Zujey,

Thank you for providing me with the correct job description for the Sergeant position at the She Office. I will go ahead and replace the job description on the agenda (Item# 41234) . There is another observation I made on this same agenda item. The Personnel Adjustment Request (PAI forms do not specify the reason why the positions do not warrant/ and or warrant the allocation clothing allowance. Once you respond to me and with your authorization, I can apply the corresponding justification on each PAR form.

Thank you for your attention to this matter.

**Sincerely,**
