C-13-240-09-24

THIS AGREEMENT is made effective the 24<sup>th</sup> day of September, 2013 by and between the COUNTY OF HIDALGO, TEXAS, ("County") and Quintanilla, Headley and Associates, Inc., a Texas Corporation ("Surveyor")

W I T N E S S E T H:

WHEREAS, the County requires Surveying services for "Professional Surveying Services for Cesar Chavez Road from Business 83 to Carroll Road(on an on-call basis)"; and

WHEREAS, County has determined that the services of Professional Surveyor are sometimes necessary to carry out the required Surveying activities; and

WHEREAS, pursuant to Texas Government Code Section 2254.002, "The Professional Services Procurement Act", Government Code, the County requested proposals from Professional Surveyor to assist the County by providing Surveying services; and

WHEREAS, the County has selected the Surveyor to provide surveying services within

Hidalgo County Precinct No. 2 in Request for Qualifications (RFQ) Procurement Packet and through its procured approved pool of Surveyors.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, County and Surveyor do mutually agree as follows:

1. **Scope of Services.** Surveyor agrees to provide to County the services shown in Exhibit "A" attached hereto and entitled (hereinafter referred to as "Services") to be provided by the Surveyor. Further Hidalgo County reserves the right to request these services from other sources other than the successful vendor and shall not be in violation of any terms or conditions of said contract.

2. **Term.** This Contract becomes effective when fully executed by both parties and will terminate the earlier of when the Services are completed and accepted by County one hundred twenty (120) days from the date of execution or unless sooner terminated as provided herein. The Surveyor will not begin work or incur costs until authorized in writing by the County..

3. **Method of Payment.** Payments to the Surveyor for services rendered will be made while work is in progress as executed through a lump sum fee assigned. The Surveyor shall prepare and submit to the County monthly progress reports in sufficient detail to support the progress of the work and in support of a request for payment (hereinafter referred to as ("Request

for Payment”). The progress report shall indicate the percent completion of the work accomplished by the Surveyor during the billing period and to the date of the Request for Payment. On or before noon of the first Monday of each month during the performance of the services, the Surveyor shall submit to the County for approval a Request for Payment. Payment of the lump sum fee identified in the Request for Payment will be in proportion to the percent completion of the work tasks identified together with a detailed breakdown of the amount and the sum of all prior payments. The County shall review each such Request for Payment and may make such exceptions as the County reasonably deems necessary or appropriate under the circumstances then existing. About ten (10) working days after the Commissioners Court of the County meets approving such payment, the County shall make payment to the Surveyor in the amount approved as aforesaid subject to Paragraph 4 herein and below.

If the Project, or any portion(s) thereof, are deleted or otherwise not completed, compensation to the Surveyor by the County for the Project or such portions of the project shall be only the amounts paid the Surveyor for actual work performed in accordance with the Exhibit “E”.

**Final Payment.** After final completion of the work and acceptance thereof by the County the Surveyor shall submit a final request for payment (“Final Request for Payment”) which shall

set forth all amounts due and remaining unpaid to the Surveyor and upon approval thereof by the County, the County shall pay to the Surveyor the amount due ("Final Payment") under such Final Request for Payment in accordance with the provisions of Paragraph 4 hereof. The Final Payment shall not be made until the Surveyor delivers to the County an affidavit that so far as the Surveyor has knowledge or information any and all amounts due for materials and services over which the Surveyor has control have been paid.

**Qualification on Obligations to Pay.** Any provision hereof to the contrary notwithstanding, the County shall not be obligated to make any payment (whether a payment under Paragraph 4 hereof or Final Payment) to the Surveyor hereunder if any one or more of the following conditions precedent exist:

- (1) The Surveyor is in default of any of its obligations hereunder or otherwise is in default under this Agreement or under any contract documents related to this Agreement;
- (2) Any part of such payment is attributable to the Surveyor's services which are not performed in accordance with this Agreement; provided, however, such payment shall be made as to the part thereof attributable to the Surveyor's services which were performed in accordance with this Agreement.
- (3) The Surveyor has failed to make payments promptly to consultants or other third parties used in connection with the Project for which the County has made payment to the Surveyor;

- (4) If the County, in good faith judgment, determines that the portion of the compensation then remaining unpaid will not be sufficient to complete the Surveyor's services in accordance with this Agreement, no additional payments will be due the Surveyor hereunder unless and until the Surveyor, at its sole cost, performs a sufficient portion of the Surveyor's services so that such portion of the compensation then remaining unpaid is determined by the County to be sufficient to so complete the Surveyor's services.

No partial payment made hereunder shall be or construed to be final acceptance or approval of that part of the Surveyor's services to which such partial payment related or relieves the Surveyor of any of its obligations hereunder with respect thereto.

The Surveyor shall promptly pay all bills for labor and material performed and furnished by others in connection with the performance of the Surveyor's services.

**Waiver.** The making of the Final Payment shall constitute a waiver of all claims by the County except those arising from (1) faulty or defective services of the Surveyor appearing after completion of the Project. (2) failure of the Surveyor 's services to comply with the requirements of this Agreement or any contracts or Agreements related to the Project, or (3) terms of any special warranties required by this Agreement or provided at law or in equity. The acceptance of Final Payment shall constitute a waiver of all claims by the Surveyor except those previously made in writing and identified by the Surveyor as unsettled at the time of the Final Request for

Payment.

