Mr. Chapa,

The item has been placed for CC approval due to the fact that the USDA Grant funds expires on 09/30/13 and they have approved the purchase of needed Modulars for Clinic 1203. The action will be requesting approval subject to receiving the Letter of Award from USDA. This letter could be in anytime between now and/or next week.

Thank you!

Good morning

Mr. Garza/Margarita,

The account listed on this agenda is only showing \$16,754.57 as of today

Will the appropriation on AI# 40450 be used to pay for this? or is there a transfer in process?
If so, have you received the Certification of Revenues?

Manuel Chapa
