We have also included the Economically Disadvantaged County Program reduction and the County's participation is 3.4% for construction engineering and contingencies. Attached for your signature are two originals of the AFA.

Please sign and return both originals, along with the County's resolution authorizing the AFA, to the attention of Mr. Homero Bazan, Jr., our Director of Transportation Planning and Development, at the above address for further processing. Please also include a check in the amount of $58,572.00, to cover the County's estimated share of Preliminary Engineering Direct State Costs associated with this project, made payable to the Texas Department of Transportation Trust Fund.

If you have any questions please contact Mr. Bazan or me at 702-6100.

Sincerely,

Pedro R. Alvarez, P.E.
Pharr Deputy District Engineer