5. Compensation. For and in consideration of the services to be rendered by the Surveyor, the Owner shall compensate the Surveyor as follows:

5.1 *Services*. For and in consideration of the *Services* to be rendered by the Surveyor, as identified in Paragraph 1 and more particularly identified in EXHIBIT "B", attached hereto, the amount payable by the Owner to the Surveyor for *Services* will be in the amount of (\$3,500.00) three thousand five hundred dollars and zero cents, and it is subject to adjustment in accordance with Paragraph 3 herein, will be provided in EXHIBIT E- *Fee Breakdown* attached. Payments to the Surveyor for *Services* shall be made by the Owner, upon presentation by the Surveyor of the Request for Payment, in accordance with the terms and provisions of Paragraph 3 herein.

Upon receipt of said request for payment, County shall submit a requisition for payment of said services in the customary manner provided for payments utilized by Hidalgo County, Texas. Surveyor agrees to separately account for the receipt and/or expenditure of funds received pursuant to this Contract and to keep adequate books and records of all such receipts and/or expenditures. All payments to Surveyor shall be mailed to the address shown in numbered paragraph 21, hereof.

6. **Inspection of Work.** The County has the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed hereunder and the premises in which it is being performed. If any inspection or evaluation is made on the premises of the Surveyor, or a subcontractor, the Surveyor shall provide and require its subcontractor to provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

7. **Amendments.** If it becomes necessary at any time during the contract period to change the scope of work, the contract period, the maximum amount payable, the complexity, or the character of this contract, an amendment must be prepared and executed within the contract period. The County retains the right to reject any such amendment proposed by the Surveyor unless the County finds the proposed amendment necessary to complete the work authorized herein. Any such amendments be made in writing agreed to by all parties hereto and duly executed before the end of the contract period as specified.

If the County finds it necessary to require changes in completed work because of errors made by the Surveyor, the County shall require the Surveyor to correct the work at no cost to the County and without amendment to the Contract. If the changes are made at the request of the

County and are not due to errors of the Surveyor, the County will reimburse the Surveyor for the additional work at the same rate of pay established in Exhibit "D", "Surveyor's Hourly Rates." If payment for the additional work will cause the maximum amount payable to be exceeded, an amendment shall be executed in accordance with the terms of this provision.

8. **Reporting.** The Surveyor shall promptly advise the County in writing of events which have a significant impact upon the contract, including:

1. Problems, delays, or adverse conditions which will materially affect the ability to meet time schedules and goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken, or contemplated, and any County or, if Federal funds are involved, Federal assistance needed to resolve the situation.
2. Favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

9. **Ownership of Documents.** Upon completion or termination of this contract, all documents prepared by the Surveyor or furnished to the Surveyor by the County shall be delivered to and become the property of the County. All sketches, photographs, calculations, and other data prepared under this contract shall be made available, upon request, to the County without restriction or limitation on their further use. The Surveyor may, at its own expense, have copies

made of the documents or any other data furnished the County under this contract.

10. **Independent Contractor.** Surveyor must comply with all applicable Hidalgo County policies and with any applicable federal, state or local laws, regulations, orders or ordinances applicable to the services provided by Surveyor under this Contract. Notwithstanding the foregoing sentence, Surveyor represents and maintains that it is an independent contractor and is not an employee of Hidalgo County, Texas, or any agency thereof, and represents and warrants that it does not desire or request any fringe benefits provided to employees of Hidalgo County, Texas, and/or any agency thereof, including, but not limited to benefits associated with Hidalgo County's civil service program. Surveyor agrees to be responsible for any federal income tax, withholding or social security tax liability that might arise from payments received hereunder.

insurance is in full force and effect.

13. **No Assignment.** Except as otherwise herein provided. Surveyor may not assign the obligations or rights under this contract to any person without the prior written consent of the County.

14. **Conflict.** Nothing in this Contract shall be construed so as to require the commission of any act contrary to law, and whenever there is any conflict between any provision of this Contract and any present or future law, ordinance or administrative, executive or judicial regulation, order or decree, or amendment thereof, contrary to which the parties have no legal right to contract, the latter shall prevail, but in such event the affected provision or provisions of this Contract shall be modified only to the extent necessary to bring them within the legal requirements and only during the time such conflict exists.

15. **Termination by County.** If Surveyor fails to deliver quality service, fails to achieve the defined goals, outcomes, strategies and outputs set by County, or if Surveyor fails to comply with any conditions in this Contract, then County shall have the right to terminate this Contract upon the giving of ten (10) days prior written notice to Surveyor.

16. **No Waiver.** No waiver by County of any breach of any provision of this Contract shall be deemed to be a waiver of any preceding or succeeding breach of the same or any other

provision hereof.

17. **Entire Agreement.** This Contract contains the entire agreement between the parties hereto, and each party acknowledges that neither has made (either directly or through any agent or representative) any representations or agreements in connection with this Contract not specifically set forth herein. This Contract may be modified or amended only by agreement in writing executed by County and Surveyor, and not otherwise.

18. **Venue.** This Contract shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Hidalgo County, Texas. The parties hereby consent to personal jurisdiction in Hidalgo County, Texas.

19. **Hold Harmless.** In the event Surveyor should cause, either directly or indirectly, damage, loss, destruction, liability, or claims against the other party as a result of intentional conduct, negligence or otherwise, Surveyor shall hold harmless and indemnify County from any and all obligations, liabilities, causes of action, lawsuits, damages, and assessments, including legal fees, etc., that result from the Surveyor's intentional actions or negligence. This indemnification clause shall survive this Contract and be enforceable as a separate agreement in the event its survival and enforcement becomes necessary.
