**INSTRUCTIONS FOR COMPLETING
WAIVER OF PRIVILEGE AND CONFIDENTIALITY FORM**

The Federal Communications Commission ("FCC") has authorized 800 MHz Transition Administrator, LLC ("TA") to assist 800 MHz stakeholders in resolving disputes involving the negotiation and implementation of Planning Funding Agreements and Frequency Reconfiguration Agreements. The TA is also authorized to mediate other disputes involving the 800 MHz reconfiguration process, including disputes involving interference to public safety licensees. If the parties are unable to resolve a dispute which the TA has mediated, the TA is required to submit the record of the dispute, together with a recommended resolution, to the FCC for *de novo* review.

A number of states have adopted the Uniform Mediation Act ("Act") which, *inter alia*, prohibits the disclosure of mediation communications to a third party. "Mediation communications" include oral and written statements made, and other information disclosed, during the course of mediation proceedings. The Act's privilege and confidentiality provisions are subject to waiver pursuant to Sections 3(c) and 5(a), respectively. Mediation communications may also be protected by other statutory and common law privileges. This waiver form expressly waives all such rights and privileges in order to permit the TA to comply with its obligation to submit a complete record and recommended resolution of unresolved disputes to the FCC for its review.

This waiver form does **not** apply to disclosures by the TA or TA Mediators to any person other than the parties to the mediation and the FCC, nor does it apply to any communications or other information not disclosed to the TA or a TA Mediator, e.g., confidential communications with your attorney.

By executing this form, you also agree not to call any TA Mediator as a witness or to subpoena any records of a TA Mediator in any litigation, including administrative proceedings before the FCC. This provision is intended to protect the confidentiality of TA mediations and to promote open and candid communications with TA Mediators.

You are encouraged to obtain the advice of counsel before executing this form.
